HISTORY OF HOST CHURCHES

Harmon Street and Wilson

HARMON STREET BAPTIST CHURCH

Harmon Street Baptist Church was started in a tent revival in the summer of 1952 on Utah Street in Forest City, North Carolina.

Church Worship Services and Sunday School were held in the tent until the fall of 1952. When the weather became too cool to have services outside, a house was rented on Ohio Street in Forest City. It was while having services in this house that the members voted to organize and build a church on Harmon Street.

The Church was organized on July 19, 1953 with a membership of 38 and Rev. Howard B. Wall serving as the first Pastor. During the next five years, under the leadership of Rev. Wall, five Sunday School rooms were added and the membership grew to 99. In 1963 a new Pastorium was built and by this time 13 more Sunday School rooms had been added.

The congregation, realizing the need for more space and better building facilities, was led to purchase land on the west side of Harmon Street to erect a new church building. Ground breaking service was held April 23, 1972. Work began on the new building May 1, 1972 and the first worship service was held in the present sanctuary on April 1, 1973. The dedication, cornerstone laying, and open house were held May 27, 1973. The cost of the building and all furnishings was $185,000.

The following pastors have served the church: Howard B. Wall, Dupree Gowan, Charlie W. Blackwell, and presently L. Dean Proctor.

WILSON BAPTIST CHURCH

Wilson Baptist Church was first organized as Pleasant View Baptist Church September 2, 1927. Rev. J. S. Pyatt was pastor when it was organized. Then in 1934 when the Wilson School was discontinued, the church was organized as Wilson Baptist Church.

In December 1972, a brick building was erected at the approximate cost of $85,000.

The following pastors have served the church: Tommy Jones, O. R. Flack, Barney Epley, A. M. Martin, T. C. Holland, Leonard Harrill, Watson Young, R. E. Thompson, L. A. Howard, R. G. Melton, Frank Hollifield, Ralph Haynes, James H. Street, and the present pastor E. G. Adkins.

LUNCH AND FELLOWSHIP

5. Malone Thomason sang a solo, "Blessed Redeemer."

6. Moderator Glen Rushing presented his address to the messengers. Reverend Rushing reminded us that God expects great things from us—greater than we are presently doing.

7. The congregation was then led in the singing of the hymn, "How Sweet the Name of Jesus."

8. The Reverend Richard Spencer, Chairman of the Constitution Committee, presented a new proposed Constitution. The motion was made and seconded that the word "stated" in Article X of the constitution be interpreted as the receiving in hand of the printed proposed constitution, thus allowing the dispensing of a verbatum reading. This motion carried and each messenger was presented with a copy of the proposed constitution. Reverend Spencer indicated certain major proposed changes in the constitution. The constitution was to be discussed and vote taken on the following day.

9. New pastors in the Association, present at the session, were recognized: the Reverend Dean Proctor, Harmon Street; the Reverend Euleus Adkins, Wilson; the Reverend E. J. Brown, Cane Creek; the Reverend Johnny Hunt, Lavonia; the Reverend Charles Dickens, Forest Lake. Other new church staff personnel and visitors were recognized.

10. A short music program was presented. Gary Amos, Minister of Music at Adaville Church, sang a solo. A congregational hymn and a special by a quartet composed of Charles Cobb, Gary Amos, Verne Taylor, and Malone Thomason completed the program.

11. The Annual Sermon was delivered by the Reverend Charles Cobb. His text was Ephesians 6:10-20. Rev. Cobb reminded us of the crossroads in our Christian life and that the decisions we make at these crossroads must be based upon the word of God if our lives are to reflect His will.

12. The Reverend A. B. Bumgarner, pastor of the host church, gave instructions concerning the meal and led in the prayer of thanksgiving.

13. A bountiful meal was served by the following churches: Spencer, Sandy Level, Mt. Lebanon, Cane Creek, Adaville, and Wilson.

EVENING SESSION

14. The Associational Youth Choir, under the direction of Malone Thomason, led in a musical celebration to open the evening session.

15. The Reverend John Godfrey led the congregation in a devotional period.

16. A very impressive layman-led patriotic service was presented in celebration of the 200th anniversary of our nation's independence. This included a brief history of America. The all male choir was well received.

17. Kim Sain and Randy Kilby of Gardner-Webb College presented a musical program.

18. Dr. Craven E. Williams, President of Gardner-Webb College, brought the message for the evening. Dr. Williams exhorted us to take our religion to the people of the world and present the story of Jesus Christ in the present day vernacular using analogies that are readily understood in order that our message will be readily accepted.

19. The Reverend R. L. Crawford had the benediction and the Moderator adjourned the meeting until the next day at the Harmon Street Church.

There were 350 messengers and visitors registered on the first day.

Wednesday, October 27, 1976
Harmon Street Baptist Church, Forest City, N. C.

20. The second day of the meeting was opened with a musical celebration led by Jerry Elmore, Minister of Music at the Harmon Street Church.

21. The Reverend Kenneth Brock led in a devotion.

22. The following items of business were presented:

(1) The Proposed Constitution: two amendments were made and adopted. (1) Article IV, Section 1, A was changed from "Tuesday and Wednesday after the fourth Sunday in October" to read "in October." (2) Article VIII, Section 1, the word "Laymen" was changed to "representatives." The amended proposed constitution was moved for adoption and carried by the required three-fourths vote.

(2) Place and Preacher Committee Report: First Day—Adaville Baptist Church, Second Day—to be reported; Preacher, the Reverend Olin Hefner; Alternate, the Reverend William Stroud.

(3) Finance Committee Report: Miss Martha Jean McFarland presented the report and moved for the adoption of the budget. An amendment to increase the Sunday School budget from $400 to $600 carried. An amendment to include in the budget $600 for the South Mountain Baptist Camp failed. The Budget, as amended, was adopted.

(4) Nominating Committee Report: The report was presented and adopted.

(5) The reports of associational and denominational work were adopted.

23. The Reverend Ralph Cannon represented the North Carolina Baptist Homes, Inc. He gave an update on the program of the new home being built at Asheville.

24. Mr. Cane of the Fruitland Bible Institute represented Higher Education and reported on the program at Fruitland.

25. The congregation was led in the singing of "My Jesus I Love Thee."

26. Director of Missions Otis Wheelhouse installed the new officers for the Association and presented each with a "key" pin.

27. Reverend Graham Brooks led in a memorial service for deceased members of our Association during the past year.

28. Otis Wheelhouse, Director of Missions, spoke to the meeting. He reminded us that the mission of the Association is the same as that of the church—reaching lost people.

29. The Reverend Clyde Morris represented Baptist Childrens Homes of N. C., Inc., and spoke concerning the Children's Homes with special emphasis on the Asheville Home for Unwed Mothers.

30. T. A. Lineberger, Director of South Mountain Baptist Camp, presented the needs of the camp and reminded the churches that their support was needed.

31. Rick Webb and Teresa Waters of Gardner-Webb College presented an inspirational music program.

32. Dr. Cecil Ray, General Secretary of the North Carolina Baptist State Convention, brought a message to the meeting on the Convention's new Bold Missions thrust program. We were challenged to become bold Christians for Christ.

33. Moderator Glen Rushing expressed appreciation to the host churches for the meal that had been prepared. The host churches include: Harmon Street, Florence, Glenwood, Mt. Pleasant (R), and Alexander.

34. The Moderator adjourned the Annual Session. The benediction was given by the Reverend Dean Proctor.

Reports

ANNUITY BOARD

The Annuity Board of the Southern Baptist Convention provides insurance and retirement benefits for participating church staff members and denominational workers. The amount of benefits received varies with each individual. Some receive more than others, depending on the plan in which they participate. Statistics indicate that benefits received by the retired today often need to be supplemented to cope with today's inflationary costs. This problem can be remedied in the future if churches will accept the plan suggested by the Annuity Board. This plan will provide adequate retirement funds for pastors and staff workers.

Health insurance for medical costs, group life insurance, disability and retirement benefits are offered by the Annuity Board. As of March 31, 1976, forty-eight churches of the Sandy Run Association were participating in the Southern Baptist Retirement Program. A Church may participate in the Protection Program on the total salary of its pastor or other employees. The Annuity Board recommends ten per cent dues on the total salary as a minimum.

The Annuity Board holds in trust retirement contributions from nearly 40,000 persons. Their contributions will be converted into annuity benefits when they retire.

These contributions, taken together, are considered as funds held in trust by the Annuity Board. They now amount to $401,135,261. While this appears to be a great deal of money, this must be divided among the 40,000 future annuitants and serve their lifetime, post-retirement needs.

Darold H. Morgan, president of the Board, described 1975 as "an excellent year of recover, growth, and optimism" for the agency. Income from the investment of funds held in trust attained a one-year record of $23,149,064.

Benefits paid to retirees, widows, and the disabled in 1975 amounted to $15,734,03. During the Annuity Board's 58 years of existence, it has paid more than $141 million in retirement and protection benefits.

A 13th Check issued in December 1975 provided 8,221 annuitants with ar extra month's income to help them combat the rapidly rising cost of living. The combined amount of this extra benefit came to $733,585. It is called the 13th Check because it is over and above the 12 regular monthly payments.

In North Carolina 2,607 staff members of 2,140 churches and associations are participating in the Southern Baptist Retirement Program—2,421 in the Family Benefit Section (Plan A), 1,069 in the Age Security Section (Plan B), the 240 in the Variable Benefit Section (Plan C).

Ernest W. Arnold, Chairman

WOMAN'S MISSIONARY UNION

In this Bicentennial year of our nation we have emphasized "Freedom in Christ" as a theme. Much of our effort in our Association has been toward training in mission education.

We began the year by training local church leaders at a Leadership Training Conference at First Baptist Church, Forest City. The Associational WMU Council studied together their new manual "Woman's Missionary Union Work in the Association" at the beginning of this year.

On October 14 the Acteen officers training session was held at Bethany Baptist Church. Also October 17 and 18 many BYW's attended their State Convention at Ridgecrest to become better trained in their organization.

November 3, Baptist Women and Baptist Young Women observed the Baptist Women World Day of Prayer at Adaville Baptist Church with Mrs. Knolan Benfield as speaker.

In December the women in our Association provided 100 hair brushes as a part of the Christmas gifts provided throughout State WMU office for Women's Prison in Raleigh.

The Annual Session, April 29 at Sandy Run Baptist Church used the theme "proclamation '76—Freedom in Christ" and Miss Sophia Gomez of Brazil and Mrs. Charles E. Price, President of Pennsylvania-South Jersey WMU were special speakers. Here we presented copies of our new history of Sandy Run WMU written by Mrs. J. E. Cargill. This was our special Bicentennial project.

May 7 at Floyd's Creek Baptist Church our Acteens enjoyed a sleep-over with food, fun, fellowship and inspiration.

May 22 Mission Friends Leaders met at Bethany Baptist Church for a workshop led by Mrs. Sybil Wilson, the State Approved Worker for Mission Friends.

A day camp for GA's held in September with emphasis on mission work in Guatemala concluded our age-level meetings.

On August 20-21 eleven members of our council attended the State WMU Associational Officers Workshop at Fruitland to prepare for leading the WMU work for 1976-77.

This year as a special Associational WMU Mission Action project we provided a black and white television set for the four-bed ward on third floor at Rutherford Hospital at no cost to patients.

Sandy Run WMU received at the State WMU Convention in Greensboro an award as a Distinguished Association. This is the highest award attainable in Associational WMU work.

Our desire as leaders in WMU in Sandy Run is to help strengthen the work in the churches and to assist on organizing mission work in the churches without WMU organization.

Mrs. James F. Marchman, Jr.
Associational WMU Director

AMERICAN BIBLE SOCIETY

When the United States was just 40 years old, a group of distinguished clergymen, statesmen, businessmen and educators met in New York City to draft a constitution for a single Bible Society to serve all the states and the frontier as well. The founders agreed that the sole purpose of the American Bible Society would be to translate, publish, and distribute the Holy Scriptures, without doctrinal note or comment and without profit. TODAY THAT REMAINS THE SOLE PURPOSE OF THE SOCIETY.

The American Bible Society is committed to placing at least a portion of Holy Scripture into the hands of anyone who will read it. Price must never be a deterrent. Consequently, Scriptures are sold in the United States below full cost and overseas at a fraction of their actual cost. They are cheerfully given without charge if possible to those who cannot afford to pay. This program is made possible by gifts contributed to the Society and by asking the Society's customers to SEND FULL PAYMENT WITH THEIR ORDERS. Only with such cooperation can the low prices be maintained.

The American Bible Society has specially designed Scriptures for the blind, for the deaf, for campus ministries, for the inner city and for the ill and handicapped. A free catalog may be obtained upon request.

It took the American Bible Society 141 years to distribute 500 million copies of Scripture, nine more years to reach the 750 million mark and only three more to top one billion. In 1957 President Dwight D. Eisenhower was presented with the symbolic 500 millionth copy of Scripture distributed by the ABS since its founding in 1816. The 750 millionth copy was given to President Lyndon B. Johnson in 1966 and in 1969 President Richard M. Nixon became the recipient of the one billionth copy.

On April 8, 1976 President Gerald R. Ford received the symbolic 2 billionth copy. One billion Scriptures distributed in only seven years (1969-1976) is a record undreamed of when the Society was founded 160 years ago. The landmark edition presented to President Ford was a copy of "Good News for Modern Man," the New Testament in Today's English Version, in color, specially hand bound in blue calfskin leather. Circulation of this translation alone has exceeded 50 million copies.

Mrs. John Tiller, wife of the pastor of the Race Path Baptist Church, is a volunteer worker for the ABS and operates a Scripture Courtesy Center in her home. Any materials available from the Society may be obtained through Mrs. Tiller. She would like to help you with your Scripture needs, and invites you to stop by the parsonage across from the Race Path Baptist Church to visit the Scripture Center.

Margaret Tiller, Chairman

THE N. C. BAPTIST FOUNDATION

The stewardship of possessions is a personal responsibility. Each of us must face it and deal wisely with it. Because of the importance of this stewardship, the Baptists of North Carolina have provided an agency through which Christians can make a wise disposition of their possessions. It is called "The North Carolina Baptist Foundation." The purpose of this agency is: "The North Carolina Baptist Foundation, Inc. was established in 1919 to give sound support and a firm base to all the good and noble efforts of North Carolina Baptists in their state and world programs of Missions, Ministry, and Education."

This Foundation is prepared to assist anyone who desires help in making a wise and beneficial distribution of his estate (possessions). There are five ways the Foundation can help one in this matter:

1. Last Will and Testament. Through a legal will one can transfer his property at death to the Foundation. In this way one can be assured that his property will be distributed to the causes of his choice.
2. Living Trust. "In a Living Trust one sets aside a definite sum of money, property, or securities, and provides that the income may be used for a stated purpose for a given length of time." This arrangement can be made in accordance of the wishes of the owner.
3. Gift Annuity. "A gift annuity agreement is a legal contract between the owner and the Baptist Foundation." In return for such a gift to Baptist work, the Foundation agrees to pay the giver, or other designated beneficiary, a fixed amount every year for the remainder of the life of the giver.
4. Life Income Agreement. "A life income agreement may be entered into by the giver and the Foundation." One may transfer property to the Foundation, but reserve the right to receive the income from the property as long as he lives.
5. Life Insurance. Life insurance may be assigned to the Foundation as the beneficiary.

Each of these five methods of disposing of property provides the opportunity for the giver to help the Baptist Cause, and to continue to serve the Lord Jesus in the years to come.

M. D. Blanton, Chairman

FOREIGN MISSIONS

Southern Baptists of the '70s must continue to feel the same urgency for missions that our founders in 1845 felt, for the task before us lies in immeasurable proportions as well as in limitless opportunities. Missions has been the heart of the Southern Baptist Convention since its beginning. Today the Home Mission Board and the Foreign Mission Board stand as testimony to the vision of the founders and as evidence of God's blessing on the efforts of decades of Southern Baptist missionary zeal. Through six major "Programs of Work," all of which are inter-related, Southern Baptists, through our Foreign Mission Board, reach out to the world in: support for Foreign Missionaries, evangelism and church development, schools and student work, publication work, hospitals and medical care, and benevolent ministries.

In these opportunities, we share the task of all Christians—that of bringing every man in every land to a saving knowledge of Jesus Christ. The relationship between Southern Baptists and Foreign Missions Fields can be summarized by the word SUPPORT! The call for missions has never been more urgent, for time is running out! In the danger fraught years of the '70s we may be having our last chance to reach the world for Christ!

Every Southern Baptist shares in the heavy responsibility. The Foreign Mission Board in providing missionaries and funds for overseas fields which are "white unto harvest." Through our prayers, our willingness to serve, and our gifts—by way of the Cooperative Program and the Lottie Moon Christmas Offering—we can keep faith with our missionaries on the field and with the lost millions.

As 1976 began, Southern Baptists were represented overseas by 2,667 missionaries assigned to serve in 82 countries and territories. This brings the total number of appointees since 1845 to 5,641. The Lottie Moon Christmas Offering as of last December 31 amounted to $23,480,144. Cooperative Program gifts for Foreign Missions was $20,667,748. Of this, $44 million, $43 million went to the Foreign Field.

The last quarter of the 20th Century is a time to reaffirm our commitment to the entire world. Along with other missionary groups and churches we challenge the Southern Baptist Convention to join in an all-out effort to see that every living person on earth at the close of this century shall have had the opportunity to hear the Gospel. This will call for the dedication of every means of communication possible by all Christians at home and abroad.

The Foreign Mission Board is calling for a 100 percent increase in missionary staff—more than 5,000 missions by 2000 A. D. Missionaries in 125 countries, and a ten-fold increase in churches overseas to more than 70,000 churches, ministering and winning in the name of Jesus Christ!

"With God all things are possible." (Matt. 19:26)

Every church has a worldwide program and responsibility.

We who enjoy the abundant life that only a personal relationship with Jesus Christ can bring are concerned with the totality of human need. Surely, then we cannot do less than gladly support with a new urgency the sharing of this GOOD NEWS. Everywhere men are unaware of its truth.

CHRISTIAN LITERATURE REPORT

Christian literature in this report is concerned mostly with the BIBLICAL RECORDER, but HOME MISSIONS, and THE COMMISSION are very important. These are the magazines that keep us informed on our denominational work in our state, nation, and abroad.

In these magazines we learn of the successes, the challenges, and needs Baptists share and face. They keep us up-to-date on God's kingdom's work. It is very important to keep up with what God is doing and to see where we are sharing in His work, for we have some part in much of the news in these magazines. Do you know about what we are doing and what we so badly need to be doing?

One of the big reasons Baptists aren't doing more is so many just don't know what is going on and what the herculean needs are. Many Baptists are perishing for

the lack of knowledge, and people are dying because we don't know. "How many problems has your church had that could be traced to the lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed."

"Baptists have made encouraging progress in recent years through bold mission enterprises and this can be traced to better informed church members." We are told that 79 of the 80 churches that led their associations in per capita mission gifts last year have the EVERY FAMILY PLAN or a RECORDER CLUB for taking the RECORDER.

Our latest information is that 19 churches in our Sandy Run Association are taking the RECORDER by the EVERY FAMILY PLAN and 14 churches receive it by the CLUB PLAN. We congratulate these churches, but that leaves 30 churches that need more inspiration, information, and challenge. Back in the first part of the year we sent information on the EVERY FAMILY and CLUB PLANS to these churches and have announced in a couple of meetings and tried to encourage our people to subscribe to the RECORDER.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes have, in the past year, completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one Home, in March of 1951, to five Homes and an excellent Nursing Facility, from one resident to 230 residents and patients. Hundreds have been ministered to during these years, many lives have been blessed, and families have been helped immeasurably.

The past year has been of special excitement and enthusiasm as we entered into the Fund-Raising Effort to raise $1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. In September 1975, Brother Ralph Cannon, beloved pastor and Trustee of the Homes was called by the Trustees to serve as Director of Development and Denominational Relations and has been leading the fund raising program for the Western North Carolina Baptist Home in a remarkable way. He reports that the response from our Baptist pastors and people in Western North Carolina has been most encouraging, and that there is every indication that we will reach the goal. We are grateful not only to those in Western North Carolina, but throughout the State, for the happy and successful response that we have experienced thus far as we move toward making this additional Home available for our older people in one of the most beautiful spots in the world.

When completed, the Western North Carolina Home, in Asheville, will accommodate 50 people, and will bring the total capacity of our Baptist Homes and the Nursing Care Unit to 280. We now operate five other Homes, and a Nursing Care Unit, in Winston-Salem; the Albermarle Home, in Albemarle; the Hamilton Homes, in Hamilton, N. C., the Yanceyville Home, in Yanceyville.

In these Homes the best of care is given, the compassion and love of Christ shared and underscored. The love gifts of North Carolina Baptists make this Christian care and concern possible through two very vital sources—the Cooperative Program, and the Special Offering for the Homes, received on the third Sunday of February each year. Through these sources more than 35% of the Homes' total income is provided, and the majority of the residents who cannot pay the full cost of care are supplemented. We are grateful for these life-sustaining gifts and thank every North Carolina Baptist who makes them possible!

Gifts this year, through these sources, are greater than ever before, and if we are to meet the overwhelming needs of older people in our midst, we must double and triple our efforts, both in numbers ministered to, and in support of them.

Close at hand is another venture in the development of the Homes which we're excited about—the building of apartments on the site of the Hayes Home property in Winston-Salem. The first of these units is to be completed by the fall of 1977. Those interested in this phase of the ministry of Baptist Homes may contact Bill Poole, the Executive Director of the Homes for information.

Great things are in store for us in our Homes for the Aging as we look to the future, and we covet the earnest prayer and the continual support of every North Carolina Baptist as we move ahead in this challenging ministry to older people in our midst.

Jyles G. Hall, Chairman

BROTHERHOOD

We commend the churches which have started new organizations for Baptist Men and Baptist Boys this year. Some churches are now considering one or more new units using our men or boys in Mission Study and Mission Action. We also want to encourage our existing units in all of our churches. Our Associational Brotherhood officers are ready to assist any church in organizing a new unit or to help revive or encourage our present units. Feel free to call upon us at any time.

As we look forward to a new year our hopes are great. For we have a great God who wants to use every man and boy to share the Good News around the World. We can no longer think in terms of divisions in missions but must reach out to one world with one gospel, using our Boards and Agencies as an extended arm of the Church. It is my prayer that our men and boys will accept the challenge of studying missions and doing missions for everyone has a mission.

Rev. Joe Richards

SUNDAY SCHOOL

The Sunday School program of 1975-76 emphasized detail planning in determing steps to reach goals.

An associational-wide workshop was held in May at the Race Path Baptist Church with an enrollment of 117. Statewide approved workers led us in two nights of intensive study of the Sunday School workbooks. A full core of workers attended the state Vacation Bible School Clinic at Wingate College in February and led the Associational workshop in May at the Florence Baptist Church.

To project the emphasis for 1976-77, "Teaching and Learning Improvement," a rally was held at Corinth Baptist Church on September 14. Burrell Lucas brought the message and Corinth Baptist Church received the attendance award. There were 18 churches represented.

Several pastors, educational directors and workers attended the two Sunday School workshops at Ridgecrest. Leaders in all areas of our work are using imagination, foresight, and good judgment to make the new year a successful one.

Verne Taylor, Director

SOUTH MOUNTAIN BAPTIST CAMP

The Lord continues to bless and meet the needs of campers who go to camp. The program is designed to help campers to see their need for God, to know His will for their lives and to know and accept their responsibility in sharing Christ with the whole world.

There were over 3000 in attendance this year, including those who went as special groups. In addition, there were several hundred who visited various services. This year we averaged 176 campers per week for the twelve camps that were held which included 129 from our Association. Of these 3000 campers the Holy Spirit inspired over 1000 to make some kind of decision, including 250 professions of faith. It was satisfying to present hundreds of honor and star camper awards.

Some churches and individuals remodeled four cottages. A 4000 gallon storage water tank was installed this summer. Other improvements were made. A new elected stove was purchased for the kitchen. A new roof was put on the assembly building and the Harris Cottage. The missionary cottage was completed enough to use this summer. An electric furnace has been given for the Kester Memorial Cottage.

The Pleasant Hill Church has built a 78 x 32 foot cottage with a full basement. The Lincoln Avenue Church is constructing a 40 x 30 foot two-story cottage. At least three cottages are to be remodeled. A church and two families have made commitments to build three more cottages. The First Baptist Church of Drexel is to build a cottage in 1977. The Bessemer City Church is remodeling their cottage.

We still owe $4500 on the Chapel. We need about $5000 to complete the basement. A storage building is still needed. Other improvements should be made.

Respectfully submitted,
Billy M. Holland, Chairman

STATE MISSIONS

During the past several years State Missions has emphasized programs to strengthen church and association ministries. Two important emphases are Bible study and leadership training. A strong Christian education program is the backbone of mission support.

A second major program of State Missions are the "direct mission" ministries. These programs lengthen the churches' concern across the state, representing you in areas where your church does not serve. The ministries include Deaf Missions, Resort Missions, Student Missions, Chaplaincy and Language Ministries, Christian Social Ministries, and Interracial Ministries.

Cooperation in Baptist missions is also evident in the way the programs are conducted. Resort Missions, for example, is usually a joint project of area churches, Associational Missions, State Missions, and Home Missions. In fact, the vast majority of Home Mission projects in North Carolina are financed 64 percent by State Missions.

State Missions is supported by the Cooperative Program and the annual State Missions Offering, September 19. The special offering is similar to the Lottie Moon Christmas Offering (Foreign Missions) and the Annie Armstrong Easter Offering (Home Missions).

The 1976 State Missions Offering goal is $400,000. The offering distribution, approved by the 1975 Baptist State Convention, is as follows: $175,000, Basic State Mission Budget; $43,000 Fruitland Classroom Building; $72,000, Caraway Conference Center; $10,000, Special Mission Projects; $100,000, Baptist Assembly (Caswell).

BAPTIST HOSPITAL

One of the most significant recent developments at Baptist Hospital is the creation of a department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all-round, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increase specialization in the practice of medicine.

Renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a 4-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

Mother's Day gifts for the fiscal year ending June 30 were $405,946.52, compared to a total of $390,000 for the preceding fiscal year.

During the period of July 1, 1975 through June 30, 1976 our Association contributed $8,306.34 to the Baptist Hospital.

EVANGELISM

One of our finest Statewide Evangelism Conferences was held on February 2-4, 1976 at the Civic Center in Asheville. There was an overflow in attendance of more than 2600 pastors and lay persons. The theme was "Freedom in Christ."

All churches should have received the booklet: GROWTH EVANGELISM: AN EVANGELISM PLANNING CALENDAR FOR PASTORS OF CHURCHES,

1976-77. It contains suggestions for various evangelism emphases for the local church for the coming new year including C. A. R. E. Revivals for 1977. The pastor and leaders of each church are encouraged to outline definite evangelism plans with adults and youth during 1976-77.

Lay persons and pastors continue to respond to the emphasis on lay witness training through Lay Evangelism Schools. During the last evenings of the 62 weeks of schools there have been 896 professions of faith made by youth and adults in their homes.

Another great Youth Evangelism Night was held in Greensboro with thousands in attendance. Two summer youth evangelism teams are directing youth revivals and youth witness training in eighteen churches across the state for a one week period in each church. A new area of work will be Youth Evangelism Strategy with an emphasis on four phases: Leadership Family, Touch Ministry, Discipleship Groups, and Joy Explosion. W. O. W.—Win Our World—is included in this strategy and involves specific witness training for youth.

Good reports have been received in the Raleigh office on evangelism clinics in associations, revival meetings and city-wide crusades during the past months. In our association we had a clinic on evangelism on March 1 and 2, 1976 at the Harmon Street Baptist Church led by Dr. Mark Corts, pastor of the Calvary Baptist Church of Winston-Salem.

During the year there were 361 baptisms and 586 other additions to our churches. "To God be the glory, great things He hath done."

CHURCH TRAINING

The main event for Church Training this year was the "M" Night that was held at Cliffside Baptist Church on December 8, 1975. The attendance was over 250 with a number of churches being represented. Goode's Creek had the high attendance and also the highest per centage of members present. The theme for the inspirational meeting was "We Hold These Truths" with the guest speaker being Dr. Vann Murrell of Gardner-Webb College. Special music was provided by Kathy Phillips and Nickey Jolley.

The Sandy Run Association had one new organization of Church Training to begin functioning at Pilgrim Baptist Church.

PASTORAL MANUAL

I. PROCEDURES FOR SELECTING CHURCH MESSENGERS.

a. Associational—1) Each church is entitled to be represented at the Associational Annual Meeting by her pastor and three (3) additional representatives. A church with more than 100 members is entitled to an additional representative for each additional 100 members or fraction thereof. A church with 100 or less members can have a total of four messengers (including the pastor). A church with a membership of 101 to 199 can have an additional representative or five messengers, etc. 2) Each church is represented on the Executive Board of the association by her pastor and two other lay members (a total of three). The name of these lay representatives should be reported on the annual church letter to the association.

b. Baptist State Convention—Each cooperating church is entitled to be represented at the N. C. Baptist State Convention by two messengers. For each 100 members or major fraction thereof beyond 100 members the church can have an additional messenger. No church shall have more than 10 messengers. A church with a membership of 150 can have three messengers, etc. Each messenger must have a registration card signed by the church moderator stating he is a messenger. These cards can be obtained either from the Associational office or from the Baptist State Convention in Raleigh.

c. Southern Baptist Convention—Each cooperating church is entitled to one messenger to the Southern Baptist Convention. For every 250 members or for each $250.00 paid to the work of the Convention during the fiscal year preceding the annual meeting the church can add one member. For example, your church has 89 members. Under the membership clause you can have one messenger. However, your church contributed $1,250 to cooperative program funds. This means you can have an additional five messengers or six (6) total messengers. No church can have more than ten (10) messengers. Each messenger must have a messenger Registration Card signed by the church moderator or clerk to register. These cards can be obtained from the Associational Office or the Baptist State Convention in Raleigh.

2. PROCEDURE FOR ADMISSION TO THE CHILDREN'S HOME OF NORTH CAROLINA, INC.

Admissions:

Write to: Mr. Hugh Starnes, Broyhill Children's Homes, Clyde, N. C. 28721, or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

When contact is made either by a pastor, relatives, interested friends, or social service agencies, a professionally trained caseworker will make a thorough study of each situation to determine the extent of need and the best possible plan for the child and his family.

Procedures:

Preschool children are normally cared for in Foster Homes.

School age children are cared for through one of a variety of services according to need. Usually this will be either the use of a Foster Home or placement in one of the Children's Homes.

Children are accepted from pre-school age up to and including (special cases) high school seniors.

The stay at the home is for as long as necessary; usually until the development of some other plan; or to the completion of high school. In cases of special need even beyond high school.

At the present time the program is not able to care for the physically handicapped, the mentally retarded, or the severely emotionally disturbed.

3. PROCEDURE FOR ADMISSION TO THE NORTH CAROLINA BAPTIST HOMES, INC.

Step Number 1 is to have the pastor write:

William A. Poole, Superintendent
N. C. Baptist Homes, Inc.
Reynolds Park Road
Winston-Salem, North Carolina 27107

for application forms, giving as much information on the applicant as possible. The applicant himself or herself could write directly, but this contact with our pastors is desired. To qualify for admission to one of our five resident Homes, it is understood that one must be at least 65 years of age and in reasonably good health mentally and physically. After the arrival of a resident, a complete and full nursing care is given for the remainder of the person's life. The care is excellent. A patient cannot be received directly into one of our resident Homes who is either in bed or on the borderline—not because we do not want to, but because we do not have the staff and equipment to care for patients in a resident home.

Step Number 2 is to mail application forms back to Mr. Poole. When these forms are returned, the applicant will be contacted and a visit arranged with Mr. Poole and with the Head Nurse in Winston-Salem. Mr. Poole reviews the ministry of our Homes with the applicant, and the Head Nurse reviews their medical history. If the applicant's health permits, the applicant is approved very shortly.

Step Number 3 is that the applicant is notified of approval, and if there is a vacancy in any one of our Baptist Homes, the applicant is received into the Home as a member of the family of our Baptist Homes and given tender loving care for the rest of life.

Step Number 4 is that, in the conversation with the applicant on their visit to Winston-Salem, financial arrangements are discussed, counsel is given concerning any assistance program that there is available and information is given on the love gifts from our Baptist churches which supplement the majority of our residents. Before arrival of the resident, a letter is written explaining in detail the financial arrangements. No one is ever excluded from a Baptist Home for lack of funds. In fact, the majority have little income of their own.

4. PROCEDURE FOR ADMISSION TO THE MATERNITY HOME.

Admissions:

Write to: Mr. Hugh Starnes, Broyhill Homes, Clyde, N,C. 28721 or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

Procedure: A professionally trained caseworker will call upon the girl and her parents to determine the needs of the particular case.

The average stay in the Home is 3½ months. Exceptions are made to this—both longer and shorter periods of time.

There is some cost involved. Some are able to cover the entire cost of their stay, others are not. Money is not the most important concern—the girl is.

State Maternity Home Funds are available through the Department of Social Services for every girl who uses the services of a maternity home. These funds are requested through the Department of Social Services.

The girls, if they are in school, have a special program whereby they are able to continue their studies while at the home. Grades are transferred through the Asheville school system without reference to the Maternity Home.

5. PROCEDURE FOR ADMISSION TO THE BAPTIST HOSPITAL, INC.

When a member of your church or a citizen of your community needs the ministry of North Carolina Baptist Hospital, the Hospital wants to serve. That is the reason for its existence, and its forty-nine years of service bear testimony to this.

The desire to serve must be balanced with sound business practice and financial stability if the ministry is to continue. In trying to maintain this balance the following procedure for admitting patients has been adopted:

a) The patient's local physician contacts one of Baptist Hospital's physicians or clinics to make appointment for medical referral. If you have a question about scheduling an appointment, telephone the Outpatient Department Appointment Section at (919) 727-5375.

b) If the Baptist Hospital physician considers it necessary or advisable to admit the patient to the hospital, he contacts the pre-admitting office and requests a bed. On the basis of the physician's diagnosis and prescribed treatment, the length and cost of hospitalization are estimated.

c) The pre-admitting office contacts the patient, or patient's family to obtain necessary data, including financial data. This information indicates patient's hospital insurance coverage, if any; personal resources; eligibility for third party sponsorship.

d) The patient is told the estimated hospital bill, how much is expected from insurance or sponsoring agency, and the "out-of-pocket" difference, if any, for which he is responsible. This different is due upon admission. (Exception to the pre-payment plan is made for emergency and continuing care patients.)

e) Patients who cannot pay are counselled about agency programs which are available, even though they may not consider themselves eligible for certification.

Our business office has trained and sympathetic financial counselors whose services are available to any patient who needs them and desires them. They are familiar with various sources of financial aid, the qualifications for obtaining them, and the procedures to follow in making application. Almost any patient who will cooperate with them can find financial help with hospital expenses, if his need is genuine. Frequently, these counselors can help a patient obtain needed follow-up services, also.

6. LOANS FOR BAPTIST COLLEGE STUDENTS

Many of our Baptist Colleges make scholarships available to Baptist students. You should write directly to the college for information on these scholarships.

There is a fund available through which loans are made available to Baptist students whose residence is Virginia or North Carolina and the student is attending a Baptist College in Virginia. Write directly to the fund—The Charles B. Keesee Fund, Martainsville, Virginia for information and loan forms.

7. PASTORS LIBRARY SERVICES

JOHN LOUIS KESLER LIBRARY

A special service is offered to Rural Ministers. The John Louis Kesler Circulating Library makes available 50,000 volumes on a lending basis to ministers.

WHO MAY BORROW

Any minister of the South ... irrespective of denominational affiliations, who signs the application card is eligible for this service. Annotated book lists are mailed regularly to all ministers who are active borrowers. This service is not available to students in colleges or seminaries. This service is expressly designed to benefit ministers who cannot find needed material in the local library.

HOW TO BORROW

Each borrower is asked to submit a list of several books he desires, arranged in order of his preference. He will be sent the first book (or books) available from the list. When these are returned others will be mailed.

Books may be kept for three weeks and are subject to one renewal upon request, if not in demand elsewhere. The only expense to the borrower is return postage. This is a nominal fee since the books are sent by library rate.

TO OBTAIN SERVICE

Those interested should write for further information and membership card to:
Kesler Circulating Library
Joint University Library Building
Nashville, Tennessee 37203

HISTORY OF HOST CHURCHES

Adaville Baptist Church

Adaville Baptist Church was organized October 8, 1909 with 36 charter members at Frog Level School. These members continued to meet at the school until the building on Piney Ridge Road was completed. The church was named for Mrs. Ada McDonald who donated the property for the first church building.

The history of Adaville Church is a continuing story of "faith and works." The 1920's and 1930's were difficult days. In spite of hardship and depression, the church continued to grow.

A new sanctuary was constructed on Oakland Road in 1949; the present educational unit was added in 1959. A new parsonage was completed in 1966 and additional land surrounding the church and parsonage was purchased. In 1974 the all purpose building, a dual purpose educational and recreational building, was completed.

The following pastors have served the church: B.M. Hamrick, H.D. Harrill, Joe Bridges, W.T. Brown, M.M. Huntley, D.J. Hunt, R.L. Crawford, E.P. White, Olen Kendrick, J.R. Featherston, Dean Weaver and Charles F. Cobb.

Concord Baptist Church

The Concord Baptist Church, Route 1, Bostic, North Carolina was organized October 14, 1804. There were 31 members and help was sent by different churches in the organizing of Concord. The first church services were held in homes until a building was erected.

The church was rebuilt in 1961 and moved to a new location. In 1974 a new sanctuary was built to complete our new building. Our new church was paid in full December, 1976 and we had a note burning service and dedication of the church.

The following pastors have served the church: T. Dixon, A.C. Irvin, Z.D. Harrill, W.T. Tate, W.K. Collins, W.B. Jenkins, M.L. Buchanan, C.C. Crow, C.W. Walker, C.C. Matheny, R.A. Pate, V.W. Bishop, R.E. Thompson, K.E. Berg, J.M. Ezell, Harvey Laughter, Jyles Hall.

ON THE LORD'S DAY

WHEREAS, we are seeing an accelerated secularization of Sunday in America, we reaffirm our belief that, for Christians, Sunday should be Lord's Day, a day for worship, spiritual renewal, and family life, and

WHEREAS, many deacons, choir members, Sunday School teachers, and others of our people, including our youth, are facing, or soon may face, the need for choosing between their Sunday worship and Sunday work, we reaffirm our belief in each individual's right to a time for worship according to the dictates of his conscience, and

WHEREAS, as Christians, we celebrate our Lord's ressurrection on this Day, and

WHEREAS, Sunday as a day of rest, has made a unique contribution to our nation's strength and life;

Therefore, be it RESOLVED, that we urge all pastors, teachers, leaders, and others to provide proper proper instruction as to the true significance of this day, in its spiritual values, in its proper use, and in the abiding obligations we have under God's moral law, and

Be it further RESOLVED, that we take an active and public stand on this issue by sending delegations of pastors to the county and municipal officials, and to every major industry of business that is presently operating on Sunday for the purpose of pointing out the demoralizing effect of this situation, and

Be it further RESOLVED, that we have a day of prayer and fasting to seek Divine guidance and leadership in this matter, and

Be it further RESOLVED, that a copy of this resolution be mailed to every county and municipal official, to the county newspapers and radio stations, and to the person(s) in top position of leadership in every major business and industry in Rutherford County

REPORTS

RESOLUTIONS COMMITTEE

WHEREAS, we are seeing an accelerated secularization of Sunday in America. We affirm our belief that, for Christians, Sunday should be the Lord's Day, a day for worship, spiritual renewal, and family life, and

WHEREAS, many deacons, choir members, Sunday School teachers, and others of our people, including our youth, are facing, or may soon face, the need for choosing between their Sunday worship and Sunday work, we reaffirm our belief in each individual's right to a time for worship according to the dictates of his conscience, and

WHEREAS, as Christians, we celebrate our Lord's resurrection on this Day, and

WHEREAS, Sunday as a day of rest has made a unique contribution to our nation's strength and life.

Therefore, be it RESOLVED, that we humbly petition the governing bodies of our county and municipalities to take primary responsibility for preserving the unique character of Sunday as a day for rest and human welfare, and

Be it further RESOLVED, that we urge all pastors, teachers, leaders, and others to provide proper instructions as to the true significance of this day, in its spiritual values, in its proper use, and in the abiding obligations we have under God's moral law, and

Be it further RESOLVED, that we take an active and public stand in this issue by sending delegations of pastors to the county and municipal officials, and to every major industry or business that is presently operating on Sunday for the purpose of pointing out the demoralizing effect of this situation, and

Be it further RESOLVED, that we have a day of prayer and fasting to seek Divine guidance and leadership in this matter, and

Be it further RESOLVED, that a copy of this resolution be mailed to every county and municipal official, to the county newspapers and radio station, and to the person(s) in top positions of leadership in every major business and industry in Rutherford County.

Chairman

WOMAN'S MISSIONARY UNION

Our WMU emphasis in 1976-77 was two-fold: "Teach Missions: To Know, To Grow" which sought to involve all church members in reading missions magazines and books, and "Minding the Future" which focused on beginning new organizations for youth in our churches.

The new manuals for all age levels were taught by our Council in two night sessions September 28 and 30 at Bethany Baptist Church with 139 attending from 29 churches. Awards were earned by 108 who completed the study.

Baptist Women World Day of Prayer with the theme "Declare His Glory-His Wonders" was observed by Baptist Women and Baptist Young Women at Crestview Baptist Church on November 1. The review of the book "The Woman I am: Looking Through the Christian Past" was part of this observance.

During WMU Focus Week, on February 15, our Acteen Associational Meeting was held at Bethany Baptist Church with Dr. Charles Petty, Director of the Christian Life and Public Affairs Council of the North Carolina Baptist State Convention as the speaker. There were also three conferences on topics of special concerns of Acteens led by specialists.

Mission Friends Leadership met at Corinth Baptist Church on March 31 for an intensive training workshop on how to use materials in their magazine "Start."

April 26 was of special significance to Spencer Baptist Church WMU as they observed their 50th Anniversary with a program highlighting their history.

The Annual Session at Floyd's Creek Baptist Church April 28 had the theme "Our Mission in Today's World" using the scripture from I Corinthians 16:9 TEV "There is a real opportunity here for great and worthwhile work." Featured was a Mission Action Workshop led by Mrs. Hoyle T. Allred, 1st Vice-President of North Carolina WMU; and emphasis on State Missions by Miss Nancy Curtis, BYW Director of North Carolina WMU; and a missionary message by Mrs. Charles Whaley, missionary to Japan. In attendance were 170 members from 33 churches.

June 27 at Concord Baptist Church, Baptist Women and Baptist Young Women shared in a prayer retreat which closed with a message by Miss Suthell Walker, Baptist Women Director of North Carolina WMU.

The Acteens of our association had a special Mission Action project "Back to School Shower" on August 15 for Alexander Homes at Union Mills. The Baptist Women and Baptist Young Women's Associational Mission Action emphasis was on "Friends from Foreign Lands at our Door." Names of all foreign students at Gardner-Webb College were provided local churches.

On August 25 at Spencer Baptist Church G.A.'s gathered to learn of Baptist Work in Hawaii. Miss Sarah Perry, who served as a summer missionary in Vacation Bible School work in Hawaii, presented the program through slides, songs and sharing her experiences.

Ridgecrest Conference Center was the new location for the western area State WMU Associational Officers Workshop on August 26-27 and 11 council members attended. Sandy Run WMU again received recognition at the State WMU Convention in Asheville as a Distinguished Association.

We look foward to participating in the denominational emphasis for 1977-79, "Let the Church Reach Out" and we offer our services as council members to help any church reach out in their mission knowledge and involvement in missions.

CHURCH TRAINING

The Church Training Department is responsible for helping churches train their members in the area of discipleship.

A meeting was held with the Church Training Directors on January 20 at the Harmon Street Church to explain the services of the Department and to determine the areas of training needed in the local churches.

On April 25, a briefing was held for all program directors and pastors at the Alexander Church. The Church Study Course Diploma system was discussed for each program area and the churches urged to utilize these training programs. Training was offered at the Florence Church on June 27-28 for all Deacons.

The highlight of the year was Mobilization Night ("M" Night). Spencer church hosted the program and a record crowd of 574 were in attendance. Spencer Church was awarded the attendance award. The "M" Night Award is based on attendance in relation to the average attendance of the church's training program for the year.

Our churches are urged to take advantage of every training opportunity and to request areas of training needed that may not be offered in the coming year.

ANNUITY BOARD

In 1976, the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the State Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

The Board paid $17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. During its 59 years of service, the Board has paid more than $158 million in retirement and protection benefits.

A 13th Check amounting to one month's income was mailed for the eleventh time to annuitants. The combined amount of this extra benefit came to $830,525.

The Annuity Board also administers life, medical and disability insurance programs, which reflected increases in membership.

Forty-eight of our churches have placed their pastors in the retirement program. Each of these churches should examine their base of coverage. The coverage should be based on total income, benefits and expenses. The church should be contributing no less than 10 percent of the above in the retirement program.

Fifteen of our churches are not in the retirement plan. These churches should investigate to determine if the pastor's retirement and disability program is adequate. An active effort should be made to provide the necessary coverage for the pastor if this coverage proves to be lacking.

Our records indicate the following churches are not participating in the Annuity Program: Bethel, Calvary, Camp's Creek, Concord, Fairview, Faith, Gray's Creek, Harris First, Haynes Memorial, New Bethel, Pilgrim, Pore's Ford, Riverside, Sandy Level, Wilson.

NORTH CAROLINA BAPTIST HOME FOR THE AGING

The past year in your North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty-six years that the homes have been ministering.

Of keenest interest was the ground-breaking service for the new western North Carolina Baptist Home in Asheville last October when more than a thousand people from our Western North Carolina Baptist Churches, as well as many others were present. It was a thrilling moment indeed when trustees, staff, and residents of the Home, pastors and church leaders latched onto ropes attached to a bulldozer, pulled together and helped to move the first dirt at the site, heralding the beginning of the construction of your sixth Baptist Home for the Aging.

Another exciting venture is the construction of four duplex apartments at the Hayes Home in Winston Salem. These will care for 16 additional persons and will be ready for occupancy in the fall of 1977.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the third Sunday of February offering. These suply 35 percent of the total budget of the Homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of care. These are love gifts indeed and are a lifetime for those whose needs could not be met without them.

Future plans call for a greater concern and commitment on your part than ever before. The future of our North Carolina Baptist Homes is as bright as the promises of God and, in that future, the Lord, and these older people in our midst will be looking to you to share in meeting the needs as we reach out and serve more of these dear ones who desperately need help.

ORDINATIONS COMMITTEE

The Ordinations Committee met twice this year to examine two men to be ordained for the Gospel Ministry. The first meeting was held April 16, 1977, at Cliffside Baptist Church to examine Brother Charles Jolley. Mr. Jolley had been called to pastor the Faison Baptist Church in the Eastern Association. Brother Jolley was examined on his salvation experience, his call to the Ministry, his beliefs on the Holy Bible, the Church, and Church Ordinances. The Committee, after examining Brother Jolley, recommended his ordination to the Cliffside Church and the Association and he was ordained April 17, 1977 by the Cliffside Church.

The second meeting was held on July 14, 1977, at Trinity Baptist Church to examine Brother Boyd Luckadoo who has been called as interim pastor of the Trinity Church. Brother Luckadoo was asked to give his coversion experience. He was then asked the following: his beliefs about the Bible, the Trinity, the Church and Ordinances, the Cooperative Program, the Virgin Birth, and problems the Church faces. Brother Luckadoo was also recommended for ordination and was ordained by the Trinity Church.

Eighteen were present for the April 16 meeting and eleven were present for the July 14 meeting.

BIBLICAL RECORDER

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust."

The heart of the program is to evangelize and congregationalize the world's population, the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Savior, and then leading them to understanding of His lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented his disciples the goal of going into all the world has such boldness been demonstrated. The success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therefore important, and the purpose of the Biblical Recorder is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world

In light of developments presently underway in our denomination, it is important that every Baptist church member in North Carolina receive the Biblical Recorder weekly. Already more than 1100 churches in our state are providing through their budgets for the Recorder to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. Recorder circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the Recorder to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Costing less than half the price of a postage stamp per issue, it is delivered by U.S mail directly to your home address.

The Recorder doesn't cost; it pays! Your church will be a healthier congregation if you provide the Recorder for your resident families. It is the most

widely read piece of literature received by North Carolina Baptists. No investment pays greater dividends.

BROTHERHOOD

We are looking foward to a wonderful year in Bold Missions through Baptist Men and Baptist Boys under the leadership of Mr. Allen Welborn and his officers. It is our prayer that God will use of us in reaching the world for Jesus.

Our thanks go out to the new organizations of Baptist Men and Baptist Boys. Our officers have been received well by our churches and as a result we have men and boys involved in mission work. Each church in our association needs to use men and boys in missions. Let this be the year to move forward in missions. Call upon your Brotherhood officers to organize new units or to strenghten existing ones.

SUNDAY SCHOOL REPORT

The Sunday School is very much a part of the Convention's **Bold Mission Thrust** emphasis for the next three years. The Sunday School has been assigned to the area of **Bold Teaching.**

The emphases this year will be in the areas of teaching-learning improvement and the adult Sunday School.

This past year, one of our most successful Vacation Bible School Clinics was held. A complete associational staff received training at Ridgecrest and led a well attended clinic at the Florence Church. A new schedule was attempted-a continuing clinic held over a two night period. This schedule was so well received, that this time schedule will be followed in 1978. The 1978 clinic is scheduled for April 24-25.

A Sunday School Rally was held on September 13 at the Alexander Church. The Mount Harmony Church won the attendance banner. Reverend Richard Spencer, Pastor of the Caroleen Church, challenged the churches to the task of reaching people for Christ and Bible Study.

The Sunday School Preparation Clinic was held on September 26-27 at the Florence Church. The response to this training session was very good.

Following the emphasis of Bold Teaching for 1977-78, the Sunday School has scheduled the following training sessions:

Curriculum Workshop-January 12
VBS Preview Clinic-March 21
VBS Clinic-April 24-25
Workshop-May 29-30
Pastor/Director Workshop-August 7
Rally Night-September 12
Leadership Training-September 25-26

Every church is encouraged to help financially for their Pastor and Sunday School Director to attend a Sunday School Week at Ridgecrest. Reservations must be made in January. The dates of these training weeks are July 15-21, July 22-28, and August 26-31.

Let's answer the challenge of Bold Teaching by having the very best Sunday School possible this year by our commitment to the task and our dedicated involvement in improving teaching and reaching more people for Bible Study.

EVANGELISM

The Pastor's Evangelism Planbook 1977-79, **EVANGELIZING AND CONGREGATIONALIZING** has already been sent to all churches. It includes various emphases on the Evangelistic Church on Bold Mission. Additional information on this theme will be shared with pastors and church leaders.

"Bold in Creative Witness" was the theme of the 31st Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

About 12,500 youth, pastors, and adult leaders attended the 7th Statewide Youth Evangelism Night on August 19 at the Greensboro Coliseum. Jim Wilson and Larry McFadden were the guest preacher and soloist. Hundreds of youth responded to the invitation. Over 500 youth and adults came to the North Carolina Baptist Assembly for the Youth Ministry Week, June 13-17, and many different types of decisions for Christ were made public by youth . The emphasis was on youth evangelism, vocational guidance, and recreation.

Associations and churches are now involved in the Youth Evangelism Strategy which includes these four areas: Leadership Family; Touch Ministry, Discipleship Groups; and Joy Explosion. W.O.W.-Win Our World-has to do with specific witness training for youth in the local churches.

Several thousand persons have attended evangelism clinics and conferences held in associations across the state. Good reports on revival meetings and city-wide crusades have been received. Here in Rutherford County a number of our Baptist pastors and people actively participated in a Rutherford County Reachout for Christ Crusade, August 28-September 4. This was an inter-denominational effort.

"E" Night was held on March 15 in the Florence Baptist Church. Two inspiring messages were brought by Dr. Vann Murrell and Dr. Thad Dowdle. Plans for next year include "E" Night on April 11 and our World Missions Conference October 29-November 5.

Total additions to our churches were 557, and 426 persons were baptized. To God be the glory!

CHRISTIAN HIGHER EDUCATION

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Chowan, Campbell, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students financially in order to make available the educational experience at a Christian college. An offering is received on Father's Day each year to provide aid for North Carolina Baptist Young People. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist college. During 1977, the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from the colleges and from the Council office.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist colleges.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital and successful ministry.

BAPTIST HOSPITAL

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves a reminder to the staff that Baptist Hospital has also been commissioned to this three-fold task.

The hospital's primary task, obviously is healing and it attempts to use the best personnel and equipment available for the healing task. Last year the hospital, through its medical staff and Bowman Gray Department of Clinics, administered a total of 193,942 patient days. Coming from 90 counties in North Carolina, from 29 states and from 3 foreign countries.

Baptist Hospital is also involved in teaching in cooperation with Bowman Gray School of Medicine of Wake Forest University and the School of Pastoral Care.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in the Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of the ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with Baptist State Convention. This tie is maintained through trustees who are elected by and are responsible to the Convention. The tie is also strengthened through financial support from churches. Last year $294,324 was received through the Cooperative Program and $405,947 through Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life through association, state convention, as well as their local churches, and Cooperative Program promotion, believing that this tie adds a dimension to the ministry of healing, teaching, and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were $411,225.26 compared to a total of $405,946.52 for the preceeding fiscal year.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Baptists of North Carolina provide a ministry of love and care to children, young people and their families. The program is more than rooms and meals and activities and recreation. It's more than buildings and grounds. The care of children is missions...reaching out with a helping hand; it is evangelism...sharing the joy of life in Christ; it is love and affection...the giving of hugs and kisses and friendship; it is education...teaching an appreciation for the finer things in life; it is restoration...enabling families to function again.

Campuses at Mills Home, Thomasville; Kennedy Home, Kinston; Odum Home, Pembroke; and Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

Foster Home Care, a statewide program of the Homes, it is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

The Emergency Shelter at Forest City is meeting a critical need in western North Carolina. It provides a ready resource for children who need help immediately. During a period of one to ninety days responsible planning is made for the child's future.

The Maternity Home in Asheville, opened in 1970, has proved to be a much-needed and well-received service. More than three hundred girls have been served from throughout North Carolina and beyond. It is recognized for its quality of care and Christian concern.

Social Work and Family Resource Centers enable us to work with families in providing services to children, family rehabilitation, family education and preventive services. These Centers are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

The Child Development Center on the Mills Home Campus at Thomasville provides a demonstration program for churches who are interested in establishing services for preschool age children in nursery school education, day care and kindergarten. We welcome opportunities to assist churches any place in the State who want to develop this type program.

Members of our staff are anxious to have you and members of your churches visit Broyhill Home. To see, observe and to feel in person what it is like to live in a children's home is to appreciate our child care ministry. Thank you for your dependable support in numerous ways. It shall be our purpose to keep this a dynamic ministry and to meet the needs of those whom we serve.

PASTORAL MANUAL

1.PROCEDURES FOR SELECTING CHURCH MESSENGERS.

Associational-1) Each church is entitled to be represented at the Associational Annual Meeting by her pastor and three (3) additional representatives.A church with more than 100 members is entitled to an additional representative for each additional 100 members or fraction thereof. A church with 100 or less members can have a total of four messengers (including the pastor). A church with a membership of 101 to 199 can have an additional representative or five messengers, etc. 2) Each church is represented on the Executive Board of the association by her pastor and two other lay members (a total of three). The name

of these lay representatives should be reported on the annual church letter to the association.

b. Baptist State Convention-Each cooperating church is entitled to be represented at the N. C. Baptist State Convention by two messengers. For each 100 members or major fraction thereof beyond 100 members the church can have an additional messenger. No church shall have more than 10 messengers. A church with a membership of 150 can have three messengers, etc. Each messenger must have a registration card signed by the church moderator stating he is a messenger. These cards can be obtained either from the Associational office or from the Baptist State Convention in Raleigh.

c. Southern Baptist Convention-Each cooperating church is entitled to one messenger to the Southern Baptist Convention. For every 250 members or for each $250.00 paid to the work of the Convention during the fiscal year preceding the annual meeting the church can add one member. For example, your church has 89 members. Under the membership clause you can have one messenger. However, your church contributed $1,250 to cooperative program funds. This means you can have an additional five messengers or six (6) total messengers. No church can have more than ten (10) messengers. Each messenger must have a messenger Registration Card signed by the church moderator or clerk to register. These cards can be obtained from the Association Office or the Baptist State Convention in Raleigh.

2. PROCEDURE FOR ADMISSION TO THE CHILDREN'S HOME OF NORTH CAROLINA, INC.

Admissions:

Write to: Mr. Hugh Starnes, Broyhill Children's Homes, Clyde, N.C. 28721, or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

When contact is made either by a pastor, relatives, interested friends, or social service agencies, a professionally trained caseworker will make a thorough study of each situation to determine the extent of need and the best possible plan for the child and his family.

Procedures:

Preschool children are normally cared for in Foster Homes.

School age children are cared for through one of a variety of services according to need. Usually this will be either the use of a Foster Home or placement in one of the Children's Homes.

Children are accepted from pre-school age up to and including (special cases) high school seniors.

The stay at the home is for as long as necessary; usually until the development of some other plan; or to the completion of high school. In cases of special need even beyond high school.

At the present time the program is not able to care for the physically handicapped, the mentally retarded, or the severely emotionally disturbed.

3. PROCEDURE FOR ADMISSION TO THE NORTH CAROLINA BAPTIST HOMES, INC.

Step Number 1 is to have the pastor write:

William A. Poole, Superintendent
N.C. Baptist Homes, Inc.
Reynolds Park Road
Winston-Salem, North Carolina 27107

for application forms, giving as much information on the applicant as possible. The applicant himself or herself could write directly, but this contact with our pastors

is desired. To qualify for admission to one of our five resident Homes, it is understood that one must be at least 65 years of age and in reasonably good health mentally and physically. After the arrival of a resident, complete and full nursing care is given for the remainder of the person's life. The care is excellent. A patient cannot be received directly into one of our resident Homes who is either in bed or on the borderline---not because we do not want to, but because we do not have the staff and equipment to care for patients in a resident home.

Step Number 2 is to mail application forms back to Mr. Poole. When these forms are returned, the applicant will be contacted and a visit arranged with Mr. Poole and with the Head Nurse in Winston-Salem. Mr. Poole reviews the ministry of our Homes with the applicant, and the Head Nurse reviews their medical history. If the applicant's health permits, the applicant is approved very shortly.

Step Number 3 is that the applicant is notified of approval, and if there is a vacancy in any one of our Baptist Homes, the applicant is received into the Home as a member of the family of our Baptist Homes and given tender loving care for the rest of life.

Step Number 4 is that, in the conversation with the applicant on their visit to Winston-Salem, financial arrangements are discussed, counsel is given concerning any assistance program that there is available and information is given on the love gifts from our Baptist churches which supplement the majority of our residents. Before arrival of the resident, a letter is written explaining in detail the financial arrangements. No one is ever excluded from a Baptist Home for lack of funds. In fact, the majority have little income of their own.

4. PROCEDURE FOR ADMISSION TO THE MATERNITY HOME.

Admissions:

Write to: Mr. Hugh Starnes, Broyhille Homes, Clyde, N.C. 28721 or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

Procedure: A professionally trained caseworker will call upon the girl and her parents to determine the needs of the particular case.

The average stay in the Home is 3½ months. Exceptions are made to this--both longer and shorter periods of time.

There is some cost involved. Some are able to cover the entire cost of their stay, others are not. Money is not the most important concern--the girl is.

State Maternity Home Funds are available through the Department of Social Services for every girl who uses the services of a maternity home. These funds are requested through the Department of Social Services.

The girls, if they are in school, have a special program whereby they are able to continue their studies while at the home. Grades are transferred through the Asheville school system without reference to the Maternity Home.

5. PROCEDURE FOR ADMISSION TO THE BAPTIST HOSPITAL, INC.

When a member of your church or a citizen of your community needs the ministry of North Carolina Baptist Hospital, the Hospital wants to serve. That is the reason for its existence, and its forty-nine years of service bear testimony to this.

The desire to serve must be balanced with sound business practice and financial stability if the ministry is to continue. In trying to maintain this balance the following procedure for admitting patients has been adopted:

a) The patient's local physician contacts one of Baptist Hospital's physicians or clinics to make appointment for medical referral. If you have a question about scheduling an appointment, telephone the Outpatient Department Appointment Section at (919) 727-5375.

b) If the Baptist Hospital physician considers it necessary or advisable to admit the patient to the hospital, he contacts the pre-admitting office and requests a bed. On the basis of the physician's diagnosis and prescribed treatment, the

length and cost of hospitalization are estimated.

c) The pre-admitting office contacts the patient, or patient's family to obtain necessary data, including financial data. This information indicates patient's hospital insurance coverage, if any; personal resources; eligibility for third party sponsorship.

d) The patient is told the estimated hospital bill, how much is expected from insurance or sponsoring agency, and the "out-of-pocket" different, if any, for which he is responsible. This difference is due upon admission. Exception to the pre-payment plan is made for emergency and continuing care patients.

e) Patients who cannot pay are counselled about agency programs which are available, even though they may not consider themselves eligible for certification.

Our business office has trained and sympathetic financial counselors whose services are available to any patient who needs them and desires them. They are familiar with various sources of financial aid, the qualifications for obtaining them, and the procedures to follow in making application. Almost any patient who will cooperate with them can fine financial help with hospital expenses, if his need is geniune. Frequently,these counselors can help a patient obtain needed follow-up services, also.

6. LOANS FOR BAPTIST COLLEGE STUDENTS

Many of our Baptist Colleges make scholarships available to Baptist students. You should write directly to the college for information on these scholarships.

There is a fund available through which loans are made available to Baptist students whose residence is Virginia or North Carolina and the student is attending a Baptist College in Virginia. Write directly to the fund--The Charles B. Keesee Fund, Martinsville, Virginia for information and loan forms.

7. PASTORS LIBRARY SERVICES

JOHN LOUIS KESLER LIBRARY

A special service is offerent to Rural Ministers. The John Louis Kesler Cirulating Library makes available 50,000 volumes on a lending basis to ministers.

WHO MAY BORROW

Any minister of the South.....irrespective of denominational affiliations, who signs the application card is eligible for this service. Annotated book lists are mailed regularly to all ministers who are active borrowers. This service is not available to students in colleges or seminaries. This service is expressly designed to benefit ministers who cannot find needed material in the local library.

HOW TO BORROW

Each borrower is asked to submit a list of several books he desires, arranged in order of his preference. He will be sent the first book (or books) available from the list. When these are returned others will be mailed.

Books may be kept for three weeks and are subject to one renewal upon request, if not in demand elsewhere. The only expense to the borrower is return postage. This is a nominal fee since the books are sent by library rate.

TO OBTAIN SERVICE

Those interested should write for further information and membership card to:

Kesler Circulating Library

BRIEF HISTORIES OF THE HOST CHURCHES

Green Creek First

Green Creek Baptist Church was organized in 1800 by the Reverend John Blackwell. The oldest Baptist church in Polk County, the Green Creek congregation very early became founders of mission churches. The Wolf Creek Baptist Church, now the First Baptist Church of Landrum, S. C., and the Arrowood Baptist Church near Chesnee, S. C., were the two earliest missions started.

The church has had six buildings, with the present one being erected in 1951. A new pastorium was built in 1958.

The youth of the church joined in a cooperative effort with the youth of the Peniel and Hickory Grove Baptist Churches in 1971, to sponsor a youth crusade.

To closer identify itself with the community, the church adopted the name of the Green Creek First Baptist Church.

The Reverend Jack B. Weaver became pastor of the church on September 26, 1976.

Race Path

The Race Path Baptist Church was organized September 11, 1914, with twenty-seven members. The building site chosen was known then as the Old Race Path. The following churches united in the organization: Bethel, Concord, High Shoals, Mt. Pleasant, Sandy Run and Trinity. The message was brought by Reverend T. C. Holland. Reverend Z. D. Harrill served as moderator and Sidney A. Padgett as clerk.

The first building was erected in 1916. The last service in this structure was held on January 13, 1952. The old building was torn down in February 1952. The present structure was completed on January 14, 1952, and the first service in the new building was held on January 20, 1952.

Today, we see the dreams of these first members blooming in a wonderful way with a new educational plant to train the future generation of the community. This new educational plant was completed in February, 1961.

A bus ministry was started in 1974, with one bus. Today, seven buses go out every Sunday morning bringing boys and girls to church.

The membership has grown from the original twenty-seven to the present membership of 1,070.

Section 2. Receiving Members.

A. The Association shall be the sole judge of its membership and may receive or reject churches applying for membership at its pleasure.

B. The churches so received shall agree to come under the watchcare of the Association for a period of one year. At the close of the watchcare period, the church shall be presented for full membership to the Association during the Annual Session. Membership approval is a majority vote of the registered messengers voting.

C. The watchcare period shall be used to determine if the church is in compliance with Article III, Section 1. The watchcare period shall be a ministry of the Missions Committee.

2. The offending church shall be furnished a written statement of the charges lodged against her and the findings of the Pastor/Church Relations Committee and will be given 30 days to respond to these charges before final action is taken.
3. If the intent of the church is noncompliance with Article III, Section 1, the Executive Board shall determine that the church has been withdrawn from fellowship and the Associational records so noted.

Motion was made that the program be adopted, which was seconded. Motion passed.

7. The new pastors in the association present at this session were recognized: the Reverend Wayne H. Blackwood, Bethel; the Reverend David P. Blizzard, Drury Dobbins; the Reverend Vernon Buchanan, Gray's Creek; the Reverend Jerry Crisco, Harris First; and the Reverend Danny G. Powell, Temple. Other new church staff personnel, Mr. Barry Wilson, Adaville, was recognized. The new pastors and church staff personnel were personally welcomed on behalf of the association by the Reverend W. Melvin Owens, Vice Moderator.

8. Reverend W. Melvin Owens introduced the Reverend Charles F. Cobb, Moderator of the association, for the Moderator's address.

9. Moderator's Address: The Reverend Charles F. Cobb, Moderator, using Matt. 28:19-20 as his text, challenged the churches to a Christ-centered ministry of voluntary cooperation to strengthen the ministry of the association in order to unify and strengthen our witness to our community.

10. First Business Session:

A. Resolutions Committee: In the absence of the Reverend Glenn L. Rushing, Chairman of the Resolutions Committee, Reverend Otis Wheelhouse gave directions about the procedure to follow to present a resolution. Article VIII, Section 4. O., Items 3,4,5 and 6 of the Constitution were read to the Session.

B. Nominating Committee: In the absence of Mrs. Robert Toney, Acting Chairperson of the Nominating Committee, Reverend Otis Wheelhouse presented the Nominating Committee's report from the Advance Book of Reports.

4. The Nominating Committee nominated Reverend W. Melvin Owens for a second term as Vice Moderator. The floor was opened for further nominations. There were none. Reverend Owens was elected by acclamation.

C. Finance Committee: Reverend W. Melvin Owens, Chairman, referred the Session to page 30 of the Advance Book of Reports and urged each church to prayerfully study their contributions. The financial statement was presented. The Session was then urged to study the proposed budget, found on page 6 of the Advance Book of Reports and be prepared to discuss and vote on this at the next session. He stated that on the State level of Southern Baptist work, a 10% increase was needed in order for us to retain the present budget level. The proposed associational budget for the new year, in some cases, may represent a 10% increase, in other areas it will not — a few will be more than 10%. He asked if the churches were satisfied where they are and stated that if all our churches would reach the minimum of 2% in associational offerings, we would be able to do more business and less arranging of the work. It takes money and a lot of it to do things now. The associational program can only progress as far as the churches make it possible. He urged much consideration and prayer concerning the budget.

D. Registration Committee: The Reverend William A. Stroud, Chairman, reported that 216 messengers and 72 visitors had registered for the first session.

E. Committee Reports: Dr. Ernest Arnold moved and seconded that the Committee reports in the Advance Book of Reports be accepted as the reports from the committees. Motion passed.

F. Annuity Report: The Reverend Claude Simpson, Associational Annuity Representative, reported that the meeting in January to promote annuity in this association was successful and the response was gratifying, but there is still room for improvement. Out of the 49 churches participating in the annuity program, only about one-half of these do more than the minimum benefit. The churches were challenged to protect their pastor and staff properly.

G. Miscellaneous Business: Reverend Otis Wheelhouse presented a request from the Pilgrim Church for pastoral assistance from the State Convention for 1978-79, in the amount of $2,100. Motion was made and seconded that this request for pastoral aid be approved. Motion passed.

11. The hymn, "I Am Thine, O Lord," was sung by the congregation.

12. Installation of the Program Officers: Reverend Otis Wheelhouse installed the following program officers of the association: Reverend David P. Blizzard, Brotherhood; Reverend Robert W. Campbell, Sunday School; Miss Sarah Perry, WMU; and Reverend Thomas Gossett, Church Training. (Kenneth Wright, Continuing Education, was not present.) These were recognized as Key Leaders in the association.

13. Program Challenges:

A. Reverend Robert Campbell, Sunday School Director, challenged each church to grow a stronger Sunday School, stating we have remained illiterate about the Bible too long. Be bold and challenge your church — become the leader — the disciple your church needs. Quarterly meetings with the Sunday School Directors are planned.

B. Miss Sarah Perry, WMU Director, challenged the churches to a stronger women's mission work. Women who are bold in mission vision are needed. We must teach missions — engage in missions — support missions — enlarge missions. Baptist women in Sandy Run must become laborers together with God.

14. Visiting institutional representatives were recognized: Reverend Clyde Morris, Children's Homes; and Dr. M. Vann Murrell, Gardner-Webb College.

15. The Reverend Van Carroll requested that Dr. Vann Murrell of Gardner-Webb College be granted two minutes on the program the following night to speak for our Baptist Colleges. The Moderator referred this to the Program Committee.

16. Foreign Missions Address:

A. The Reverend Herman F. Hicks introduced our special guest speaker, the Reverend Dennis P. McEntire, Missionary in Coronel Oviedo, Paraguay.

B. Special music was by the Shiloh Baptist Church choir under the direction of Mr. Steve Jones. Two selections were presented, "Christ Receiveth Sinful Men" and "It Is Well With My Soul." Mrs. Donnis Ruppe accompanied at the piano.

C. The Reverend Dennis McEntire brought a missions challenge with the use of slides depicting his work and a message based on Phil. 18. The Lord is calling all of us to set our priorities in order. We can then be about the Lord's work. We need to set our goals so high that all peoples will hear the gospel Prayer continues to be a priority. The churches were then challenged to increase cooperative giving from the Convention average of 9% to 50%. Become bold for Christ and find the joy of living the Christian life.

17. Reverend Charles Cobb, Moderator, requested we use our excess time to allow our visiting representatives to speak. Reverend Clyde Morris of the Children's Homes was recognized but he had left. Dr. Vann Murrell was then recognized representing Baptist Colleges. He urged us to be concerned about Christian education, to consider sending our children to a Baptist college. He indicated the cost is a little more but we have tremendous possibilities with loans and the value is well worth the expense.

18. Reverend Charles Cobb adjourned the meeting to meet with Race Path Baptist Church, Ellenboro, the following evening.

19. The Second Session opened at 6:45 p. m., at the Race Path Baptist Church, Ellenboro, N. C., with the registration of messengers and guests.

20. The annual session was called to order by the Moderator.

21. The congregation was led in the singing of, "Victory in Jesus," by Mrs. Wanda Davis, music director of Concord Baptist Church.

22. The Reverend B. C. McMurray, associate pastor of Race Path Church, welcomed the annual session to Race Path.

23. A devotional thought was given by the Reverend Vernon Buchanan, pastor of Gray's Creek Baptist Church. His text was Heb. 4:14; 10:19. Boldness means courage. The task God has given us calls for boldness — a boldness in going and doing of the work of God. Bold Missions — Bold Giving — Bold Discipleship — all start with Bold Praying. We are encouraged to come boldly before Jesus Christ. We are encouraged to go boldly forth to do the work of God. Reverend Buchanan then led in prayer.

24. The new pastors in the association, present at this session, were recognized: Dr. P. A. Cline, interim, Race Path, the Reverend Arthur M. Collum, Trinity; the Reverend Perry B. Jones, Fairview; the Reverend John F. Meadows, Concord. Other new church staff personnel, Mr. Larry Pew, Race Path; and Mr. Robert Woody, Concord, were recognized. The new pastors and church staff personnel were personally welcomed on behalf of the association by the Reverend W. Melvin Owens, Vice Moderator. Visitors were also recognized and welcomed.

25. Director of Missions Address: The Reverend Charles Cobb introduced the Director, the Reverend Otis J. Wheelhouse, Jr. Using Matt. 16:17-18 as his text, Reverend Wheelhouse challenged the churches to a Bold Commitment, a Bold Witness and a Bold Mission.

26. Second Business Session:

A. Finance Committee: The proposed budget for 1978-79, presented the previous evening, was moved for adoption and seconded. A question and answer period followed. There were no motions made to amend the budget and the question was called for. The budget was adopted as presented.

B. Place and Preacher Committee: The Reverend Billy Holland, Chairman, reported that the association would meet the first day with the Sandy Run Baptist Church and on the second day with the Mt. Pleasant (C) Baptist Church. The preacher for the annual sermon would be the Reverend I. Ad Hopper and the alternate would be the Reverend Kenneth Brock.

1. Reverend W. C. Hill, pastor of the Sandy Run Church, indicated that the meeting was approved provided the same schedule as this session was followed, which excluded the meal at the church.

2. Moderator Cobb requested a show of hands indicating whether or not this schedule should be followed. A majority indicated a preference for the new program schedule (in the evenings without the meals).

C. Annuity Report: Reverend Claude Simpson reported that fourteen churches were not now participating in the annuity program. Every church should make every effort to protect the pastor and staff.

(Reverend Wheelhouse, acting as Parliamentarian, reminded the the Moderator that we were behind schedule and needed to either extend the time of the business session or adjourn the business session. The Moderator requested a ten minute extension of time to be added to this business period which was approved.)

D. Resolutions Committee Report: The Reverend Glenn L. Rushing, Chairman, presented the following resolution:

Be it RESOLVED that we, the messengers to the Eighty-Ninth Annual Meeting of the Sandy Run Baptist Association:

Express our appreciation to the host churches, the Green Creek First Baptist Church and the Race Path Baptist Church, for letting us meet with them, and further.

Express our thanks to the Program Committee, Moderator, Vice Moderator, Clerk and Director of Missions for a job well done, and to all other officers and committees who have served through the year.

Respectfully submitted,

Reverend Glenn L. Rushing, Chairman
Reverend Oscar Funderburk

The resolution was moved for adoption, seconded and approved.

E. Miscellaneous Business: Reverend R. J. Hogan, reporting for the Registration Committee, indicated that 67 messengers (newly registered), 178 persons previously registered, 23 visitors and 26 choir members, making a total of 294 persons, were present for the second session.

F. The Reverend John Simmons, visitor, spoke on Bold Missions, John 4:35. Lift up our eyes — and see the world as Jesus would see them. The mandate is ours. He reported on his area of work in the St. Lawrence (NE corner) of New York State.

27. Mrs. Wanda Davis led the congregational hymn, "Heaven Came Down."

28. Memorial Service: The Reverend Robert Campbell led the Annual Memorial Service for the deceased members of our Association during the past year, and led in the singing of the hymn, "We're Marching to Zion."

29. Program Challenges:

A. The Reverend Thomas Gossett, Church Training Director, challenged the churches to Bold Discipleship. Disciple training is Church Training. Every church needs to emphasize the importance of Church Training.

B. The Reverend David P. Blizzard, Brotherhood Director, challenged the men to come alive for Christ and to boldly challenge their communities.

30. The Annual Sermon:

A. The Reverend I. Ad Hopper introduced our speaker, the Reverend William A. Stroud, pastor of Cliffside Baptist Church. Reverend Hopper read the scripture, Acts 1:8, and led in prayer.

B. Special music was by the Concord Baptist Church choir under the direction of Mrs. Wanda Davis, music director of Concord Church, accompanied by Mr. Steve Davis, organist, and Mrs. Darlene Woody, pianist. The selection presented was, "Battle Hymn of the Republic."

C. The Reverend William A. Stroud delivered the Annual Sermon. In 1976, we were challenged with Bold Missions at the State Convention in Norfolk, Virginia. The only way we will carry out this challenge is through the power of the Holy Spirit of God. This power becomes ours only as we surrender to the Spirit and become obedient to the Will of God.

31. There being no further business and the program having ended, the meeting was ajourned by the Moderator, the Reverend Charles Cobb.

YOUTH CHOIR RETREAT!

EXECUTIVE BOARD MEETINGS

The Executive Board of the Association met in conference five times during the past associational year. The following churches were represented at all five meetings: Florence, Pilgrim and Sulphur Springs.

Summary Report of the meetings:

November 21, 1977 — Called Meeting

1. Twenty-six churches were represented by thirty-one representatives and eighteen pastors.
2. Two members from the Board were elected to serve on the Executive Committee: Reverend Thomas Gossett of Sulphur Springs Church and Reverend Charles Moss of Camp's Creek Church.
3. The Moderator, Reverend Charles Cobb, brought a recommendation from the Executive Committee that the duties of the office secretary be enlarged to include the duties of the Treasurer; and that the secretarial hours be extended from 20 to 30 hours a week. After discussion, the motion was carried.
4. The December meeting of the Board was postponed to the third Monday in January.

January 16, 1978 —

1. Eight churches were represented by six representatives and six pastors.
2. The Director of Missions' medical plan cost had been increased on January 1, 1978, but the budget had not provided for this increase. In considering this change in insurance coverage, the Board also increased the long-term disability coverage to reflect his present income level. The increases were approved.
3 Reverend Claude Simpson reported on the Annuity Board supper to be held at Adaville Church on January 30.
4. The program organizations reported.
5. The plans for the World Missions Conference scheduled for October 29 - November 5, 1978, were reported as being finalized with twenty-nine churches scheduled to participate.

April 17, 1978 —

1. Sixteen churches were represented by twenty-five representatives and eight pastors.
2. The program organizations reported.
3. Reminder was given of the Vacation Bible School Clinic scheduled for April 24 and 25, to be held at Florence Church.
4. The Nominating Committee brought a report to help complete the election of officers not completed at the Annual Session: The new officers elected were:

Brotherhood Director - Reverend Robert Campbell
Recreation Committee - Mrs. Debbie Toney, Dean Ingle, Edgar Spicer.
Program & Registration Committee - Dr. Ernest Arnold
Properties Committee - Reverend Glenn Rushing
Dedication Committee - Reverend Harold Brown
Evangelism Committee - Reverend Thomas Gossett
Biblical Recorder Representative - Reverend W. G. Camp
Cooperative Program Representative - James Marchman

5. The Evangelism Committee reported that "E" Night was held April 11, 1978, at Bostic First Church, with Dr. Forrest Feezor of Shelby as guest speaker.
6. The proposed Constitution and By-Laws and Rules and Regulations for the Softball League were presented. After much discussion and a few changes these items were approved.
7. Report was made on World Missions Conference plans with thirty-two churches being committed to participate.
8. The Moderator, Reverend Charles Cobb, acting for the Executive Committee, requested a clarification on the status of the associational building as previously approved by the annual session. After discussion, a committee of five was approved to become a fact-finding committee to investigate and bring back to the Executive Board a past history and current status report of this situation. The Moderator was to appoint this committee.
9. The Moderator instructed the Social Concerns Committee to consider the problem of benevolent requests made to the association and to recommend a policy. The committee was also to suggest a method of implementation of the resolution on Sunday working, approved by the annual session in 1977.
10. The Executive Committee moved that a special offering be taken as part of the Association Emphasis Week, May 21-28, 1978, to be used to help replace the present office printing equipment. The motion was approved and a goal of $5,000 set.
11. The Stewardship Department of the Baptist State Convention, Raleigh, requested to be allowed to hold a Stewardship Dinner in the association on May 23, 1978. The request was approved.

August 14, 1978 —

1. Eighteen churches were represented by nineteen representatives and thirteen pastors.
2. Program reports were received.
3. Reverend Claude Simpson reported that the Annuity Emphasis held on January 30, resulted in a number of the churches increasing their annuity coverage for their pastors.

4. The Special Committee on the Associational Building appointed by the Moderator was: Kenneth Wright, Chairman; Reverend Paul Brock; Mrs. Ray Martin; Mrs. Max Price; Reverend Robert Toney.
5. The Special Committee on the Associational Building reported. A fact sheet was presented. The report indicated:
   a. that the relocation of the associational office to 600 E. Main Street, Forest City, on January 13, 1975, and the cessation of committee work with regard to associational offices and property indicated the fulfullment of all committee assignments prior to that date.
   b. the Sandy Run Baptist Association holds a special fund for the purchasing of land and building of an associational building, or to purchase an an existing building that would be suitable for associational office space and that the treasurer is the administrator of this fund.
   c. the Sandy Run Baptist Association is not obligated to build an associational office building on property held in Sandy Mush. It is felt that present building restrictions as recorded in the deed of trust would complicate the building of office space on this site.

After much discussion, the report was accepted.

6. The Social Concerns Committee reported on the issue of benevolent requests to the association. The following was recommended by this committee:
   a. The request is to be referred to the Yokefellow organization.
   b. If the Yokefellows are unable to handle the request and the association is again sought out for assistance, the request is to be referred to the Associational Church nearest the residence of the requestee for proper investigation and action.

This motion was passed.

7. The Director of Missions reported that the special offering for office printing equipment is still being received. The replacement for the mimeograph machine has been ordered.
8. The Stewardship dinner approved at the April meeting was held.

COOPERATIVE PROGRAM

Our emphasis on Bold Mission Thrust calls for Southern Baptists to perceive and accept our mission in enabling every person in the world to hear and respond to the gospel of Christ by the year 2000 A.D. What a challenge — sharing the gospel of Jesus Christ with every person in the world by the year 2000. Providing resources to meet this exciting challenge will require boldness in prayer and sacrificial giving on the part of every Southern Baptist. We must give our best as we minister through our church, through the association, and through the Cooperative Program in bold support of missions at home and around the world.

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Let every church in our association demonstrate its commitment to the world mission task through serving and giving. Every church is challenged to increase, on an annual basis, the percentage of its total budget income given through the Cooperative Program and through the missions budget of the association. As a further guideline, churches should consider prayerfully the percentage increase suggested by the state convention for Cooperative Program and the increase suggested by the association for associational ministries.

During the past year, the churches of our association gave $215,368 through the Cooperative Program. Last year our churches gave $31,071.58 for associational missions.

Some goals for the coming year are:

1. Every church in the association giving something through the Cooperative Program for Bold Mission Thrust support.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. Every church in the association increasing the percentage of the total budget income for the support of associational missions. The minimum goal should be 2% of the budget income.

CONTINUING EDUCATION

Our Continuing Education program has been involved primarily in planning during this first year's effort. We have sought to carefully evaluate the needs of the Sandy Run Baptist Association in this vital area of concern. The results of this inquiry indicate three particular areas of need:

1. Study opportunities for ministers and persons preparing for the ministry.
2. Advanced study opportunity for lay church members.
3. "Short-term" training related to specific needs.

The Continuing Education program is committed to meeting these needs in the best manner possible.

During this new associational year, we already anticipate the establishment of a Seminary Extension Center. This effort will provide extensive study in the Bible, Christian Theology, Church History, Pastoral Ministries, and Educational Ministries. Cooperative efforts with other associational programs are also anticipated during the year.

Our Continuing Education program seeks to meet all of the requirements necessary to assist the churches of the Sandy Run Baptist Association on Bold Mission.

Kenneth Wright, Director

ANNUITY BOARD

Providing for the protection of the pastor in the future is not as easy a matter as it used to be. Our fluctuating economy, the devaluation of the dollar, along with the increase of inflation, have contributed to the high cost of health and retirement protection.

Security for the future is one of the factors that give peace of mind today. Each church should make every effort to see that their church staff is insured to cover sickness and disability as well as retirement. The benefit to the church and the peace of mind for the pastor more than compensates for the expense of this coverage.

Forty-nine of our churches provide retirement through the Convention's Annuity plan. This is good, but it also means fourteen must make some other provision. What coverage does your pastor and church staff have? Let's make sure it provides adequate coverage.

Your annuity representative and your associational office are ready to help your church in the area of health insurance, disability insurance and retirement programs.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

North Carolina Baptists through our Baptist Children's Homes and programs cared for and ministered unto around 500 children this past year in the Mills Home in Thomasville, the Wall Home in Wallburg, the Kennedy Home at Kinston, the Odum Home at Pembroke, and the Broyhill Home at Clyde, and

around 75 more children in foster-parent homes. Also, around another 500 parents and children have recieved help of different natures such as counseling and help in advanced education, etc.

In addition to the above, Baptists support four emergency care homes: Burlington Emergency Care Home at Burlington, Henderson Emergency Care Home at Henderson, Charlotte Emergency Youth Care Center at Charlotte, and the Thermal Belt Baptist Youth Shelter at Forest City. These emergency homes ministered unto around 150 children and youth this past year. Of this number, our Thermal Belt Youth Shelter cared for 36 children and youth during the year.

Also, North Carolina Baptists support the Baptist Maternity Home at Asheville. This home ministered to 35 girls this past year.

There is a constant need of well-qualified staff. This is particularly true of cottage parents and foster home parents. We are requested to pray for these needs.

These homes are supported by our gifts through the Cooperative Program, special gifts, and the traditional Thanksgiving offering.

The Thanksgiving offering this fall is extremely important, for this will be the last over-and-above love offering to the Children's Homes at Thanksgiving time. After this year, as part of the Bold Missions Thrust, the Thanksgiving offering will become a part of our State Missions offering to be given in Sept.

To bridge the traditional offering gap next year, a goal of $1,000,000 is set for our Thanksgiving offering this fall, next month.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Key Leadership Conference, held at Ridgecrest Baptist Conference Center in May, was attended by your representative. There, we found "The Division of Christian Life and Public Affairs," also known as the Christian Life Council, provides leadership for North Carolina Baptists in the areas of Family Life, Human Relations, Moral Issues, Economic Life, Citizenship, and Public Affairs.

When the Liquor-by-the-Drink Bill was being voted on in Raleigh, an attempt was made to reach all pastors of the association and have them to contact our representative and urge him to be present for the final vote on this bill. As you know, the bill was passed. Cities or counties, with A.B.C. stores, may, by local referendum, vote to serve liquor by the drink. That was a sad day for most North Carolina Baptists.

CHURCH TRAINING

The associational Church Training year began with "M" Night held at Bethany Church. Pilgrim Church won the attendance banner.

A curriculum workshop was held in cooperation with the Sunday School and Music departments at Glenwood Church.

A workshop for church committees was held at Florence Church. Training was offered in the areas of the Ushers Committee, the Finance Committee, the Nominating Committee, the Church Constitution Committee and the Pastor Selection Committee.

The Director of Missions attended the associational Church Training Week at Ridgecrest.

Looking ahead to 1978, plans are being made for a leadership workshop in lesson preparation, and a conference on leadership and administration of a Church Training program. Quarterly Church Training Director's meetings are planned.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

A survey in several counties representative of the cross-section of our state has provided interesting information regarding the seriousness, or lack of seriousness, to which stewardship of estates is considered. Court records and wills were carefully studied in these counties to determine the disposition of possessions for a specific time. Facts revealed were:

1. 30% of the decedants died without a written will.
2. Very little was provided for the church or any charitable cause through the wills that were probated (six-tenths of one percent was given to **all** charitable causes and only 65 one-thousandths of one percent was left to all Baptist causes.)
3. 45% of all assets were left either to husbands or wives, 37% of all assets were left to children by parents, and 27% was left to grandchildren or other persons.
4. Projected to a statewide basis for one year, two-thirds of one billion dollars is left in estates each year.
5. Based on resident Baptist population in the state, a tithe of the estates of Baptists that die each year would provide in excess of $10,000,000 additional dollars annually to the support of Christian missions and ministries carried on by our churches and denomination.

Baptist who believe in Bold Mission endeavors will:

1. prepare a will or have their will updated;
2. provide for their church pledges and commitments to be fulfilled through their will;
3. seriously consider a tithe of their estates to a Christian cause.

An excellent example to follow is that set by two members of one church in the mountain area of North Carolina. They have willed their possessions to the North Carolina Baptist Foundation as Trustee. Ten percent of each estate will go back to their church and 90% in trust will be paid annually to the Cooperative Program through their church — an amount equal to the entire church contribution to the Cooperative Program in 1977 (and this was a substantial amount). These two persons through their wills will double the church gifts to missions.

During 1977-78 fiscal year, the Foundation has received $198,139 in additions to the trust funds being held. Twenty-seven new trusts were established.

The Baptist Foundation staff is available to assist any individual who wishes to have a will prepared or updated. Anyone using Foundation services and who designates through their will a bequest to any Baptist institution or Baptist mission cause can have their will prepared at no cost. Assistance in cost can also be provided for those who desire to have their wills prepared or reviewed by a local attorney.

Respectfully submitted,

Edwin S. Coates, Executive Secretary
Sara Ann Hobbs, Director of Estates Planning
John L. Stickley, Sr., Chairman of Board

BAPTIST HOSPITAL

In the Sandy Run Association, 42 churches gave $6,907 for the Hospital year ending June, 1978. This is an increase of 2 churches and $569 over 1977. Holly Springs Church made the largest contribution — $1,000.

During the past year, the Department of Family Medicine moved into new quarters. It is anticipated that with the larger area, the Family Practice Center will provide primary health care for more than 5,000 families by 1980. Also, the teaching program for resident physicians in Family Medicine will increase to 36 positions by 1980. Many of these physicians are expected to enter family practice in North Carolina.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas; in

determining the spread of disease from one organ to another; and visualizing aneurysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

Creation of a new Department of Patient Relations and the employment of a fulltime director has also helped to improve the quality of patient care. The primary function of this department is to respond to specific concerns patients have regarding their hospital care and to act in behalf of patients and their families in resolving problems and meeting needs.

A closed-circuit television system will soon be carrying services from the hospital chapel, other devotional programs and educational programs to patient rooms. This system will also be used in staff education programs. The equipment was purchased with funds from the estate of Miss Olivia Hall who worked for Baptist Hospital for nearly a half-century.

The Department of Pastoral Care continues to make a significant contribution to patient care as well as in clinical pastoral education, counseling and enrichment events. During recent months, the department has begun another satellite center; this fourth satellite is in Charlotte and is operated in cooperation with the Mecklenburg Baptist Association. In April of this year, the Counseling Center received accreditation by the American Association of Pastoral Counselors.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $18-million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

MISSIONS COMMITTEE

As a committee, we have no recommendations to make to the Association. In our association we have opportunities for cooperative missions in and around our churches. I would like to offer some possibilities for future considerations. Since we are well "churched" in our association as to the location of churches, we might ought to look elsewhere for cooperative mission efforts.

We might consider:

1. the upkeep for the Thermal Belt Youth Shelter to be included in the associational budget as a cooperative mission for the association.

2. some Vacation Bible Schools and/or Fellowship Bible Classes in trailer parks or housing developments. One church may not have the workers or the money for these missions but through an associational effort many churches may be involved.

This year we are giving more in our budget for the cooperative assistance with the Gold Hill worker and Vacation Bible School materials.

We express our thanks to our churches for their cooperative spirit in missions and fellowship. Feel free to call upon this committee as the needs arise.

Respectfully submitted,

Joe Richards, Chairman

WOMAN'S MISSIONARY UNION

Our Woman's Missionary Union has been busy throughout the year as our emphasis for 1977-78 has been "Teach Missions — To Be, To Do." We sought to improve the image and quality of teaching missions, participation in mission study, and to help women, girls and pre-schoolers to grow and develop spiritually.

The leadership conference held at Spencer Church was well attended with leaders going back to their churches feeling trained for their particular task to help their church.

Baptist Women throughout the association have been busy as they engaged in a mission action project of ministering to the needs of the children at Union Mills Children's Home. Many churches participated. Baptist Women's World Day of Prayer was observed at Race Path Church with 150 attending, and an offering of $121.00. A Baptist Women's Prayer Retreat was held at Camp's Creek Church. Mrs. J. E. Cargill was guest speaker. There were 60 present and an offering of $84.00.

During the W.M.U. Focus Week, Baptist Young Women gathered together at Sandy Mush Church for a prayer retreat led by Miss Nona Kay Bickerstaff, State Baptist Young Women Director. Adaville Church organized a Baptist Young Women's group during this past year.

A "manual study" was taught at Bethany Church for Acteen leaders with six churches represented. The Acteens held a World Missions Fair at Sandy Mush Church with Reverend Archie Jones, Missionary, as guest speaker. There were nine churches represented with 115 in attendance.

A Girls-In-Action Day Camp, on April 22, at Smith Grove Church brought 150 girls and their counselors together for a day of learning, activity, inspiration, fun and fellowship. Reverend and Mrs. Robert Shehane, Missionaries to Quadeloupe, were guest speakers.

The Annual Session, April 27, at Caroleen Church was of special significance as we celebrated the 78th Anniversary of the Woman's Missionary Union of Sandy Run Baptist Association. We had as our theme, "A Grateful Past — A Bold Future." Featured was a drama of the history of W.M.U. of Sandy Run

Association, written by Mrs. J. E. Cargill entitled, "Diamonds in Sandy Run." Mrs. Mary Ellen Garrett, former missionary to Umtali, Rhodesia, brought a very challenging and inspiring message on "Bold - In Missions." Mrs. Sybil Wilson, approved Mission Friends worker for State W.M.U., was also a featured guest and focused on Mission Friends through film and message.

May 22, at Corinth Church, an intensive training workshop was held for Mission Friends leaders on how to use the materials in their magazine, "Start." There were eighteen workers present.

In participation with the denominational emphasis on Bold Missions, a Key Leadership Conference was held at Bethel Church. There were thirty-eight W.M.U. directors present for this conference.

Our Woman's Missionary Union is "Distinguished" again this year and as we continue to be involved in Bold Missions, "Let The Church Reach Out," let us take every opportunity to study and train ourselves to be, to do, to live, to give, so that we may be "Workmen that needeth not to be ashamed, rightly dividing the word of truth."

MEDIA CENTER

We are proud to report that the Adaville Church librarians have reclassified all their books, typed card sets for each book and have purchased a card catalog. This has taken one year and plans are now to have the library open by November 1, 1978.

Two meetings were held at the Sandy Mush Church, with hopes to set up a library there. They are now in the process of ordering books and work on a church library will begin soon.

Church librarians from Walls, Adaville, Race Path and Bethel churches attended the Church Librarian Conference in Raleigh last April.

It is our prayer that more ministers will encourage the growth of church libraries.

Mrs. Emmett G. Hamrick, President

SUNDAY SCHOOL

The associational Sunday School year began with a rally in September at the Alexander Church. Mt. Harmony Church won the attendance banner.

A curriculum workshop was held in cooperation with the associational Church Training and Music departments at Glenwood Church.

The Sunday School Vacation Bible School team attended the State VBS Workshop at Ridgecrest. The team then held a Preview Clinic at the Pilgrim Church and the VBS Clinic at the Florence Church.

The Sunday School participated in the Key Leadership Training at Ridgecrest. A Key Leadership conference was held for Sunday School Directors.

The Director of Missions attended the Sunday School associational training at Ridgecrest.

Plans are being made for the new associational year to offer training in the areas of teacher improvement, administration and outreach.

NORTH CAROLINA BAPTIST HOMES, INC.

It is imperative that we get a clear picture of the various ministries and work of the Baptist State Convention, if we are to support them in the way that our Lord would have us support them.

This is a special opportunity that the messengers to our 80 Baptist Associations have each year to get a better understanding of this need. There is vital and up-to-date news of our respective ministries in the Biblical Recorder, and the Charity and Children, but for our local association this information should be taken personally.

North Carolina Baptist have the following Baptist Homes for the Aging. I wonder how many could name them without reading this list?

1. Resthaven, located in Winston-Salem, with space for 16 residents.
2. The Hayes Home and Nursing Care Unit, in Winston-Salem, with space for 46 residents and 79 patients. The Nursing Care Unit serves all five of our Homes, and will serve the Western North Carolina Baptist Home. Patients are transferred to this nursing facility when long-term nursing care is needed. There is also a duplex apartment complex at the site of the Hayes Home in Winston-Salem, with space for 120 people.
3. The Albermarle Home, in Albemarle with space for 30 residents.
4. The Hamilton Home, in Hamilton, with space for 28 residents.
5. The Yanceyville Home, in Yanceyville, with space for 31 residents.
6. The Western North Carolina Home, in Asheville, with space for 50 residents, now under construction.

This means that there will be accomodations for 300 people in all our six Baptist Homes. Our Baptist Homes for the Aging have received vital support from more than 3400 Baptist churches through two vital sources through the years: (1) the Cooperative Program, which supplies 8% of the total budget: (2) the Special Offering, which supplies 16% of the total budget.

Since our February, 1978, offering was the last Special Offering ever, it is an ever increasing loyal support from each of the churches which these Homes are

relying upon to uphold this most worthy ministry of our State Baptist for the increasing number of our senior citizens.

We must continue to prepare for our aging, and by the Lord's help to undertake more for them in our churches, our communities, and in our Baptist Homes for the Aging.

Will you join in our prayers and plans for those aging persons who look to us for help!

Olen L. Kendrick, Representative

ORDINATION COMMITTEE

The Ordination Committee is a service committee to our churches. When requested, the committee will convene the Ordination Council composed of the pastors, staff members and ordained deacons of the churches, to examine prospective candidates for the pastorate and deaconate.

The Ordination Committee was requested to convene the Associational Ordination Council twice this past church year.

The Harmon Street Church requested the examination of Bruce Bradley for the Gospel Ministry and the Cliffside Chruch requested the examination of Robert Norman, III, for the Gospel Ministry. Both candidates were approved by the council.

Respectfully submitted,

A Graham Brooks, Chairman

PROGRAM-REGISTRATION COMMITTEE

The Program Committee's efforts are reflected in the program for the annual session. A departure from the previous scheduling of an evening meeting followed by a morning-afternoon session was made in accordance with a previous study and report to the association, which was approved, indicating a desire for a change to two night sessions. With the move to two night sessions, streamlining of the program was required. This is reflected in the program schedule printed elsewhere in these minutes.

The committee was unable to secure a representative from the State Convention to address the annual session.

The committee will use the reactions of the annual session to this program in considering plans for next year's annual session.

Respectfully submitted,

R. J. Hogan, Chairman

SOCIAL CONCERNS COMMITTEE

This committee met to consider the procedure for the associational office to follow in handling benevolent requests.

A number of factors were considered. Basically, each church controls its own benevolent funds and administers this fund through a committee. The funds for handling such requests are controlled by each local church and not funded by the association's budget. The association does not have the means of investigating benevolent requests. These factors led this committee to recommend the following procedure to the Executive Board, to be adopted as a policy procedure:

"In the event that the associational office is approached with a request for benevolent assistance:

1. The request is to be referred to the Yokefellow organization.
2. If the Yokefellows are unable to handle the request and the association is again sought out for assistance, the request is to be referred to the associational church nearest the residence of the requestee for proper investigation and action."

This procedure was adopted by the Executive Board.

Respectfully submitted,

Kenneth Brock, Chairman

CHURCH MUSIC

The Church Music program literally collapsed this year. The loss of our Director of Church Music left a leadership void that proved to be, at least for this year, impossible to fill.

Plans are being made for a music workshop in the association for the 1978-79 year.

Respectfully submitted,

Otis J. Wheelhouse, Jr. Director of Missions

DEDICATION COMMITTEE

The Dedication Committee has no recommendations for the association for the year 1977-78.

Respectfully submitted,

M. D. Blanton, Chairman

EVANGELISM COMMITTEE

The big event for the Evangelism Committee was "E" Night, held at the First Baptist Church of Bostic on April 11, 1978. Dr. Forrest Feezor of Shelby, North Carolina, was the guest speaker, with his subject being, "The Evangelistic Church."

The Bold Missions Thrust for the State Convention is reflected in the goal of the local church to increase baptisms by at least 5% in the 1978-79 church year. The Evangelism Committee will give special attention to the emphasis of witnessing by the local church members.

A pastor's training session in evangelism is being planned. An "E" Night will again be scheduled.

Respectfully submitted,

Evangelism Committee

BROTHERHOOD

Brotherhood is an integral part of the mission teaching process of the church. Every church faces the challenge of how to make this organization an effective tool of ministry in their given situation.

Brotherhood, Baptist Men and Royal Ambassadors will play an important role in the "Bold Missions" emphasis over the next five years. The local church is challenged as it has never been before to engage in mission activities, teach missions, and pray for and give to missions. A strong and functioning Brotherhood is the key to success in implementing these goals.

The associational officers of your association are readying themselves to help you meet the challenge ahead. We look forward to a year of fellowship, learning and inspiration as we prepare ourselves for the tasks ahead. Every church is challenged to strengthen their existing work. We have a number of churches who, as yet, have no Brotherhood work — to these we offer our assistance in establishing new work.

The challenge is ours. May we endeavor to grow men and boys in our churches who are acutely aware of Christ's mission for the church. A greater vision than this, however, are men and boys who are equipped to do this task.

Respectfully submitted,

Robert W. Campbell, Chairman

PASTOR-CHURCH RELATIONS COMMITTEE

The very nature of the work of this committee and the constitutional guidelines for its function restricts and limits the material that may be published in the annual minutes.

The committee was called upon formally to function twice in the past year. Hopefully, these situations were resolved in the best interest of all parties involved.

The Director of Missions was called upon numerous times in an informal capacity.

It is the desire of this committee that services be used by our churches whenever a crisis situation seems to be developing. The sooner the committee is called upon, the better, usually, for all parties concerned.

The committee requests the association to be much in prayer for our churches.

Respectfully submitted,

Otis J. Wheelhouse, Jr., Chairman

I. PROCEDURES FOR SELECTING CHURCH MESSENGERS.

a. Associational—1) Each church is entitled to be represented at the Associational Annual Meeting by her pastor and three (3) additional representatives. A church with more than 100 members is entitled to an additional representative for each additional 100 members or fraction thereof. A church with 100 or less members can have a total of four messengers (including the pastor). A church with a membership of 101 to 199 can have an additional representative or five messengers, etc. 2) Each church is represented on the Executive Board of the association by her pastor and two other lay members (a total of three). The name of these lay representatives should be reported on the annual church letter to the association.

b. Baptist State Convention—Each cooperating church is entitled to be represented at the N. C. Baptist State Convention by two messengers. For each 100 members or major fraction thereof beyond 100 members the church can have an additional messenger. No church shall have more than 10 messengers. A church with a membership of 150 can have three messengers, etc. Each messenger must have a registration card signed by the church moderator stating he is a messenger. These cards can be obtained either from the Associational office or from the Baptist State Convention in Raleigh.

c. Southern Baptist Convention—Each cooperating church is entitled to one messenger to the Southern Baptist Convention. For every 250 members or for each $250.00 paid to the work of the Convention during the fiscal year preceding the annual meeting the church can add one member. For example, your church has 89 members. Under the membership clause you can have one messenger. However, your church contributed $1,250 to cooperative program funds. This means you can have an additional five messengers or six (6) total messengers. No church can have more than ten (10) messengers. Each messenger must have a messenger Registration Card signed by the church moderator or clerk to register. These cards can be obtained from the Associational Office or the Baptist State Convention in Raleigh.

2. PROCEDURE FOR ADMISSION TO THE CHILDREN'S HOME OF NORTH CAROLINA, INC.

Admissions:

Write to: Mr. Hugh Starnes, Broyhill Children's Homes, Clyde, N. C. 28721, or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

When contact is made either by a pastor, relatives, interested friends, or social service agencies, a professionally trained caseworker will make a thorough study of each situation to determine the extent of need and the best possible plan for the child and his family.

Procedures:

Preschool children are normally cared for in Foster Homes.

School age children are cared for through one of a variety of services according to need. Usually this will be either the use of a Foster Home or placement in one of the Children's Homes.

Children are accepted from pre-school age up to and including (special cases) high school seniors.

The stay at the home is for as long as necessary; usually until the development of some other plan; or to the completion of high school. In cases of special need even beyond high school.

At the present time the program is not able to care for the physically handicapped, the mentally retarded, or the severely emotionally disturbed.

3. PROCEDURES FOR ADMISSION TO THE NORTH CAROLINA BAPTIST HOMES, INC.

Step Number 1 is to have the pastor write:
William A. Poole, Superintendent
N C. Baptist Homes, Inc.
Reynolds Park Road
Winston Salem, North Carolina 27107
for application forms, giving as much information on the applicant as possible. The applicant himself or herself could write directly, but this contact with our pastors is desired. To qualify for admission to one of our five resident Homes, it is understood that one must be at least 65 years of age and in reasonably good health mentally and physically. After the arrival of a resident, complete and full nursing care is given for the remainder of the person's life. The care is excellent. A patient cannot be received directly into one of our resident Homes who is either in bed or on the borderline—not because we do not want to, but because we do not have the staff and equipment to care for patients in a resident home.

Step Number 2 is to mail application forms back to Mr. Poole. When these forms are returned, the applicant will be contacted and a visit arranged with Mr. Poole and with the Head Nurse in Winston-Salem. Mr. Poole reviews the ministry of our Homes with the applicant, and the Head Nurse reviews their medical history. If the applicant's health permits, the applicant is approved very shortly.

Step Number 3 is that the applicant is notified of approval, and if there is a vacancy in any one of our Baptist Homes, the applicant is received into the Home as a member of the family of our Baptist Homes and given tender loving care for the rest of life.

Step Number 4 is that, in the conversation with the applicant on their visit to Winston-Salem, financial arrangements are discussed, counsel is given concerning any assistance program that there is available and information is given on the love gifts from our Baptist churches which supplement the majority of our residents. Before arrival of the resident, a letter is written explaining in detail the financial arrangements. No one is ever excluded from a Baptist Home for lack of funds. In fact, the majority have little income of their own.

4. PROCEDURE FOR ADMISSION TO THE MATERNITY HOME.

Admissions:

Write to: Mr. Hugh Starnes, Broyhill Homes, Clyde, N. C. 28721 or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

Procedure: A professionally trained caseworker will call upon the girl and her parents to determine the needs of the particular case.

The average stay in the Home is 3½ months. Exceptions are made to this - both longer and shorter periods of time.

There is some cost involved. Some are able to cover the entire cost of their stay, others are not. Money is not the most important concern—the girl is.

State Maternity Home Funds are available through the Department of Social Services for every girl who uses the services of a maternity home. These funds are requested through the Department of Social Services.

The girls, if they are in school, have a special program whereby they are able to continue their studies while at the home. Grades are transferred through the Asheville school system without reference to the Maternity Home.

5. PROCEDURES FOR ADMISSION TO THE BAPTIST HOSPITAL, INC.

When a member of your church or a citizen of your community needs the ministry of North Carolina Baptist Hospital, the Hospital wants to serve. That is the reason for its existence, and its forty-nine years of service bear testimony to this.

The desire to serve must be balanced with sound business practice and financial stability if the ministry is to continue. In trying to maintain this balance the following procedure for admitting patients has been adopted:

a. The patient's local physician contacts one of Baptist Hospital's physicians or clinics to make appointment for medical referral. If you have a question about scheduling an appointment, telephone the Outpatient Department Appointment Section at (919) 727-5375.

b. If the Baptist Hospital physician considers it necessary or advisable to admit the patient to the hospital, he contacts the pre-admitting office and requests a bed. On the basis of the physician's diagnosis and prescribed treatment, the length and cost of hospitalization are estimated.

c. The pre-admitting office contacts the patient, or patient's family to obtain necessary data, including financial data. This information indicates patient's hospital insurance coverage, if any; personal resources; eligibility for third party sponsorship.

d. The patient is told the estimated hospital bill, how much is expected from insurance or sponsoring agency, and the "out-of-pocket" difference, if any for which he is responsible. This difference is due upon admission. (Exception to the pre-payment plan is made for emergency and continuing care patients.)

e. Patients who cannot pay are counselled about agency programs which are available, even though they may not consider themselves eligible for certification.

Our business office has trained and sympathetic financial counselors whose services are available to any patient who needs them and desires them. They are

familiar with various sources of financial aid, the qualifications for obtaining them, and the procedures to follow in making application. Almost any patient who will cooperate with them can find financial help with hospital expenses, if his need is genuine. Frequently, these counselors can help a patient obtain needed follow-up services, also.

6. LOANS FOR BAPTIST COLLEGE STUDENTS

Many of our Baptist Colleges make scholarships available to Baptist students. You should write directly to the college for information on these scholarships.

There is a fund available through which loans are made available to Baptist students whose residence is Virginia or North Carolina and the student is attending a Baptist College in Virginia. Write directly to the fund - The Charles B. Keesee Fund, Martinsville, Virginia for information and loan forms.

7. PASTORS LIBRARY SERVICES

JOHN LOUIS KESLER LIBRARY

A special service is offered to Rural Ministers. The John Louis Kesler Circulating Library makes available 50,000 volumes on a lending basis to ministers.

WHO MAY BORROW

Any minister of the South . . . irrespective of denominational affiliations, who signs the application card is eligible for this service. Annotated book lists are mailed regularly to all ministers who are active borrowers. This service is not available to students in colleges or seminaries. This service is expressly designed to benefit ministers who cannot find needed material in the local library.

HOW TO BORROW

Each borrower is asked to submit a list of several books he desires, arranged in order of his preference. He will be sent the first book (or books) available from the list. When these are returned others will be mailed.

Books may be kept for three weeks and are subject to one renewal upon request, if not in demand elsewhere. The only expense to the borrower is return postage. This is a nominal fee since the books are sent by library rate.

TO OBTAIN SERVICE

Those interested should write for further information and membership card to:

Kesler Circulating Library
Joint University Library Building
Nashville, Tennessee 37203

8. THE THERMAL BELT YOUTH SHELTER - POLICY AND PROCEDURES

The Thermal Belt Baptist Youth Shelter operation is made possible by the joint cooperation of the area Baptist Associations and the Baptist Children's Homes of North Carolina, Incorporated. The Green River, Polk, and Sandy Run Associations are responsible for the physical structure, furnishings, and upkeep

of the residence. The program is operated by the Baptist Children's Home of North Carolina, Incorporated, and is under the jurisdiction of the Board of Trustees elected by the North Carolina Baptist State Convention. The home is licensed annually by the North Carolina State Division of Social Services. The home is under the direction and supervision of the western area administrator.

PURPOSE

The Youth Shelter has been established to render temporary residential care on an emergency basis while a more permanent plan is being made. Youth from the ages of three to eighteen years can be served for a maximum of ninety days. Admissions will be made without regard to race, nationality, or religion. The home has a capacity to serve six children at any one time.

AREA SERVED

Services of the Thermal Belt Baptist Youth Shelter are available to residents within the state. However, to insure continued planning for every child, it is recommended that referrals come from within the immediate geographic area of the Shelter Home.

ADMISSIONS AND REFERRALS

The Baptist Youth Shelter will not assume legal custody for any child. Signed consent for admission of a child in the home must be given by the person or agency with placement authority whether the authority is the parent, a custodial agency, or another individual holding legal custody. Anyone who is aware of a child's need may refer a youth to the Baptist Youth Shelter.

Intake and admissions will be the responsibility of the social worker. Should this person be away from the home, the resident director will assume this responsibility.

EXCEPTION

A youth may admit himself and stay in the home not more than twenty-four (24) hours on a weekday or seventy-two (72) hours on a weekend, after which time the legal custodian must become involved in the placement or the youth must leave the home. When a youth admits himself, a call will be placed to the county sheriff or city police to notify them of his whereabouts.

The Baptist Youth Shelter cannot accept any youth who is so physically, mentally, or emotionally handicapped that he cannot function adequately in an openly structured group environment and attend public schools. In addition, no child who needs involuntary detention can be admitted.

COST OF CARE

Custodial agencies will pay $10 per day plus medical, dental, clothing and educational costs. (This fee is subject to inflationary increases.)

Individuals with legal custody will pay $10 per day per child, in addition to providing medical, dental, clothing, and educational expenses. In cases of financial hardship, a reasonable amount of support will be determined on an individual basis in accordance with the family's income. No child will be denied care because of the custodian's inability to pay.

PLANNING RESPONSIBILITIES

When custodial agencies have the authority to admit a child into the Baptist Youth Shelter, it is that agency's responsibility to continue services to the child and his family. The maximum length of care (90 days) should be recognized by the planning agency in order that the term of residence can be used as a planning time. This agency is responsible for making a workable plan for the child within this time period, such as his placement with his family, relatives, or other child-caring institutions. The custodial agency's social worker will be expected to maintain weekly contacts with the child and to hold planning conferences to review the Plan of Care with the Baptist Children's Homes' social worker, at least once every thirty (30) days. This conference will be in reference to goals for long-term care.

The individual or parent having legal custody of a child in the Baptist Youth Shelter will assume responsibility for planning for the child's long-term care after discharge. In addition to holding specified planning conferences at least every thirty (30) days to review the Plan of Care, the custodial person will agree to seek help in order to resolve a family crisis that caused the child to be placed at the Youth Shelter.

BEHAVIOR PROBLEMS

Should a resident in the home exhibit behavior problems that endangers the well-being of other children or himself, or if he seriously threatens the overall functioning of the Youth Shelter, the legal custodian will remove the child upon request of the staff.

MEDICAL SERVICES

A child who has no proof of a medical examination within six months will be required to have this done during the first week of his placement. The custodian will be responsible for arranging, securing, and bearing the expense of this physical. The staff at the Youth Shelter reserves the right to request current medical information if necessary. The placement person, or the legal custodian, is responsible for providing all medical attention for the child while he is in care. Emergency medical needs will be met by the Baptist Youth Shelter with the placement person being financially responsible for such services.

CLOTHING

Children coming into care should have a complete change of clothes provided by the admitting person or agency. This person is also responsible for providing additional clothing within forty-eight (48) hours.

THE 1979 MINUTES DEDICATED TO WILLIAM VAN CARROLL

William Van Carroll was born in Rowan County, N. C., on November 29, 1904. He grew up on a farm near High Rock on the banks of the Yadkin River. After grammer school, he attended Yadkin Mineral Springs Academy at Parmerville, N. C., and was graduated from high school work at the academy in 1924.

That fall, Van packed his new trunk and traveled by train to Wake Forest College, which was located at that time at Wake Forest, N. C. He was graduated from the college in 1928, and still has that sheep-skin diploma filed away.

For two years Van taught school in the Sedge Garden High School, Kernersville, N. C. It was at this time that he met a young blond girl at a church picnic. He observed how well she liked fried chicken and decided she would be a good prospect for a preacher's wife.

Van attended the Southern Baptist Theological Seminary in Louisville, Ky., where he received the Master of Theology degree in 1934. After graduation, he served as pastor to the Denton Baptist Church and Lick Creek Baptist Church. He was to serve these churches for three years, from 1934 until 1937.

During this period, he had been convincing the young blond school teacher that she would indeed make a helpful mate to a pastor. After a six year courtship, the couple believed they knew each other well enough to join hands in matrimony. It was Leap Year and the couple believed it was now or never. On Christmas eve, of 1936, the minister said, "I now pronounce you, Ina Stanley Hastings, and you, William Van Carroll, man and wife."

When the warm days came, Van and the church members took the young Methodist bride to the river. Previously she had only "gentle drops" of water "tenderly" sprinkled on her head. Now, Van led the "trembling" bride out into the "deep water" of the river and let her down "into the depths" of the water and brought her forth convinced that she was indeed Baptist from her "head to her toes."

In the summer of 1937, Van and his bride of a few months moved to Windsor, Va., where he had accepted the call to pastor the Windsor Baptist Church and the Western Branch Baptist Church. He ministered there seven and a half years. Accepting a call to the Berea Baptist Church and the Ramoth Gilead Baptist Church, the Carrolls moved to Elizabeth City, N. C.

Van was called in 1947 to begin an associational ministry in the Liberty Association, Lexington, N. C. The work was begun with the assistance of the Baptist State Convention. He was to serve this association for the next ten years.

Accepting a call to the Sandy Run Baptist Association in 1957, the Carrolls now moved to the "City Beautiful," Forest City, N. C. Here he was to spend the remainder of his active pastorate ministering to the Sandy Run associational churches. After seventeen years, he retired in 1974.

During his twenty-seven years of ministry as an associational worker, he experienced a growth and development of this ministry that is best illustrated in the name changes used to designate his position. In 1947, he was known as the Associational Missionary and basically he did all the work. In 1960, the title was changed to Superintendent of Missions, indicating the expansion of work that required him to become a supervisor of other workers. A title change in 1970 again illustrated the change that had quietly taken place in associational missions ministry. Now, the title is Director of Missions, who must rely on program and committee chairmen to carry out much of the ministry, while the DOM directs the overall program. It was during this period of time, under Van's direction, that the work of the association grew and expanded.

The Van Carrolls are blessed with two sons, two grandsons and a granddaughter. These, along with a host of friends, make their retirement days in Forest City happy ones.

HISTORIES OF THE HOST CHURCHES

SANDY RUN

Sandy Run Baptist Church, located in the Mooresboro community of Cleveland County, was organized in 1772, as a result of the mission activity of two ministers from the Sandy Creek Association. Written records are not available before 1782, but indications are that the church met in homes until the first building was built in 1804, due to the sparsely settled community.

The church was a member of the Bethel Association. Tradition indicates that the Broad River Association was organized at the Sandy Run Church. At the annual conference of the Broad River Association in 1816, Luther Rice preached on foreign missions a sermon that, "gave general satisfaction and secured a public collection."

The Sandy Run Church has a history of long pastorates. Reverend Drury Dobbins served as pastor from 1803 until his death in 1847. Reverend W. Gaston Camp served as "part time" pastor from February, 1937, until 1953 when he became the first full time pastor. He served the church until his retirement in 1957. The Reverend Charles P. Ginn succeeded Reverend Camp in 1958, and served until 1967. From 1968 until 1976, the church was ministered to by the Reverend Lewis T. Lankford. The present pastor, Reverend W. C. Hill, began his ministry in November of 1976.

The Sandy Run Church is considered the "Mother Church" of the Sandy Run Association. At the formation meeting of the association held in November, 1890, "after quite a number of names had been offered as appropriate, it was decided by a rising vote that it should be called, 'the Sandy Run Baptist Association.' "

Formed as a result of direct mission action, the church has retained over the years its enthusiam for missions. Some fifty churches were founded as a result of earlier endeavors. The present mission effort has been personalized by the church's direct support to one missionary to Argentina, Miss Frances Roberts, through the Foreign Mission Board.

MT. HARMONY

The Mount Harmony Baptist Church of Rutherford County, located in the Sunshine community, was organized October 16, 1860. The meeting was held in a school house on the present church grounds. Land for the church was given by Henry A. Toney in February, 1879. A Sunday School was organized in March, 1887.

Mount Harmony members worshipped in the same building, with improvements, additions, and minor changes over the years. On March 31, 1968, the congregation voted to build a new sanctuary and educational plant. In late April, a ground breaking ceremony was held. The new building was completed on October 5, 1968.

Mount Harmony offers well-balanced Church Training and Missions programs, along with the Bible study of the Sunday School organization. Worship services are held regularly twice each Sunday, and on Wednesday nights. Choir rehearsals are also held on Wednesday evening.

The first pastorium was built in the fall of 1936. The present pastorium, a lovely three bedroom home with full basement, was built in July, 1973.

The church has had twenty pastors over the years. The present pastor is E. Ray Scism, who assumed his duties in April, 1979.

Motion was made and seconded to adopt the program. Motion passed.

7. The new pastors and church staff in the association present at this session were recognized. Pastors: the Reverend Glenn R. Walker, Prospect; the Reverend E. Ray Scism, Mount Harmony; the Reverend G. Daniel Straw, Florence; the Reverend Ed White, Harris First; the Reverend Owen Duncan, Race Path; the Reverend Claude C. White, Harmon Street. Church Staff: the Reverend Danny Alsup, associate pastor, Trinity; the Reverend Charles Cabaniss, minister of education, Race Path. The new pastors and church staff personnel were personally welcomed on behalf of the association by the Reverend W. Melvin Owens, Vice Moderator.

8. The Moderator, Dr. Charles F. Cobb, recognized representatives of the agencies and institutions of the Convention.

A. Reverend Jim Sauls of Winston-Salem represented the North Carolina Baptist Homes. He spoke of the newly completed home in Asheville. The churches were invited to visit their Baptist Homes and to know what we have.

B. Dr. Vann Murrell of Gardner-Webb College represented the Baptist Colleges, urging the churches to reach out in Bold Missions; to support their Baptist colleges. He encouraged the churches to send their Baptist young people to the Baptist schools.

C. Reverend Claude Simpson, Associational Representative for the Annuity Board, reported increased coverage by several churches over

the past two years, and that a number of other churches in the association need to look into this program. The churches were called upon to provide for the retirement of their pastors and staff.

9. First Business Session:
   A. Resolutions Committee: The Director of Missions, Reverend Otis J. Wheelhouse, Jr., speaking for the committee, referred to the procedures for making resolutions, as presented in the Advance Book of Reports.
   B. Nominating Committee: Miss Doris McEntire, Chairman, presented the nominations. The following names were added to the original list: Dr. Wayne H. Blackwood, Gardner-Webb Special Committee; the Reverend Carl Street, Brotherhood Director; Mr. Hubert Jenkins, Properties Committee. Motion was made and seconded for the acceptance of these people. Motion passed.
   C. Finance Committee: Reverend Melvin Owens, Chairman, called attention to the financial report. He then presented the proposed budget and explained the process followed in drawing up this budget. The proposed budget was approved by the Finance Committee, prepresented to the Executive Committee in a joint meeting and then presented to the Executive Board. The messengers were requested to study this budget and in the next session they would be given an opportunity to discuss and vote on the budget. Reverend Owens reminded the messengers that the churches' giving as an association represented about 1% of the total church offerings. This is the percentage given for last year. A 2% goal for associational giving is not asking too much. If our gifts reached 2%, the amount would be in excess of $60,000; if we could reach the goal of 3%, our gifts would be in excess of $90,000. Some churches have already reached a goal of 2% and a few, 3%. Inflation is hitting from every angle. Reverend Owens stated the salary increase for the Director of Missions is 7%. A change in the salary rate and numbers of hours worked was represented in the increase for the Secretary-Treasurer. The messengers were requested to study the budget and be ready to speak to it at the following session.
   D. Program-Registration Committee: Dr. Ernest Arnold reported that 253 messengers and 71 visitors had registered for the first session.
   E. Committee Reports: The Reverend Paul T. Brock, Program-Registration Committee, presented the Advance Book of Reports. He indicated that this was a good book of reports and that this is an example of a part of you association's work. He moved that the Committee reports in the Advance Book of Reports be adopted as the reports from the committees. Motion passed.
   F. Miscellaneous Business:
      1. Director of Missions, Reverend Otis Wheelhouse, representing the Dedication Committee, recommended that the printed minutes be dedicated to the former Director of Missions, the Reverend W. Van Carroll, and that his picture be printed in the book. This recommendation was moved and seconded. Reverend Carroll spoke to this

and indicated that the 1971 Minutes were dedicated to him. The messengers decided to dedicate the minutes to him again and gave Reverend Carroll a standing ovation. Reverend Carroll thanked the group for their kindness.

2. Moderator Cobb announced that Reverend Marvin Simpson, a former pastor in the association, had passed away last evening. He led the messengers in a moment of silence for Reverend Simpson.
3. Some messengers still had registration cards. The Program-Registration Committee collected the cards.
4. Reverend Boyce Gregory requested a report on the status of a new associational building. Director of Missions, Reverend Otis Wheelhouse, responded that there has been contact with the architectural department in Nashville and that some general drawings have been received. The new Properties Committee will be directed to work on the building situation.
5. Reverend A. B. Bumgarner proposed that this body respond to Reverend Simpson's death by sending some card or message of sympathy and condolance to Mrs. Simpson. This proposal was adopted and the clerk was directed to send such a message.

10. The hymn, "Set My Soul Afire" was sung by the congregation.

11. The Reverend W. Melvin Owens introduced Dr. Charles F. Cobb, Moderator of the association, for the Moderator's address.

12. Moderator's Address: Dr. Charles F. Cobb, Moderator, using Matt. 16:13-18 as his text, stressed the necessity of the church searching out her purpose in the New Testament and practicing those things that will lead the church in becoming successful from a New Testament sense of success. Most Christians outwardly seem to regard the church as being irrelevent. There are two things that we must do if we are to be a growing church. We must learn to worship and to have fellowship.

13. Installation of Program Officers: Reverend Otis Wheelhouse introduced the program officers: Miss Sarah Perry, W. M. U. Director; Reverend Carl Street, Brotherhood Director; Reverend Robert Campbell, Sunday School Director, Reverend Ray Scism, Church Training Director; Reverend Ronald McSwain, Deacon Training.

14. Program Challenges:

A. Miss Sarah Perry, W. M. U. Director, gave the W. M. U. watchword. A laborer is a worker. We don't do this task alone. We cannot go effectively in our own strength. We must go with God. She read 2 Tim. 1:6-7. We have gifts that ought to be used. The time of the W. M. U. presentation was divided among some of the W. M. U. workers. They mentioned some of the mission action that has taken place.
   1. Mrs. Clyde Buckner spoke of her experience with the youth from First Baptist Church on a choir trip.
   2. Mrs. Barbara Connell and Mrs. Evelyn Norville spoke of one of their experiences: "In July, a group of people from the Caroleen Baptist Church and one person from Spencer Baptist Church went

to a mission field and held a Bible School for black children. We knew God was behind our efforts when our attendance went from 50 on Monday to over 100 the rest of the week. Most of the children didn't attend church and didn't know of God's love for them. That wasn't surprising on a mission field, but our mission field was only seven miles from my home — people who need our love and our concern. We went to the New Bethel Independent Church in Forest City. They had never had a Bible School and didn't know how to start one. The most important point we tried to get across to the children was that we love them and that God does, too."

B. Reverend Robert Campbell, Sunday School Director, spoke of the organization of the Sunday School Support Team. Poorly equipped Christians are our outstanding problem. The challenge is to develop Christians. We must learn and use the proper techniques of teaching.

15. Message of the evening:

A. The Reverend Claude Simpson introduced our special guest speaker, Reverend Sam O'Neal, Director of Retirement Planning, Department of Business Management, North Carolina State Baptist Convention, Raleigh, N. C.

B. Special music was by the Cliffside Baptist Church choir under the direction of Mrs. Peggy Hamrick. Selections presented were: "I Believe He Died For Me" and "For God So Loved The World." Mrs. Mary Frances Moore accompanied at the piano.

C. The Reverend Sam O'Neal stated that there are eighty associations in North Carolina and he wished he had a Claude Simpson in each of the other 79. Claude is doing an excellent work in the area of annuity information. The text for his message was 2 Cor. 8:1-5; 1 Cor. 3:9-10. We are called upon to have a committed life style. This must grip your lives, your church, association, all Southern Baptists. We stand on the brink of our greatest day of advance or it can be our greatest fall. If Southern Baptist do not accept the challenge which I believe God has given, I am praying to God that He will give it to someone who will. Do we take Bold Missions seriously? If we are going to move in the direction of boldness, we are going to have to stop "doing business as usual." The committed life style requires a personal commitment with God and as a church family, commitment with each other. This world is either going to be brotherized or brutlized. The committed life style comes down to each individual's commitment. It comes right down to your commitment. God honors commitment.

16. The Reverend A. B. Bumgarner led in the closing prayer.

17. Dr. Charles Cobb adjourned the meeting to meet with Mount Harmony Baptist Church, Bostic, the following evening.

SECOND SESSION

18. The Second Session opened at 6:45 p. m. at the Mount Harmony Baptist Church, Bostic, N. C., with the registration of messengers and guests.

19. The annual session was called to order by the Moderator.

20. The congregation was led in the singing of, "I Will Sing The Wondrous Story," by Mr. Horace Billingsley, song leader for the association.

21. The Reverend E. Ray Scism, pastor of Mount Harmony Church, welcomed the annual session to Mount Harmony.

22. A devotional thought was given by the Reverend John H. Clark, Jr., pastor of Piney Mountain Baptist Church. His scriptures were 1 Cor. 1:10, Matt. 25:34f, James 1:22. He then led in prayer.

23. The Reverend Eugene Passmore, Campfield Memorial, new pastor in the association present at this session, was personally welcomed on behalf of the association by the Reverend W. Melvin Owens, Vice Moderator.

24. The Moderator, Dr. Charles F. Cobb, recognized representatives of the agencies and institutions of the Convention.

A. The Reverend Clyde Morris spoke on behalf of the Children's Homes. Children have not changed; they still respond to Christian love and discipline. The work of the Thermal Belt Baptist Youth Shelter in Forest City was mentioned. New procedures are being started utilizing a family service center approach. One has been established at the Pembrook Home for the eight-county region. Another nine are to be established across the state.

B. Mrs.Katy Grayson Dixon, representing the Biblical Recorder, brought greetings from Morse Grant and reported on the Recorder.

C. Reverend Claude Simpson, associational representative for the Annuity Board reported that many of our churches that are providing annuity protection are doing so at the minimum of $33.34 a month. This compares to a wage of 35¢ an hour. We must strive toward protection on at least a 10% of compensation basis.

25. Moderator Cobb had the people stand and stretch.

26. Second Business Session:

A. Finance Committee: The proposed budget for 1979-80 which had been presented the previous evening, was moved for adoption and seconded. There was no discussion and no questions. Reverend Owens stated, "Your silence indicates you are familiar with the proposals." The question was called for and the budget was adopted by a standing vote.

B. Place and Preacher Committee: The Reverend William A. Stroud, Chairman, reported that for its next annual session, the association would meet the first day with the Mount Pleasant (C) Baptist Church and on the second day with the Holly Springs Baptist Church. The preacher for the annual sermon would be the Reverend A. Graham Brooks, and the alternate would be the Reverend James L. Yelton.

C. Resolutions Committee: The Reverend W. Vann Carroll, Chairman, presented the following resolution:

WHEREAS the good Lord has so wonderfully loved and blessed us through another year; and

WHEREAS we have been blessed with the privilege of holding the Ninetieth Annual Session of our association with the Sandy Run and

Mount Harmony churches; and
WHEREAS we have had an excellent program;
NOW, THEREFORE, BE IT RESOLVED:

1. that we express gratitude down deep in our hearts to our great and wonderful God;
2. that we heartily thank our host churches for their gracious welcome and for the privilege of meeting with them;
3. that we genuinely thank our program committee for the excellent program;
4. that we express our great gratitude to all our associational officers for giving so much time to the work for us, including our moderator, vice moderator, and special thanks to our director of missions and our secretary-clerk; and
5. that we express our great appreciation to those who have appeared on our program, expecially our moderator for his timely message to our churches; Reverend Sam O'Neal of our State Convention for his challenging message; Reverend Otis Wheelhouse, our director of missions for his fine message; and Reverend Ad Hopper for his stiring and challenging message; and the Cliffside and Floyd's Creek church choirs for their inspiring contribution of music; also, that we sincerely and heartily thank those from our agencies and institutions for their fine contribution to our program and work.

Respectfully submitted,
Reverend W. Vann Carroll,
Chairman

The resolution was moved for adoption, seconded and approved.

D. Registration Committee: Reverend Paul T. Brock reported that 198 messengers and 63 visitors had registered.
E. The Reverend Otis Wheelhouse, representing the Nominating Committee, presented nominations for Moderator and Vice Moderator.
   1. The Reverend Melvin Owens was nominated and seconded as Moderator. No further nominations were received from the floor. Reverend Owens was elected by acclamation.
   2. The Reverend Robert Toney was nominated and seconded as Vice Moderator. No further nominations were received from the floor. Reverend Toney was elected by acclamation.
F. Miscellaneous Business:
   1. It was brought to the attention of the group that on the previous evening during the nomination of the Brotherhood Director, the name of Reverend Charles Street was inadvertently read. This was corrected to be Reverend Carl Street.
   2. Mr. Rob Hefner, Minister of Education at Cliffside Church, and Associational Preschool Worker, who would be leaving the

association for seminary, was recognized for his work with the association.

3. The outgoing Moderator, Dr. Charles Cobb, was presented a plaque for his fine work as Moderator.
4. The Clerk reported that a mail-o-gram had been sent to Mrs. Marvin Simpson expressing the sympathy of the messengers. Dr. Cobb read the message to the group.

27. Memorial Service: The Reverend Charles Moss led the Annual Memorial Service for the deceased members of our Association during the past year, using the text 2 Tim. 4:5-8. We are saddened but we should rejoice. These saints now wear crowns. (Rev. 14:13). These saints are happy and secure in the arms of Jesus tonight. They rest from their labors, but their influence lives on behind them — saints fully redeemed. Reverend Moss directed the prayer — pray, giving thanks for their salvation; pray, giving thanks for their influence; pray, giving thanks for their having passed our way.

28. Mr. Horace Billingsley led the congregational hymn, "Praise Him, Praise Him."

29. Director of Missions Address: Dr. Charles Cobb introduced the Director of Missions, the Reverend Otis J. Wheelhouse, Jr. Reverend Wheelhouse used as his text, John 15:5-17 and 1 Cor. 9:16-22. In our efforts to reach our community with the Bold Message of the Gospel, we must present a unified front. Our churches must catch the vision of missions. Missions is the very heart beat of the church. In this year of Bold Outreach, we must come alive in the area of missions. We must accept new and daring methods to reach a disinterested society. We must train; we must reorganize; we must plan; we must commit ourselves; we must seek God's power and strength — so that as Paul, we may be made all things to all men that we may be all means save some.

30. Program Challenges:

A. Reverend Carl Street, Brotherhood Director, announced the upcoming Men and Boys Rally. He urged each church to elect a Director of Brotherhood and W. M. U. We must get materials into the hands of the people. We must teach the people. We must teach the men and boys to be mission-minded.

B. Reverend E. Ray Scism, Church Training Director, stated that Church Training is the very life-line of church membership. He announced the upcoming "M" Night. The year 1980 presents a real challenge for Church Training work. Twenty churches in our association do not have a Church Training program. This represents 4,500 members who could not enroll in Church Training even if they so desired. Many are not taking the opportunity of the training that Church Training provides. Training for church membership — this is our task. Reverend Scism quoted 2 Tim. 2:15. We are challenged in Bold Mission Thrust. The fields are white unto harvest. The second challenge is to equip ourselves with the word of truth. This is the task of teaching and training church members. Let's try for a church training program in every church in our association. Enroll everyone of our members if we can.

31. Dr. Cobb had every one to stand for a stretch break.

32. The Annual Sermon:

A. Mr. Jerry Carter, Chairman of Deacons at Corinth Baptist Church, introduced the speaker, the Reverend I. Ad Hopper, pastor of Corinth Church.

B. Special music was by the Floyd's Creek Baptist Church choir under the direction of Mr. J. W. Costner, III, music director of Floyd's Creek Church, accompanied by Mrs. Janice Morrow, organist, and Mrs. Jolayne Towery, pianist. The selections presented were, "Sweetest Name I Know" and "Something Worth Living For."

C. The Reverend Ad Hopper led in prayer and read the scripture. His text was Matt. 18:18-20. God's word teaches us that we must become dependent on him. We have a tremendous experience if there is involvement with Jesus. As individuals, we need to come to a point where we need to stop and see if we are truly in agreement with God — in agreement with what God has planned for us. The greatest revelation for an individual is to know that God has him in the place where God wants him to be. It is of great value that we know that where we stand, we are in the right place. We need to know that what we are doing is what God would have us to do. Being in the right place — being there with Christ — in daily living — knowing that Christ is with us always. How joyous it is to be in relationship with Him. We have forgotten the joy of the life that thrives on Christ. You read the 3rd chapter of 1 Cor. and build on that formula. We must never forget that the living presence of Christ is the bond of togetherness.

33. Reverend Otis Wheelhouse asked the churches to elect a historian. We are nearing the 100th anniversary of the association. The churches were urged to write their histories or to update their present histories.

34. Dr. Charles Cobb relinquished the Chair to the newly elected Moderator, Reverend Melvin Owens.

35. There being no further business and the program having ended, the meeting was adjourned. The Reverend Van Carroll dismissed with prayer.

CHURCH TRAINING

Christian training relates to a sense of mission. This mission is to help each church bring her members to a maturity in Jesus Christ: every plan, product, activity and periodical is designed to assist churches in growing quality disciples.

Since we are never completely trained, or become fully mature in Christ in this life, the church has a Biblical mandate to continue to equip every church member for the work of the ministry. Your Associational Church Training program seeks to be of help to each of our churches in training her members to become Christian disciples.

The 1978-79 Associational Church Training year began with "M" Night on November 28, 1978, with the Glenwood Church as host. The attendance was 288 persons representing 29 churches. The Fairview Church won the attendance banner.

Training was offered in seven areas of church committee work: Nominating, Finance, Ushers, Property, Pastor Search, Constitution and the Church Council. Conferences were held with the Church Training directors.

The training program for this coming year will include a general age-group leadership conference, a conference on using Equipping Centers, and special training for the Church Training Directors.

A new dimension in Church Training was introduced this year known as Equipping Centers. Equipping Centers offer module training units under six different study areas: Evangelism and Missions, Family Life, Christian Doctrine, Leadership, Church and Community, and Christian Growth. Sixteen modules are now ready for short term (6-12 sessions) training.

Let your Associational Church Training Department help strengthen your Church Training program this coming year. We desire to help you.

BROTHERHOOD

Southern Baptists exist in a day in which we are questioned about what we believe and where we stand concerning the "Teachings of Jesus." The Brotherhood can show, not argue, what we as Southern Baptist believe--leading people to Jesus. The job of the Brotherhood is to train Southern Baptist men and boys in missions. The Brotherhood believes this is to be done by teaching about missions all over the world and involving people in missions. The "Great Commission" is being, as well as can be, fulfilled through the Brotherhood Program.

This year, materials have been reworked and written to challenge men and boys to be "Bold Witnessess." It is the hope of your Associational leaders to better train your men and boys, as well as involving them in "Bold Witnessing."

In visiting a few of the church Brotherhoods in our association, I found that we have people who want to fulfill the Great Commission. Let us help you to train them to do so. Get involved this coming year. Attend the training sessions that will be available to you. Be Southern Baptist by doing what Southern Baptist are known for-- winning people to Jesus.

David Blizzard, Director

EVANGELISM COMMITTEE

The 33rd Statewide Evangelism Conference was held at the Cumberland County Memorial Auditorium, Fayetteville, North Carolina, during February 5-6, 1979. Over 2,500 pastors and lay persons were challenged by evangelistic preachers to involve church members more in direct witnessing for Christ to the unsaved.

The 1979 Associational "E" Night was held at the Calvary Church on April 10. In keeping with the Easter season, eight of our pastors and the Director of Missions expounded on the last words of Christ spoken from the Cross. The favorable response to this has resulted in the plans for another Easter Week service which has been scheduled for April 1, 1980.

The State Division of Evangelism now has the TELL set and training cartridges to train small groups in direct witnessing. There will be a renewed emphasis on Lay Evangelism Schools with the use of new materials and TELL witness training.

As we continue the Convention-wide theme, "Bold Evangelism Through the Local Church," we as individual churches are challenged from a state level to double baptisms by 1982, or sooner. In working toward this goal, many churches are now involved in Bold Revival Planning Clinics. The Revival Planbook for the Local Church, Counseling Guide, and the Follow-Up Manual for New Christians are available to help pastors and church leaders to plan for a more effective revival effort resulting in the ultimate goal of increased direct witnessing.

To help our churches become "BOLD IN EVANGELISM" the Associational Evangelism Committee is sponsoring a Revival Workshop on November 19, 1979, at Corinth Church.

Additional plans are being finalized and will be worked into the Associational calendar at a later date.

Respectfully submitted,
Ad Hopper, Chairman

SUNDAY SCHOOL

Sunday School is and always has been the evangelistic arm of the church. The major emphasis for this coming year's work in the Sunday School will center on Reaching and Teaching People. The Associational Sunday School Support (Assist) Team stands ready to help your church in training and leading in the Sunday School program of your church.

The Associational Sunday School Rally, originally scheduled for September 1978 and postponed, was held in February of 1979, at the Adaville Church with Goode's Creek Church winning the attendance banner. A second rally (back on schedule) was held at the Shiloh Church in September, 1979, with the Wilson Church winning the banner.

The Sunday School Vacation Bible School team attended the state VBS Clinic at Ridgecrest. The team then held a Preview Clinic at the Bostic First Church, and the VBS Clinic was later held at Trinity Church.

The Sunday School participated in the Key Leadership Training at Ridgecrest. A Key Leadership Conference was held at Bethel Church, August 6. A Sunday School Leadership Workshop was held at Forest City First Church in September. The "Reaching People" books were taught on each age level. A second training school was held at Bethel Church in September, with the "Teaching" books being taugh.

The Sunday School Director and the Director of Missions attended the Associational Training Class of the Small Sunday School Week at Ridgecrest this summer.

Plans are being made for the new Associational year. The new "Assist" team will play an important part in the Sunday School work this year. The team will be leading in the areas of Pastor-Director, Teacher Improvement and Administration and Outreach.

BOLD REACHING AND TEACHING take place when the Sunday School leaders and officers of our Association are prepared to do their work. The Bible urges us to "Study to show ourselves approved." The Director and "Assist" Team look forward to helping your church study and grow in the Christian faith.

ANNUITY BOARD

The year 1978 was "banner year" and a year of challenge for the Annuity Board in the servicing of churches and agencies of the Southern Baptist Convention, according to Dr. Darold H. Morgan, president. Among the challenges he listed were extremes of market variations, staggering pressures of escalating costs, changes in personnel and organization, and the eroding presence of governmental regulations. The "banner"side highlights included:

1. A "13th Check" equalling an additional full month's benefit and amounting to $1,036,914 was mailed to almost 10,000 annuitants in Board retirement programs.
2. A total of $25,558,637 was paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs topped $13 million.
3. An Endownment Department, designed to seek funds for undergirding protection programs, was established. A goal of $25 million by 1988 was set.
4. New churches in the retirement program numbered 630, a record enrollment. New pastors and church employees totaled 2,545, with 3,721 members upgraded programs.
5. Participants in the new Southern Baptist Retirement Program grew to 6,066. Family Benefit Section (Plan A) counted 23,986 members, and Age Security Section (Plan B) recorded a marked increase from 33,062 in 1977 to 44,324. Variable Benefit Section (Plan C) membership declined from 4,885 to 4,217.
6. Premium income reached $51,797,996 (includes relief). Total assets climbed to $569,734,471, compared with $498,977,661 a year earlier.

In North Carolina, as of March 31, 1979, 2,953 staff members of 2,290 churches and associations are participating in the Southern Baptist Retirement Program. The Sandy Run Association has 51 churches and 61 staff members participating in the retirement program.

Each church should plan to provide for their pastor an adequate income for his retirement years. A workable goal would be for his retirement benefit to be 10% of his annual compensation.

In the past two years, more than thirty of our churches have increased their benefits from 4% to 10%. Hopefully, we will see all our pastors and church staff at the 10% level in the near future.

Claude Simpson, Annuity Representative

MISSIONS COMMITTEE

This committee is charged with the planning of activities that will help to meet the mission needs in this geographic area. The Committee is also charged with the enforcement of Article III of the Constitution.

This year has been one of survey planning and considering avenues of service. The coming year will see a more active effort on the part of this committee.

Boyce Gregory, Chairman

WOMAN'S MISSIONARY UNION

The Woman's Missionary Union has been active through the year for 1978-79 was observed as Baptist Women's Year in the church. The year-long emphasis of "Teach Missions: To Live--To Give," gave impetus and direction to our efforts to reach women and girls in opportunities of missions, inspiration and information.

The Leadership Conference, held at Florence Church was well attended. It gave training for church responsibilities and guidance for our participation in Bold Mission Thrust.

The WMU supported the World Missions Conference held in 32 churches of our Association October 29-November 5, 1978, and the Baptist Women's World Day of Prayer that was observed on November 6, 1978, at the Floyd's Creek Church. Many of our WMU members attended and participated in our State WMU Convention in Raleigh, N.C., March 16-17, 1979. A Baptist Women's Conference was held April 9, 1979, at Spencer Church with the Religious Drama Group from Gardner-Webb College leading the conference.

The WMU Annual Session, held at Glenwood Church, on April 24, 1979, brought an emphasis on Witnessing in North Carolina, as Dr. Cecil Ray, General Secretary-Treasurer of the North Carolina Baptist State Convention, was the speaker. Also featured on the program was Mrs. Evelyn Moss, missionary to Nairobi, Kenya. She brought a very inspirational message, "Witness: To the Ends of the Earth."

Acteens from the Caroleen Church helped conduct a Vacation Bible School at the New Bethel Independent Church, Forest City, and held a Backyard Bible School in Coopertown.

In cooperation with the denominational emphasis on Bold Missions, a Key Leadership Conference was held at Bethel Church on August 6, 1979. There were 35 WMU directors present for this conference. WMU participated in presenting "World Hunger Day" in many of our churches.

The Sandy Run Association was well represented in a study at the WMU Week held at the Ridgecrest Conference Center. This will help to lay a firm foundation for continuing missions emphasis in our churches.

RECREATION COMMITTEE

This past year was very busy. The Committee functioned in the area of softball. Six meetings with church representatives were held in organizing the four leagues. The Committee was called together on three separate occasions and polled twice in handling protests.

The Men's League fielded four divisions comprising 24 teams. The Women's League had two divisions with a total of 22 teams. Youth I had nine teams and Youth II had five teams. The Softball League fielded 60 teams in all age groups. This meant that more than 600 persons actively participated in the softball league. The Committee felt that this was again a good season.

A special "thank-you" goes to the Committee members who so ably assisted me this year: Mrs. Debbie Toney, Mr. Herman Haynes and Mr. Tommy Tate.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Council of Christian Life and Public Affairs is made up of twenty persons selected by the Convention. Eight come from the General Board, while the remaining twelve are elected at-large. These persons give overall leadership to the Council's staff.

There have been two changes in the staff. W. Douglas Cole has recently been named Director of the Division of Christian Life and Public Affairs. Earlier in the year Ted W. Williams was named Director of the Department of Aging.

The Christian Life Council has been concerned with a number of moral issues during 1979. The status and health of the family is of great importance. In an effort to strengthen family relationships, the Council has been involved in marriage enrichment retreats and associational family life conferences. In addition, a marriage enrichment retreat was held for ministers and their spouses. A family life poster has been printed and is being made available to churches.

More than seven hundred North Carolina Baptists participated in the newly-formed Legislative Information Network. Members of the Network received a guidebook containing relevant information on the North Carolina General Assembly. In addition, a regular newsletter was mailed to all participants, keeping them informed on a wide variety of legislative issues of interest to Christians.

Work by the Department of Aging was begun this year. Under the leadership of Ted Williams, the Council has sponsored a Senior Adult Conference and a Senior Adult Retreat. Efforts are being made to designate a senior adult coordinator in many churches and associations. As the number of senior adults in our society grows, it will be increasingly important for us to find creative ways to minister with senior adults and to help them to deal with the problems of growing old.

The plight of millions of hungry and starving people around the world has continued to hold the attention of Baptists. A packet of materials was prepared by the Christian Life Council to aid churches in the observance of World Hunger Day in August. Many churches have participated, through special services, offerings, study groups and other means, in helping hungry people around the world. Many more need to become active in feeding some of Jesus' brothers and sisters, in His name.

Applying the radical teaching of our Lord to our day-by-day lives is not easy. Jesus said that in order for His followers to come after Him, they must first take up their crosses. The task of the Council on Christian Life and Public Affairs is to help North Carolina Baptist to live life as Christ would have us to live it.

Respectfully submitted,
Charles Dickens, Representative

BIBLICAL RECORDER

In its 146th year of serving North Carolina Baptist, the Recorder, like old man river, keeps rolling along. The Recorder faced the same problems as everyone did in the past year — price increases in every phase of its operations. The cost of postage continues to go up at a rate of more than 30 percent a year. This means the Recorder is costing four times as much to mail as it did five years ago.

Paper and printing also have gone up, but despite these increases, the Recorder still is about the most reasonable publication available. By keeping the staff small and cutting corners wherever possible, the Recorder can still go into every home in a church for only 7½¢ a week. In today's inflationary world, where else can a person receive so much for so little money? You would pay twice that much for postage on a first class letter.

This has been a newsworthy year and the Recorder has tried to keep you informed. Wake Forest University and its relationship to the Baptist State Convention continues to be in the news and you can depend on the Recorder to strive for fairness and responsible coverage. Action will be taken at the State Convention in November on a proposal that has been worked out by a special committee.

The Southern Baptist Convention in Houston was another important story this year and as always, the Recorder was there.

Even though the Recorder takes pride in its coverage of denominational news and events, it devotes more space to the local church than any other state paper in the Southern Baptist Convention. The Recorder believes in the local church as the foundation stone of what we are trying to do together as Southern Baptists. Strong churches result in a strong denomination.

The editor is completing 20 years and is still striving to make the Recorder better each week. Your support of the Recorder will not only mean much to it but will make you a stronger and better informed Christian. If you and your church do not receive the Recorder, please take steps immediately to see that this is done.

Respectfully submitted,
J. Marse Grant, Editor, BIBLICAL RECORDER

PASTOR-CHURCH RELATIONS COMMITTEE

The very nature of the work of this committee and the constitutional guidelines for its function restricts and limits the material that may be published in the annual minutes.

The Committee was called upon once formally and three times informally in the past year. The Director of Missions was called upon numerous times in an informal capacity.

It is the desire of this Committee that services be used by our churches whenever a crisis situation seems to be developing. The sooner the Committee is called upon the better, usually, for all parties concerned.

The Committee requests the Association to be much in prayer for our churches.

Otis J. Wheelhouse, Jr., Chairman

FOR WORLD MISSIONS

NORTH CAROLINA BAPTIST FOUNDATION

"Moreover it is required in stewards, that a man be found faithful."
I Corinthians 4:2

Since January 1, 1979, the Foundation staff with assistance from Reverend James B. McQuere, retired Director of Missions of the South Fork Baptist Association, has made an intensive effort through conferences over the state to familiarize as many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministries through the denomination have been directed through the Foundation as trustee. These services are available from the trained staff and their professional support (accounting and legal services) employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activities.

The Foundation has been actively engaged in assisting individuals in not only having their wills drafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice(s) of Baptist missions work and/or institution. This method of giving provides the satisfying knowledge of being a faithful steward in utilizing resources more completely for the Lord's ministries, as well as taking advantage of the laws of our land in reducing taxation on resources — both income and estates.

A personal and private appointment with a Foundation staff member can be arranged either through your pastor, associational Director of Missions, or by writing or calling the Foundation office. The address is: P. O. Box 26508, Raleigh, N. C. 27611.

ORDINATION COMMITTEE

The Ordination Committee is a service committee to our churches. When requested, the committee will convene the Ordination Council composed of the pastors, staff members and ordained deacons of the churches, to examine prospective candidates for the pastorate and deaconate.

The Ordination Committee was requested to convene the Associational Ordination Council twice this past church year.

The Florence Church requested the examination of Kenneth Wright for the Gospel Ministry and Glenwood Church requested the examination of Robert E.

Philbeck for the Gospel Ministry. Both candidates were approved by the Council and ordination recommended to the churches.

Joe Richards, Chairman

CHRISTIAN HIGHER EDUCATION

When North Carolina Baptist call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15% of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senior class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class; and churches all across the state answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest/Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian higher education for almost 150 years.

Respectfully submitted,
Council on Christian Higher Education

PROGRAM — REGISTRATION COMMITTEE

The Program Committee's efforts are reflected in the program of the annual session. A copy of the program is found in the proceedings for the annual session printed elsewhere in these minutes. The response to last year's meeting encouraged this committee to follow the previous year's scheduling of having the meeting in two evening sessions. Again, the program has been streamlined to fit into this time frame.

We are pleased to have as our major speaker of this session the Reverend Sam O'Neal, representing the North Carolina Baptist State Convention. In addition to this thirty-minute address, an additional thirty minutes has been allotted for institutional reports.

Reactions to this year's meeting will be used as a basis in planning next year's program.

Respectfully submitted,
W. A. Stroud, Chairman

BAPTIST HOSPITAL

During the past year, a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and some cardiac problems.

A new six-bed burn unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This fully automated analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplains ministers to families during three critical periods: when a child has received a recent diagnosis of cancer, when a child is terminally ill, when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. They also provide a pastoral ministry to patients, their families and to staff members; provide more than 15,000 hours of personal counselling annually; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world. Ministries of the Pastoral Care

department are made accessible to people across the state through satellites in Fayetteville, Raleigh, Morganton and Charlotte.

In recent months, the hospital's oldest building--"Old Main"--has been torn down and a new six-story Focus Building is now rising on this site.

Twenty-five churches in our association gave a total of $3,167 to the hospital in 1978-79. This compares with 42 churches giving $6,907 in the 1977-78 hospital year, ending in June, 1978. The hospitial gets 15% of the North Carolina Mission offering this year and should receive more than last year when all the figures are counted.

Respectfully submitted,
Herman F. Hicks, Representative

CONTINUING EDUCATION

Plans are progressing for the start of our Continuing Education Center. The loss of our previous director has caused a delay, but plans are being made to offer courses of study starting in January of 1980.

REPORT TO THE ASSOCIATIONS ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING FOR 1978-1979

This has been a year of great significance and celebration in the life of our North Carolina Baptist Homes for the Aging!

Of outstanding importance has been the completion, dedication, and occupancy of our new Western North Carolina Baptist Home, in Asheville. This lovely new Home, accommodating 50 additional residents, was dedicated to the glory of God on April 29, 1979. Already, there are enough residents who have arrived, and those who have been approved for admission, to fill the Home.

The new apartment complex in Winston-Salem, accommodating 16, has been completed and all of the apartments have either been filled or assigned. With an older apartment, built in 1961, there are a total of five duplex apartments, accommodating 20 persons. With the apartment complex, the six Baptist Homes for the Aging. and the skilled nursing facility, 300 persons can be served in our Baptist Homes. Homes are located in the following places: Resthaven,

the Hayes Home, Apartments, The Skilled Nursing Unit, in Winston-Salem; the Albemarle Home, in Albemarle; The Hamilton Home in Hamilton; the Yanceyville Home, in Yanceyville; the Western North Carolina Baptist Home, in Asheville.

Through the love gifts of North Carolina Baptists, five out of every six people, who cannot pay the full cost of care, are supplemented. This, therefore, is a ministry of Christian love and compassion at its best in the lives of those dear older people who are in our care.

MEDIA CENTER

The Association continues to add to its filmstrip library. The sixteen new Church Training Equipping Center modules have been added to the audio-visual equipment this year.

The filmstrip projector and motion picture machine are continually being used by our churches. Consideration should be given to updating this equipment.

A workshop for church librarians is being scheduled for 1980.

Otis J. Wheelhouse, Jr.

RALLY AWARD WINNERS

Two major rallys catch the imagination of our churches each year. The first is the Sunday School Rally that starts the new Sunday School year and the second is "M" Night for Church Training. An attendance award is presented to the church attending that is represented by the highest percentage of their average program attendance of the year.

The Sunday School Rally Attendance Award was won by the Wilson Baptist Church with 77% of their average attendance being present. Reverend Carl Street is the pastor and Mr. Charles Bates is Sunday School director.

The "M" Night Attendance Award was won by the Campfield Memorial Baptist Church with 105% of their average attendance present. Reverend Eugene Passmore is pastor and Mr. Grady Toney is the Church Training Director.

HONOR ROLL OF CHURCH CLERKS

Each year, we honor the church clerks who have reported on time and without error the Annual Letter of their church to the association. Changes in the annual report require the clerks to update their reporting procedures each year. The following clerks compose this year's honor roll:

CHURCH	CLERK
Bethany	Mrs. Max Bright
Bostic First	Mrs. Fred G. Wright
Cane Creek	Mrs. Mal Norville, Jr.
Chase	Mrs. Larry Strickland
Drury Dobbins	Mrs. Joe McDaniel

Mount Lebanon	Mrs. Hicks Newton
Mount Olivet	Mrs. Madeline Daves
New Bethel	Shelia Philbeck
Piney Mountain	Mrs. Louise Murray
Sandy Run	Burrell F. Blanton
Wilson	Miss Garnada Dalton

We congratulate them for a job well done.

COOPERATIVE PROGRAM

For the past 55 years, Southern Baptist have been proving that the cooperative way works. It is through the Cooperative Program that an equitable distribution of gifts to the causes supported by Baptist has been made. Cooperative giving has become a meaningful, individual and independent response to the Great Commission.

The Cooperative Program is more than money; it is ministry, it is missions, it is people — people personally involved in missions through missions support.

But in this time of double-digit spiraling inflation, it is necessary that we do focus on our missions support. The times call for—require—readjustment of our thinking in terms of material support to our mission endeavor as a convention. The goal should be no less than 10% of our church's income.

These times require a boldness on our part — a boldness to follow Christ and when we do, we are promised victory. Let us boldly cooperate.

SOCIAL CONCERNS COMMITTEE

The major issue that faced the Association this past year was the liquor-by-the-drink referendum in the towns of Rutherfordton and Lake Lure. Both areas approved liquor-by-the-drink.

We urge each pastor and church to become socially concerned and politically minded. The Christian church can no longer afford the luxury of being removed from the political and social issues of the day.

This coming year will see the election of a new or the reelection of an old president of the United States. This election may well be the most vital issue facing our churches in this decade. We must inform our memberships and then help turn out to vote.

For our country to be strong, the church must become socially and politically active.

NOMINATING COMMITTEE

The following are nominated to fill the Associational office indicated for a period of one (1) year unless otherwise indicated by the year date following their name indicating the termination period. For example, the number (82) would indicate the office would be held until 1982:

DISTINGUISHED SERVICE RECOGNITION RECOMMENDATION

The Constitution of the Sandy Run Baptist Association, as amended in 1976, makes a provision whereby someone who has rendered distinguished service to this Association may, in some suitable way, be honored by this Association.

It seems only proper that "Distinguished Service Recognition" should go to the man who for eighteen years was "Mr. Sandy Run" himself. It is, therefore, recommended that the Reverend W. Van Carroll be recognized for the many years of service rendered to this Association and that the 1979 Minutes of the Association be dedicated to him with the dedication page bearing his picture along with a short biography and a statement of appreciation for his leadership from 1957 to 1974.

Respectfully submitted,
Otis J. Wheelhouse, Jr.

NORTH CAROLINA BAPTIST CHILDREN'S HOMES

Our North Carolina Baptist Children's Homes are continuing to meet a great need. So many children and parents need help in a variety of ways, and our Children's Homes are meeting those needs in a very fine way. Among the services the Homes render are: counseling service, continuing education, crisis intervention, emergency shelter, financial assistance, foster care, group care, medical services, nursery and kindergarten, primary education, referral services, spiritual guidance and worship.

The Homes are: The Kennedy Home at Kinston in the east, the Pembroke Home near Fayetteville, the Chapel Hill Home at Chapel Hill, the Mills Home at Thomasville, the Wallburg Home at Wallburg, and the Broyhill Home near Clyde in the west.

In addition to the homes listed above, during the past year, 52 foster homes across the state have cared for 78 children.

We also have four emergency care centers (youth shelters): Henderson, Burlington, Charlotte, and Forest City. These centers have ministered to 158 children representing 143 families. Of these, 33 children representing 23 families were served in our Thermal Belt Baptist Youth Shelter here in Forest City.

Altogether during the year, the Children's Homes have ministered to 1,027 children representing 727 families, touching three or four thousand people.

Also, there is a Maternity Home in Asheville, that ministers to unwed mothers. It provides for the total needs of the unwed mother through a family-living situation that provides a supportive atmosphere during the crisis period. Excellent medical services are provided, in addition to opportunities for continuing education. Recreation, worship opportunities and crafts are also provided.

Respectfully submitted,
W. Van Carroll, Representative

PASTORAL MANUAL

I. PROCEDURES FOR SELECTING CHURCH MESSENGERS.

a. Associational—1) Each church is entitled to be represented at the Associational Annual Meeting by her pastor and three (3) additional representatives. A church with more than 100 members is entitled to an additional representative for each additional 100 members or fraction thereof. A church with 100 or less members can have a total of four messengers (including the pastor). A church with a membership of 101 to 199 can have an additional representative or five messengers, etc. 2) Each church is represented on the Executive Board of the association by her pastor and two other lay members (a total of three). The name of these lay representatives should be reported on the annual church letter to the association.

b. Baptist State Convention—Each cooperating church is entitled to be represented at the N. C. Baptist State Convention by two messengers. For each 100 members or major fraction thereof beyond 100 members the church can have an additional messenger. No church shall have more than 10 messengers. A church with a membership of 150 can have three messengers, etc. Each messenger must have a registration card signed by the church moderator stating he is a messenger. These cards can be obtained either from the Associational office or from the Baptist State Convention in Raleigh.

c. Southern Baptist Convention—Each cooperating church is entitled to one messenger to the Southern Baptist Convention. For every 250 members or for each $250.00 paid to the work of the Convention during the fiscal year preceding the annual meeting the church can add one member. For example, your church has 89 members. Under the membership clause you can have one messenger. However, your church contributed $1,250 to cooperative program funds. This means you can have an additional five messengers or six (6) total messengers. No church can have more than ten (10) messengers. Each messenger must have a messenger Registration Card signed by the church moderator or clerk to register. These cards can be obtained from the Associational Office or the Baptist State Convention in Raleigh.

2. PROCEDURE FOR ADMISSION TO THE CHILDREN'S HOME OF NORTH CAROLINA, INC.

Admissions:

Write to: Mr. Hugh Starnes, Broyhill Children's Homes, Clyde, N. C. 28721, or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

When contact is made either by a pastor, relatives, interested friends, or social service agencies, a professionally trained caseworker will make a thorough study of each situation to determine the extent of need and the best possible plan for the child and his family.

Procedures:

Preschool children are normally cared for in Foster Homes.

School age children are cared for through one of a variety of services according to need. Usually this will be either the use of a Foster Home or placement in one of the Children's Homes.

Children are accepted from pre-school age up to and including (special cases) high school seniors.

The stay at the home is for as long as necessary; usually until the development of some other plan; or to the completion of high school. In cases of special need even beyond high school.

At the present time the program is not able to care for the physically handicapped, the mentally retarded, or the severely emotionally disturbed.

3. PROCEDURES FOR ADMISSION TO THE NORTH CAROLINA BAPTIST HOMES, INC.

Step Number 1 is to have the pastor write:
William A. Poole, Superintendent
N C. Baptist Homes, Inc.
Reynolds Park Road
Winston Salem, North Carolina 27107
for application forms, giving as much information on the applicant as possible. The applicant himself or herself could write directly, but this contact with our pastors is desired. To qualify for admission to one of our five resident Homes, it is understood that one must be at least 65 years of age and in reasonably good health mentally and physically. After the arrival of a resident, complete and full nursing care is given for the remainder of the person's life. The care is excellent. A patient cannot be received directly into one of our resident Homes who is either in bed or on the borderline—not because we do not want to, but because we do not have the staff and equipment to care for patients in a resident home.

Step Number 2 is to mail application forms back to Mr. Poole. When these forms are returned, the applicant will be contacted and a visit arranged with Mr. Poole and with the Head Nurse in Winston-Salem. Mr. Poole reviews the ministry of our Homes with the applicant, and the Head Nurse reviews their medical history. If the applicant's health permits, the applicant is approved very shortly.

Step Number 3 is that the applicant is notified of approval, and if there is a vacancy in any one of our Baptist Homes, the applicant is received into the Home as a member of the family of our Baptist Homes and given tender loving care for the rest of life.

Step Number 4 is that, in the conversation with the applicant on their visit to Winston-Salem, financial arrangements are discussed, counsel is given concerning any assistance program that there is available and information is given on the love gifts from our Baptist churches which supplement the majority of our residents. Before arrival of the resident, a letter is written explaining in detail the financial arrangements. No one is ever excluded from a Baptist Home for lack of funds. In fact, the majority have little income of their own.

4. PROCEDURE FOR ADMISSION TO THE MATERNITY HOME.

Admissions:

Write to: Mr. Hugh Starnes, Broyhill Homes, Clyde, N. C. 28721 or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

Procedure: A professionally trained caseworker will call upon the girl and her parents to determine the needs of the particular case.

The average stay in the Home is 3½ months. Exceptions are made to this - both longer and shorter periods of time.

There is some cost involved. Some are able to cover the entire cost of their stay, others are not. Money is not the most important concern—the girl is.

State Maternity Home Funds are available through the Department of Social Services for every girl who uses the services of a maternity home. These funds are requested through the Department of Social Services.

The girls, if they are in school, have a special program whereby they are able to continue their studies while at the home. Grades are transferred through the Asheville school system without reference to the Maternity Home.

5. PROCEDURES FOR ADMISSION TO THE BAPTIST HOSPITAL, INC.

When a member of your church or a citizen of your community needs the ministry of North Carolina Baptist Hospital, the Hospital wants to serve. That is the reason for its existence, and its forty-nine years of service bear testimony to this.

The desire to serve must be balanced with sound business practice and financial stability if the ministry is to continue. In trying to maintain this balance the following procedure for admitting patients has been adopted:

a. The patient's local physician contacts one of Baptist Hospital's physicians or clinics to make appointment for medical referral. If you have a question about scheduling an appointment, telephone the Outpatient Department Appointment Section at (919) 727-5375.

b. If the Baptist Hospital physician considers it necessary or advisable to admit the patient to the hospital, he contacts the pre-admitting office and requests a bed. On the basis of the physician's diagnosis and prescribed treatment, the length and cost of hospitalization are estimated.

c. The pre-admitting office contacts the patient, or patient's family to obtain necessary data, including financial data. This information indicates patient's hospital insurance coverage, if any; personal resources; eligibility for third party sponsorship.

d. The patient is told the estimated hospital bill, how much is expected from insurance or sponsoring agency, and the "out-of-pocket" difference, if any for which he is responsible. This difference is due upon admission. (Exception to the pre-payment plan is made for emergency and continuing care patients.)

e. Patients who cannot pay are counselled about agency programs which are available, even though they may not consider themselves eligible for certification.

Our business office has trained and sympathetic financial counselors whose services are available to any patient who needs them and desires them. They are

familiar with various sources of financial aid, the qualifications for obtaining them, and the procedures to follow in making application. Almost any patient who will cooperate with them can find financial help with hospital expenses, if his need is genuine. Frequently, these counselors can help a patient obtain needed follow-up services, also.

6. LOANS FOR BAPTIST COLLEGE STUDENTS

Many of our Baptist Colleges make scholarships available to Baptist students. You should write directly to the college for information on these scholarships.

There is a fund available through which loans are made available to Baptist students whose residence is Virginia or North Carolina and the student is attending a Baptist College in Virginia. Write directly to the fund - The Charles B. Keesee Fund, Martinsville, Virginia for information and loan forms.

7. PASTORS LIBRARY SERVICES

JOHN LOUIS KESLER LIBRARY

A special service is offered to Rural Ministers. The John Louis Kesler Circulating Library makes available 50,000 volumes on a lending basis to ministers.

WHO MAY BORROW

Any minister of the South . . . irrespective of denominational affiliations, who signs the application card is eligible for this service. Annotated book lists are mailed regularly to all ministers who are active borrowers. This service is not available to students in colleges or seminaries. This service is expressly designed to benefit ministers who cannot find needed material in the local library.

HOW TO BORROW

Each borrower is asked to submit a list of several books he desires, arranged in order of his preference. He will be sent the first book (or books) available from the list. When these are returned others will be mailed.

Books may be kept for three weeks and are subject to one renewal upon request, if not in demand elsewhere. The only expense to the borrower is return postage. This is a nominal fee since the books are sent by library rate.

TO OBTAIN SERVICE

Those interested should write for further information and membership card to:

Kesler Circulating Library
Joint University Library Building
Nashville, Tennessee 37203

8. THE THERMAL BELT YOUTH SHELTER - POLICY AND PROCEDURES

The Thermal Belt Baptist Youth Shelter operation is made possible by the joint cooperation of the area Baptist Associations and the Baptist Children's Homes of North Carolina, Incorporated. The Green River, Polk, and Sandy Run Associations are responsible for the physical structure, furnishings, and upkeep

of the residence. The program is operated by the Baptist Children's Home of North Carolina, Incorporated, and is under the jurisdiction of the Board of Trustees elected by the North Carolina Baptist State Convention. The home is licensed annually by the North Carolina State Division of Social Services. The home is under the direction and supervision of the western area administrator.

PURPOSE

The Youth Shelter has been established to render temporary residential care on an emergency basis while a more permanent plan is being made. Youth from the ages of three to eighteen years can be served for a maximum of ninety days. Admissions will be made without regard to race, nationality, or religion. The home has a capacity to serve six children at any one time.

AREA SERVED

Services of the Thermal Belt Baptist Youth Shelter are available to residents within the state. However, to insure continued planning for every child, it is recommended that referrals come from within the immediate geographic area of the Shelter Home.

ADMISSIONS AND REFERRALS

The Baptist Youth Shelter will not assume legal custody for any child. Signed consent for admission of a child in the home must be given by the person or agency with placement authority whether the authority is the parent, a custodial agency, or another individual holding legal custody. Anyone who is aware of a child's need may refer a youth to the Baptist Youth Shelter.

Intake and admissions will be the responsibility of the social worker. Should this person be away from the home, the resident director will assume this responsibility.

EXCEPTION

A youth may admit himself and stay in the home not more than twenty-four (24) hours on a weekday or seventy-two (72) hours on a weekend, after which time the legal custodian must become involved in the placement or the youth must leave the home. When a youth admits himself, a call will be placed to the county sheriff or city police to notify them of his whereabouts.

The Baptist Youth Shelter cannot accept any youth who is so physically, mentally, or emotionally handicapped that he cannot function adequately in an openly structured group environment and attend public schools. In addition, no child who needs involuntary detention can be admitted.

COST OF CARE

Custodial agencies will pay $10 per day plus medical, dental, clothing and educational costs. (This fee is subject to inflationary increases.)

Individuals with legal custody will pay $10 per day per child, in addition to providing medical, dental, clothing, and educational expenses. In cases of financial hardship, a reasonable amount of support will be determined on an individual basis in accordance with the family's income. No child will be denied care because of the custodian's inability to pay.

PLANNING RESPONSIBILITIES

When custodial agencies have the authority to admit a child into the Baptist Youth Shelter, it is that agency's responsibility to continue services to the child and his family. The maximum length of care (90 days) should be recognized by the planning agency in order that the term of residence can be used as a planning time. This agency is responsible for making a workable plan for the child within this time period, such as his placement with his family, relatives, or other child-caring institutions. The custodial agency's social worker will be expected to maintain weekly contacts with the child and to hold planning conferences to review the Plan of Care with the Baptist Children's Homes' social worker, at least once every thirty (30) days. This conference will be in reference to goals for long-term care.

The individual or parent having legal custody of a child in the Baptist Youth Shelter will assume responsibility for planning for the child's long-term care after discharge. In addition to holding specified planning conferences at least every thirty (30) days to review the Plan of Care, the custodial person will agree to seek help in order to resolve a family crisis that caused the child to be placed at the Youth Shelter.

BEHAVIOR PROBLEMS

Should a resident in the home exhibit behavior problems that endangers the well-being of other children or himself, or if he seriously threatens the overall functioning of the Youth Shelter, the legal custodian will remove the child upon request of the staff.

MEDICAL SERVICES

A child who has no proof of a medical examination within six months will be required to have this done during the first week of his placement. The custodian will be responsible for arranging, securing, and bearing the expense of this physical. The staff at the Youth Shelter reserves the right to request current medical information if necessary. The placement person, or the legal custodian, is responsible for providing all medical attention for the child while he is in care. Emergency medical needs will be met by the Baptist Youth Shelter with the placement person being financially responsible for such services.

CLOTHING

Children coming into care should have a complete change of clothes provided by the admitting person or agency. This person is also responsible for providing additional clothing within forty-eight (48) hours.

THE 1980 MINUTES DEDICATED TO A. B. BUMGARNER

Reverend A. B. Bumgarner was born in the Brushy Mountains in Alexander County, North Carolina. His memories of his childhood include attending a little two-room school. He completed the seventh grade but because of lack of transportation (there were no school buses at that time), he could not continue his education. At the age of fourteen, his family moved to Kannapolis, North Carolina, and "A. B." began work in a textile plant.

It was at a tent meeting in Kannapolis some eleven years later that Reverend Bumgarner was converted. He continued to work in the textile mill but was feeling the strong call of God into the Gospel Ministry. At the age of twenty-seven he made his decision to answer that call. He left the textile mill and returned to school to complete his education.

Reverend Bumgarner attended the Columbia Bible College in Columbia, South Carolina, which had a high school program at that time. From there, he attended Wingate College receiving the A. A. degree and then to Lenoir-Rhyne College where he received his B. A. degree.

All of his ministry has been in North Carolina. His first pastorate was the First Baptist Church of Enochville. He served there from 1943 until 1946, when he moved to the East Taylorsville Baptist Church in Taylorsville. From there he moved to the Wrightsboro Baptist Church in Wilmington in 1953. He served that church until he became pastor of the Spencer Baptist Church of Spindale in 1960.

As a Baptist leader, Reverend Bumgarner has served in his local associations and the Baptist State Convention in diverse leadership positions.

During his twenty years at the Spencer Baptist Church, an educational building was built (1965), the sanctuary was renovated (1972), with the church becoming debt-free in 1974.

Reverend Bumgarner and his wife, Ellen, have five children—two sons and three daughters. His hobbies are beekeeping and gardening.

At his retirement, Reverend Bumgarner indicated that he "felt it was time to change gears." He would still continue to do the things he enjoyed most in his ministry—preaching and studying.

The Sandy Run Baptist Association dedicates the 1980 minutes to Reverend A. B. Bumgarner in recognition of his many contributions to his church, his association, his community and his state.

HISTORIES OF HOST CHURCHES

HOLLY SPRINGS

On July 29, 1887, thirty-nine charter members constituted the Holly Springs Baptist Church, having grown out of a prayer meeting group which met in the woods near an old hickory stump. A presbytery consisting of F. C. Hambrick, moderator; W. H. Blanton, clerk; and S. J. Sparks, deacon, all from the Shiloh Baptist Church, and A. H. Blanton, deacon, and J. M. Hester, deacon, from the Green River Baptist Church, presided at the organizational meeting of the church.

In 1888, the first building, a simple wooden structure, was erected. This was replaced in 1913 with a larger wooden building, which was further enlarged and improved in 1926 and 1935. By 1952, a building fund for a larger structure was begun and land was subsequently acquired. On September 21, 1958, the first service was held in the present building which is of brick construction. To this structure, a larger addition was made in 1974 to accomodate a growing Sunday School enrollment.

The first parsonage was built in 1955 and was used until 1970 when the present larger one was completed.

In 1976, the church began building a senior citizens home as a ministry to the elderly. The home was officially opened in February, 1978.

Additional land connecting the present church location and the cemetery (located at the old church site) was acquired in 1979.

The present pastor, the Reverend Wade H. Huntley, is concluding his twenty-fifth year of service, having begun his labors among us on the first Sunday in November, 1955.

MT. PLEASANT (C)

The Mount Pleasant (C) Baptist Church was constituted in January, 1849. "Eight males and thirteen females" presented themselves for charter membership. The first delegates to the Association was named in 1849. There was no regular pastor for the first year. In 1850, Reverend Lewis McSwain was called and served as pastor.

The first record of building and repairs was recorded in 1859, when a contribution of $2.20 was made for the purchase of "planks and nails to make seats" for the church. The first hymn books were purchased in 1866. The church had ninety-four members at this time.

The church grew firm about discipline in 1868. Members were excluded for "disorderly living" and the use of profane langauge was a major offense. Excuses were required for non-attendance.

In 1902, the church revised her books and all male members absent for six months were sent for and a charge of non-attendance was brought against all who had been absent a year. Money was raised in 1907 to help build the school at Boiling Springs. Electricity was installed in the church for a cost of $300—required to run the line to the church. A budget system was adopted in 1933. In 1953, a proposal to relocate the church was defeated. A parsonage was built in 1958. The auditorium was remodeled in 1960.

The 125th anniversary of the founding of the church was celebrated on January 6, 1974. Reverend Ronald W. McSwain became pastor on July 10, 1978. Choir robes were purchased in December, 1978. A drive-under shelter has been added at the back of the church. Pew cushions, the painting of the church, the replumbing of the rest rooms and new furniture for the pastor's study are some of the projects recently completed.

Maguire, Forest City First; the Reverend Lawrence W. Toney, Goode's Grove; the Reverend Francis Dobbins, Plainview. Church staff recognized: Mr. Curt Frederick, Minister of Music and Youth, Florence.

9. The Reverend Robert F. Toney introduced the Reverend W. Melvin Owens, pastor of the Mount Pleasant (R) Baptist Church, and Moderator of the association for the Moderator's Address.

10. Special Music was presented by Mrs Gloria Wells of Mount Pleasant (R) Baptist Church, who sang "Come to the Waters." She was accompanied by her daughter, Lisa, at the piano.

11. Moderator's Address: Reverend W. Melvin Owens, Moderator, using Esther 4:7-17 as his text, stressed the necessity of the people of the churches being "called to meet a time such as this." With growing statistics indicating that the moral and ethical situation of the world is going from bad to worse, we must face the realization that the believer is responsible to speak out a warning. "We must either evangelize the world or the world will paganize us." The witness of the church must now be borne more and more by the layman.

12. The Vice Moderator led the congregation in a standing ovation of appreciation for the Moderator's address.

13. The hymn, "Redeemed, How I Love to Proclaim It," was sung by the congregation.

14. The Moderator, Reverend W. Melvin Owens, recognized Reverend Robert Abrams, as the representative for our Baptist Colleges. Reverend Abrams spoke on support of our Baptist schools and in particular of Gardner-Webb College.

15. Moderator Owens requested that any other institutional representatives present stand so that they could be recognized. There were none.

16. First Business Session:

A. Resolutions Committee: The Director of Missions, Reverend Otis J. Wheelhouse, Jr., speaking for the committee, referred to the procedures for making resolutions as presented in the Advance Book of Reports.

B. Finance Committee: Reverend Robert F. Toney, Chairman, called attention to the financial report. He then presented the proposed budget for the coming year and explained the salary increases represented approximately a 10% increase. The budget was presented as information, to be voted on at the following session.

C. Missions Committee: Reverend R. J. Hogan, pastor of Alexander

Baptist Church and committee chairman, read the report of the Missions Committee from the Advance Book of Reports and moved that the Goode's Grove Baptist Church be accepted in the fellowship of the association. Motion was seconded and passed.

D. Properties Committee: Mr. Jim Ledbetter, Chairman, made the motion that the A.H. Sisk Estate be purchased as an associational office site and for future associational development at the asking price of $90,000 and that the presently owned property be sold as soon as possible to help reduce the loan amount. Motion was seconded.

(1) The Director of Missions, Reverend Otis Wheelhouse, presented a slide presentation depicting the property for all who had not as yet had an opportunity to visit the site. The property includes a large house that would be used as the associational office until a permanent structure could be built in the future, a smaller house that is presently being rented and 43½ acres. This site is approximately 2 miles east of the present office site at 600 East Main Street, Forest City.

(2) Moderator Owens opened the floor for debate. He gave ground rules limiting one speaker for and one against until all had been heard.

(a) Mr. R.U. Brooks, Campfield Memorial Baptist Church, spoke for the proposal. Mr. Brooks said he had "gone over" the property twice and felt the value of the property was well worth the asking price. The association is not in the real estate business but we have an opportunity and I have been in this association ten or eleven years and we have not done much in this association. I would like to see us move forward in my lifetime. I mean to sacrifice and give more than my share for this property. The big house is large enough to take care of the present office needs. I see untold things the land can be used for . . . recreation for our older people. In all the places I have lived there has never been enough money spent for recreation. We have allowed the younger prople to find places of recreation wherever they could. We would be very foolish if we let this slip through our fingers. The property is centrally located to all churches. An average give of $500 to $800 from each church would purchase this with no problem. It is time to do what the Lord spoke to Moses to do, "Speak to the people so that they can go forward."

(b) Mrs. Sybil Moss, Camp's Creek Baptist Church, spoke against the proposal. I would like to see us go forward but not forty acres and not $90,000 worth. We have camps now. Budgets are tight and church budgets are tight. If we have $90,000 in our pockets to buy a piece of land then we have that much money to support missions. It concerns me when we begin to

think about property rather than persons. We don't have to have many rooms to have an associational office. We do have to do our associational work. This is too much for now. We have no word on how it is to be financed or the money is to be borrowed. God will provide if it is His will. But, this is one time I have prayed, worried and studied. God has not led me to pay $90,000 for forty acres with two homes on it for an associational office.

(c) Reverend Malone Thomason, Minister of Music, Spencer Baptist Church, spoke for the proposal. After twenty years in this association, it is time for us to move out and upward for the Lord. We do not want to overextend ourselves. I am in favor of missions. This purchase can really help us to move forward in local missions. This purchase, far from over-extending us will in fact help us to strengthen the association. We went over it in detail. For years I have dreamed of a place where I could take my choirs. We do have Mundo Vista, but two and a half miles from Forest City and centrally located--A number of years ago, I drew the plans for a retreat for the Barnhill Association--in the Greer Association I did the same thing. This piece of property has tremendous potential for a spiritual retreat center, educational use, summer recreation, Sunday School, Church Training, Deacon, W.M.U. retreats, prayer retreats, evangelistic crusades, music retreats---Ninety thousand dollars is a lot of money. It represents something like $5.48 per resident member of the association. I am sold on the property, but how can we pay for it. We can pay for this in one year. An increase in our budgets to 2½% to the association and we can pay for it. I am happy to be a part of this association.

(d) Reverend Kenneth Bowen (retired), Mount Pleasant (R) Baptist Church, spoke against the proposal. Some nine or ten years ago, I made a proposal that a committee be appointed to seek out associational office. That committee was appointed and began its work. I moved out of the association in 1972 and kept in touch. Some said we didn't need space. I have been in favor of moving forward--still in favor of moving forward. We need an associational building that is modern and up to date, for the job that is needed to be done. You just cannot support everything. We now have a piece of property that was purchased for it. I was noticing in our receipts how much was given toward such a project. Our people have not responded. We could have had an office building. I don't know what the value is--below the money you are thinking about--a lot of money at the interest rate today. We can build a new

building on the property we now have. It is about as centrally located as anywhere in the county. It could be utilized for much less that what we are talking about here. I don't envision this association rising to the challenge and be able to use it as it ought to be utilized. But, I say to you first of all we need an associational office building--that will last us through the years. A new building on the property we now own will serve our needs better.

(e) Mr. Broadus Turner, Broad River Baptist Church, spoke for the proposal. We need a central place to develop where people can go and worship the Lord. Somewhere in the Bible it says where the people don't have a vision, the people perish. I have seen the vision where people can go to worship the Lord. We say we can't afford it. Reverend Strickland came as our pastor and he started suggesting things. All said we couldn't afford it. A few had faith enough to put their feet forward. New carpet, new pews, fellowship hall--all said we couldn't afford it but the money still kept coming in. Some worked on the building and property. The church now had two heatpumps where we just had gas. We just stepped out on faith. This land was laid on my heart--we need a place where the people can go. People will come and work on it for nothing. You have to get started. You never have anything if you don't get started. In our association, we have nothing. But we need a place where people can go and study the Bible and learn. You have to have faith in God and put your foot forward and do it.

(f) Mr. Howard Foster, Alexander Baptist Church, spoke against the proposal. I know very little about this association. I have been in this area for nine years. We need to set priorities as to whether we will serve ourselves or will be a service to people. Service means using our gifts, talents, funds for ministry. If we purchase this land, what will be our priorities? What are our other ministries? What has been done in the last year and a half, I don't know. Money will come. God has blessed us. Southern Baptists gave on the average of 13¢ per person to feed those starving. During the time we are here, 1,200 people will die of starvation. This past year we increased our offering 19¢. How many cokes have you had this week? Priorities, what will they be? Other things to consider will be the upkeep. The expense of the purchase will be only the beginning. We have facilities at Gardner-Webb and Fruitland. What advantage have we taken of these facilities. I cannot see putting the funds into lands or building--it must be into people. Would it not be better for us to use this money to help feed the hungry?

(g) Dr. Wayne H. Blackwood, pastor, Bethel Bapist Church,

spoke for the proposal. If we are going to have an association and an association office, lets have something we can use. Our present building is in need of repair and we are talking about a lot of money. My church worked on remodeling our pastorium prior to my moving into it. It cost approximately $25,000 to remodel. The lots that we now have in the area of Sandy Mush have a restriction that they can only be used for residential purposes. The present house that would be used if we purchase this property is in excellent condition. It would not cost much to bring it to an office status. The current building cost is $31 per square foot. If we are talking about building a good associational building, we are talking about a whole lot more than $90,000. Here we have an opportunity not only for a building but to go in many other directions to reach out to our needs--to reach out to the needs of the people right here. Missions start at home. I think we are on the move forward. I see the need that we have right now. I urge you to vote to buy this property. We need this association going and step on out.

(3) A motion was made to close the debate.

(4) The report from the Registration Committee was called for. Reverend Paul Brock, chairman, reported 265 messengers and 39 visitors had registered.

(5) The question on ending the debate was called for. Moderator Owens called for a standing vote to close debate. The standing vote was ruled as being the necessary two-thirds majority vote and debate was ended.

(6) Moderator Owens returned to the motion to purchase the property.

(a) Reverend Jack Maguire, pastor, Forest City First Baptist church, requested information from the Moderator concerning the method proposed for the payment of the property.

(b) Vice Moderator Robert Toney, chairman of the Finance Committee, reported that we had reached $26,831.53 in our building fund account, $20,000 of which was invested in a Money Market Certificate, and $1,500 of which had been withdrawn and used as earnest money on the property. The rate of interest on a loan was 13% and the lending institutions would make a loan based on 80% of the appraised value of the property.

(c) Moderator Owens called for a standing vote on the motion to purchase the property. The associational officers were unable to obtain an accurate visual count. The Moderator then called for the use of the ballots found in the Advance Book of Reports.

(d) The vote of the delegation from the Goode's Grove Baptist Church was challenged on the ground they were under the watchcare of the association. Moderator Owens put this issue

to the other messengers and the messengers voted to allow the Goode's Grove messengers to vote.

(e) The vote to purchse the property was taken by ballot.

(f) The counting committee was challenged and the request made that no member of the Executive Board be allowed to count the ballots. Moderator Owens acquiesced to this request. Since each pastor is a member of the Executive Board, those on the counting committee were excused and layman not on the Board replaced them. The counters, left the meeting to tally the votes.

(g) The Moderator called on Reverend Otis Wheelhouse to present some information on the value of the present property. Reverend Wheelhouse reported on an appraisal of the property which had been made by Mr. J.D. Cooley, an appraiser and by the Northwestern Bank of Forest City.

E. Nominating Committee: The Moderator called for the report of the Nominating Committee. In the absence of the committee chairman Reverend Wheelhouse presented the Nominating Committee report. The election of the Moderator and Vice Moderator was postponed until the second session. The report was adopted.

F. Miscellaneous Business: The Moderator called for any miscellaneous business. Reverend Robert E. Philbeck, pastor of Glenwood Baptist church made the following motion:

"Whereas the ordination of women as pastors and deacons has been a much discussed and debated issue in our association this past year;

"Whereas an amendment to add the 'male' to the associational guidelines for the ordination was ruled out because of a technicality;

"Whereas the matter of ordination of women as pastors and deacons is a doctrinal matter to many or our churches;

"Therefore, I make a motion that this assembly of 91st annual session, in this business meeting, take a vote as to our associational stand on the issue of ordination of women as pastors and deacons and the results of that vote be printed in the minutes of the Sandy Run Baptist Association, under Article VIII, Section 4, k, 7, of the associational constitution."

(1) Dr. Wayne Blackwood, Associational Parliamentarian, indicated that the resolution would be voted on and made a part of the record of this session but this motion could not be placed in the minutes as part of the constitution as this would result in amending the constitution.

(2) Reverend Van Carroll moved to table the motion. The motion to table was seconded and carried.

G. Mr. Horace Billingsley led the congregation in the singing the hymn, "Count Your Blessings."

H. The Counting Committee returned to the floor with the results of the vote on purchasing the property. The vote was given: 134 - Yes; 114 - No. Moderator Owens stated this was a simple majority and all that was needed. The ruling of the Chair was that this motion was carried. At the same time, if this is to be possible, it is going to take the cooperation of all the churches. The Chair asked for a stand to show a majority.

17. Reverend Wade H. Huntley, pastor of Holly Springs Baptist Church, gave directions to his church for the second session.

18. Reverend Jack Maguire led in the closing prayer.

19. The Moderator adjourned the meeting to meet with the Holly Springs Baptist Church the following evening.

SECOND SESSION

20. The Second Session opened at 6:30 p.m. at the Holly Springs Baptist Church, Rutherfordton, N.C., with the registration of messengers and guests.

21. The annual session was called to order by the Moderator.

22. The congregation was led in singing the hymn, "Trust and Obey" by Mr. Horace Billingsley, Associational Music Director.

23. A devotional thought was given by Reverend Jack Pennington, pastor of the Chase Baptist Church, using a text from the Book of Joshua. We need to go out and claim the promise of God. We need to believe God and claim a bold ministry. We have to put our belief into action. He closed with prayer.

24. Special Music was by the Sandy Mush Baptist Church choir under the direction of Mr. Douglas Trammel.

25. Vice Moderator, Reverend Robert F. Toney, called for any new personnel who might be present, and not recognized the previous evening. There were none. Mrs. J.R. Featherstone from the Spartanburg Association was recognized as a visitor; also recognized was Reverend Hugh Starnes of the Baptist Home for the aging.

26. Announcements were called for and Reverend Glenn Walker, pastor of Prospect Baptist Church announced the Youth Rally to be held at Chase High School gymnasium in February of 1981.

27. Second Business Session:

A. Nominating Committee: Reverend Otis Wheelhouse, acting for the committee chairman, reported.

(1) Mr. Raymond R. West, Hick's Grove Baptist Church, was nominated as Trustee, with his term to expire in 1981. Nomination was approved.

(2) Reverend W. Melvin Owens was nominated to a second term as Moderator. There were no nominations from the floor and Reverend Owens was elected by acclamation.

(3) Reverend Robert F. Toney was nominated for a second term as Vice Moderator. There were no nominations from the floor and Reverend Toney was elected by acclamation.

(4) Reverend Joe Richards, pastor of Sandy Mush Baptist Church, nominated Mrs. Janie Phillips of Sandy Mush Church for associational representative to the Baptist Children's Homes. Nomination was seconded and carried.

(5) Other nominations were called for; there were none.

B. Place and Preacher Committee: Reverend Paul Brock, Chairman, reported that for its next annual session, the association would meet the first day with the Big Springs Baptist Church and on the second day with the Glenwood Baptist Church. The preacher for the annual sermon would be the Reverend James L. Yelton, and the alternate would be the Reverend Joe Richards.

C. Dedication Committee: Reverend W.A. Stroud, Chairman, presented the report of the Dedication Committee and moved that the 1980 printed minutes be dedicated to the Reverend A.B. Bumgarner in honor of the service he has rendered to our association during the many years he served as pastor of the Spencer Baptist Church. This motion was seconded and carried.

28. Installation of Program Officers and Associational Workers: Reverend Otis Wheelhouse called for those elected as program officers, committee chairmen, or associational officers to come to the front. These were presented to the congregation with their commitment to serve and a request for assistance from the churches.

29. Moderator Owens recongnized representatives of the agencies and institutions of the Convention.

A. Reverend Claude Simpson, pastor of Smith Grove Baptist Church and the Associational Annuity Board Representative, spoke to the continuing need of the churches to consider the retirement needs of their pastors and staff members.

B. Reverend Hugh Starnes, representing the North Carolina Homes, Inc., reported on the status of the Asheville Home and stressed the need to pay off the debt on this facility.

C. Mr. Henry Stokes, representing the Wake Forest University, reported on the new covenant relationship of the University with the Baptist State Convention and reminded the churches that offerings could still be made to the University if the churches would indicate support of Wake Forest on their Cooperative Program report to the State Convention.

D. Reverend Richard Bass, pastor of the Mount Vernon Baptist Church in the Green River Association, and representing the Baptist Children's Homes, brought greetings from the Green River Association and greetings from the Children's Homes and the Thermal Belt Baptist Youth Shelter.

Blackwood led in a memorial prayer.

31. Mr. Horace Billingsley led the congregational hymn, "The Haven of Rest."
32. The Annual Sermon:
    A. Mr. Ben Queen of First Broad Baptist Church introduced his pastor, the Reverend A. Graham Brooks, as speaker of the evening. Mr. Queen referred to Reverend Brooks as a great warrior in the Army of God, and as one not afraid to "stand in the gap."
    B. The Reverend A. Graham Brooks, using as his text Matthew 16:13-20, brought a message titled, "What Is Right With The Church." The church has: 1) the right foundation; 2) the right head; 3) the right body; 4) the right fellowship; 5) the right heart; and, 6) the right mission.
33. Special Awards:
    A. In an attempt to start and continue a tradition of honoring the men who have served as moderator of the association, the Reverend Glenn L. Rushing, pastor of Bethany Baptist Church, was presented a plaque for his service in 1976 and 1977. The Reverend William A. Stroud, pastor of Cliffside Baptist Church, was presented a plaque for his service as moderator of the association for the year 1975.

    C. Resolutions Committee: In the absence of the chairman, Reverend Otis Wheelhouse presented the following resolutions:
        (1) WHEREAS the Mount Pleasant (C) Baptist Church and the Holly Springs Baptist Church have provided so graciously for our Ninety-first Annual Session; and
        WHEREAS the members of these churches have worked diligently to help us park, to provide for our comfort, and to aid our Program/Registration Committee;
        BE IT THEREFORE RESOLVED that we express our grateful thanks for their welcome and for the privilege of meeting with

them at their churches.

(2) WHEREAS the Program Committee has worked to complete our Ninety-first Annual Program, and

WHEREAS the Executive Board requested a major change in the program, and

WHEREAS the Program Committee reworked an excellent schedule, BE IT THEREFORE RESOLVED that we express our appreciation to this Program Committee for their work on the program for the Ninety-first Annual Session.

These resolutions were moved for adoption, seconded and approved.

D. Miscellaneous Business:

(1) Reverend Robert Toney, Chairman of the Finance Committee, requested to give as information a report on the proposed method of payment for the property. The appraised value of the presently owned property was $23,000 for the house on East Main Street, Forest City, and $10,000 for the lots in Sandy Mush. It was expected that neither would sell for the appraised price. The amount in the building fund is $26,831 of which $1,500 has been deposited as earnest money on the property. This gives us an estimated potential of $59,000. The Finance Committee proposes: 1) that an immediate offering be taken to raise as much of the remainder of the cost price as possible; 2) that a long range plan based on proportional giving from each church with a fixed goal for each church be set; 3) that special gifts be solicited from businesses and individuals; 4) that memorial gifts be encouraged.

(2) Also as information, Reverend Toney stated an official of a lending institution had advised that the Trustees needed to be authorized to handle the business. Further, the Finance Committee feels we could put down $15,000 and leave a sum not to exceed $75,000 to be paid over the recommended period of twenty years. This will leave some funds in the building fund for relocating expenses and improvements.

(3) Reverend Toney presented three recommendations of the Finance Committee as motions:

(a) that the Trustees be empowered to sell the three lots in Sandy Mush as expeditiously as possible with the money going to reduce the amount of the loan. Motion was seconded and passed.

(b) that the Trustees be empowered to sell as quickly as possible after the relocation of the office to the new location, the presently owned building on East Main Street, Forest City. Motion was seconded and passed.

(c) that the Association adopt the required resolution needed by the savings institutions in order to empower the Trustees to complete the loan transaction. The Trustees would still pursue

the best possible loan arrangement. Reverend Toney read the loan resolution:

WHEREAS it is necessary for the Association to borrow the sum of $ _____ ; and

WHEREAS the (lending institution) has agreed to lend the Association the said sum of money to be repaid in monthly payments for a period of _____ years, said payments being the amount required to pay both principal and interest over said period of time on an amortization basis, said loan to be secured by first deed of trust on our association property.

THEREFORE BE IT RESOLVED:

1. That the Association borrow a sum not exceeding $_____ from the (lending institution) , to be repaid by monthly payments on an amortization basis over a period of _____ years with interest at _____ percent.
2. That the Trustees of this Association; namely, _____ _____ be and they are hereby authorized and directed to execute the note evidencing such loan, and a deed of trust conveying the property as security for the loan to be obtained, and any other payers or documents necessary to complete said transaction.
3. That this resolution be made a part of the permanent records of this Association and copy thereof furnished to the (lending institution)

Motion was seconded and passed.

(4) Reverend Jack Maguire, pastor of Forest City First Baptist Church made a motion that the Finance Committee work with the Executive Committee to develop the property appropriate for use, with the main office building being made accessible to the elderly and handicapped. Motion was amended to have the Properties Committee work with the Executive Committee for this development. Motion was seconded and passed.

(5) Reverend David Blizzard, pastor of Drury Dobbins Baptist Church read the following motion:

WHEREAS the ordination of women as pastors and deacons had been as much discussed and debated issue in our association this past year;

WHEREAS an ammendment to add the word "male" to the associational guidelines for the ordination council was ruled out because of a technicality;

WHEREAS the matter of ordination of women as pastors and deacons is a doctrinal matter to many of our churches and recognizing the autonomy of each local church,

WHEREAS the Pastor's Conference of the Sandy Run Association can find no scriptual authority for such ordination and

they discourage our sister churches in such practices;
THEREFORE, I make the motion that this assembly of our Ninety-first Annual Session, in this business meeting, take a vote as to our Association's stand on the issue of ordination of women and that this vote be in agreement with the resolution of the Sandy Run's Pastor's Conference in finding no scriptual authority for such and discourage our sister churches in such practices. Reverend Blizzard called for the adoption of this motion. Motion was seconded. Reverend Van Carroll moved that this motion be tabled by the association. Motion was seconded. The Moderator called for the vote on the tabling of the motion. Motion to table was carried.

35. Reverend Ray Devinney, member of Mount LeBanon Baptist Church and staff member of the Daily Courier, urged the churches to keep the newspaper advised of their activities.

36. Reverend Otis Wheelhouse reminded the messengers of the calendar events for November.

37. Reverend Eugene Passmore, pastor of Campfield Memorial Baptist Church and Associational Stewardship Director, encouraged the churches to continue their support of the association with their regular offerings. The goal of 2% of offerings should be set with an attempt to increase to 3% and upward. There will be increased operating expenses. The demand is great and we need to meet the challenge. The support of the churches determines the growth of the Association.

38. There being no further business and the program having ended, the meeting was adjourned with prayer.

EXECUTIVE BOARD MEETINGS

The Executive Board of the Sandy Run Association met in conference six times during this past associational year. Four meetings were the regular quarterly meetings and two were called meetings.

Summary Reports of the Meetings:

QUARTERLY MEETING JANUARY 21, 1980

1. Twenty-five churches were represented by 16 pastors and 30 representatives (and 4 visitors).
2. Reports were made by the Program Directors and Committee Chairmen.
3. Rev. James Yelton and Rev. Hubert Street were elected as the at large members to the Executive Committee.
4. Participation in the Baptist State Convention's 150th Anniversary Program was approved.
5. A recommendation from the Executive Committee to rotate the Executive Board meetings among the churches was approved.
6. Recommendations from the Nominating Committee for unfilled positions were approved.

CALLED MEETING FEBRUARY 28, 1980

1. Thirteen churches were represented by 10 pastors, 16 representatives and 2 visitors.
2. This meeting was called for the specific purpose of considering the transfer of $20,000.00 of the Building Fund monies into a six-month money market certificate. The going rate of interest on the certificate at the time was 13.629%. After some discussion, the transfer was approved.

QUARTERLY MEETING MARCH 4, 1980

1. Sixteen churches were represented by 6 pastors, 19 representatives and 3 visitors.
2. Reports were made by the Program Directors and Committee Chairmen.
3. The Missions Committee reported a request from the Goode's Grove Church applying for membership into the Sandy Run Association. A motion was made to accept the church into the watchcare of the association under the supervision of the Missions Committee and to present this request for membership to the Annual Session for a formal vote. The motion was approved.

4. A recommendation from the Executive Committee that a committee be selected to work with the Ordination Committee to develop guidelines for this committee was approved. A motion was approved that the Executive Board act as this special Committee.

5. A recommendation from the Executive Committee that June 1, 1980, be held as Pastor Appreciation Day in the Association was approved. The Executive Board was to consider by the response to this day if this would be considered to become an annual associational event.

QUARTERLY MEETING JUNE 30, 1980

1. Seventeen Churches were represented by 12 pastors and 15 representatives.
2. Reports were made by the Program Directors and Committee Chairmen.
3. A report was made on the favorable response to the Pastor Appreciation Day. A motion to make this an annual associational event was passed. Father's Day was set as the suggested date.
4. The Special Guidelines Committee for the Ordination Committee reported with proposed guidelines. After considerable debate, the recommended guidelines were tabled because they did not speak to the issue of the ordination of women.

QUARTERLY MEETING SEPTEMBER 29, 1980

1. Twenty-four churches were represented by 14 pastors, 34 representatives and 1 visitor.
2. Reports were made by the Program Directors and the Committee Chairmen.
3. The past year's rotation of meeting places for the Executive Board was considered. A motion to continue this rotation was approved.
4. A recommendation from the Executive Committee that a Scriptomatic Addressing machine be purchased for the association was approved. Money for this purchase was to be taken from the general fund savings account.
5. A recommendation from the Executive Committee that the association participate in the 1982 Joint Revival Activities sponsored by the Baptist State Convention and the General Baptist Convention was approved.
6. The proposed 1980-81 associational budget was presented for and changes or additions prior to the presentation to the Annual Session.
7. The Associational Council presented the 1980-81 associational calendar as information.
8. The Program-Registration Committee presented the Annual Session Agenda as information.
9. A written statement was made to the Executive Board to amend the associational constitution at Article VIII, Section 4, k 2, to add at the place-council for a candidate--the word male before the word candidate--so that the amended article would read-council for a male candidate. The moderator ruled that this written request could not be accepted for action at the 1980 Annual Session because the request did not meet the constitutional requirement of the 30 day notice prior to the annual session. After some discussion, the request was made that this request be handled for the 1981 Annual Session. The request was so noted.

10. A motion was made that the A.H. Sisk Estate be purchased as an associational office site and for future associational development a the asking price of $90,000.00, and that the presently owned property be sold as soon as possible to help reduce the loan amount, and that a called session of of the Annual Session be held to consider this purchase of land as soon as possible.
    An amendment was made to this motion to refer this to the Properties Committee and that if the Properties Committee was satisfied that this was a suitable consideration for the association, to place a binder of earnest money on the property to hold it off the market until the Annual Session had the opportunity to consider this at the annual session.
    An amendment to the amendment failed.
    The amendment was approved. The amended motion was approved.

CALLED MEETING OCTOBER 9, 1980

1. Eighteen churches were represented by 13 pastors, 18 representatives, and 1 visitor.
2. This meeting was called to receive a recommendation from the Dedication Committee and to consider alternate suggestions to the previously presented agenda to the Annual Session (Sept. 29 meeting).
3. The Dedication Committee recommended that the 1980 formal printed minutes of the association be dedicated in honor of the Reverend A.B. Bumgarner, retired pastor of the Spencer Church. This recommendation was accepted to be presented to the Annual Session.
4. The Executive Board was advised that the Properties Committee acting on the Board's instrucions, had considered the purchase of the property and had placed earnest money on it to keep it off the market. In view of this a proposal would be made to the Annual Session to purchase this land, and it was felt that the presently suggested agenda for the annual session would not allow sufficient time to discuss this matter. Three proposals were made by the Program Committee as to how additional time could be gained: 1) to rework the program, rescheduling and deleting events; 2) using Wednesday morning as an overflow period; 3) calling a special session of the Annual Session to consider just the purchase of the property. A motion to rework the program as presented on September 29, so as to retain the Oct. 27-28 annual session time, placing the consideration and vote on the purchase of the land on the first day (Oct. 27) was approved. The word reworked was defined to mean rescheduling, deletion or whatever was necessary to schedule the needed time. The Board suggested that all the rest of evenings events be scheduled prior to the business session and then the representatives could discuss the proposal at their leisure.

STEWARDSHIP REPORT

I. COOPERATIVE PROGRAM

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream from Southern Baptists in 1976-77--a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many more people must adopt this commitment.

Two important questions must be asked and answered:

1. Do we have the will and commitment to persist in achieving what we have voted as Bold Mission Thrust goals?
2. Can we learn to live with our commitments?

Officially, Southern Baptists claimed their Bold Misson Thrust dream in 1977. Looking at the years ahead we have mixed reactions of excitement and anxiety. The introduction is over; in 1981 we must demonstrate our willingness to make our Bold Mission Thrust dream come true through our Bold Giving.

Involved in this demonstration are several realities to be considered:

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth;
2. Some churches may need to discover "special roles" in the bold endeavors they have adopted;
3. Church leaders must lead the people to adjust lifestyles and values in order to achieve Bold Mission Thrust;
4. We need a strong zeal and spirit of cooperation to attain the $46,176 goal of our 1981 associational missions program;
5. We need a greater concern for people in order to bring about a new "turn around" in attitudes and records in church growth and church member development.

During the past year (1979-1980) the churches of our association gave $294,627 through the Cooperative Program. Our goal was $283,000. Last year our churches gave $35,494 for associational missions. Our goal was $42,600.

Our associational missions goal for this year (1980-1981) is $46,176, an increase over last year (1979-1980) of $3,197.

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Every church is challenged to:

1. Give something through the Cooperative Program for Bold Mission Thrust support.

2. Increase the percentage of its total budget income given through the Cooperative Program.

3. Increase the percentage of total budget income for the support of associational missions. OUR GOAL IS FOR EVERY CHURCH TO CONTRIBUTE AT LEAST 1.5% WITH A FUTURE GOAL OF AT LEAST 5% OF THE BUDGET GIFTS TO ASSOCIATIONAL MISSIONS.

Let every church in the Sandy Run Baptist Association demonstrate its genuine concern for and commitment to world mission support through BOLD LIVING AND BOLD GIVING.

II. STEWARDSHIP DEVELOPMENT

Developing Christian stewards is imperative in light of biblical teachings and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year 2000. This calls for faithful stewardship and growth in Christian giving.

The Stewardship Commission of the Southern Baptist Convention provides leadership, practical aids, and biblically-based materials for assisting churches in developing individual Christian stewards. The current stewardship theme is "Witness to the World Through Christian Stewardship."

The local church will want to provide year-round stewardship development activities for its members. Tracts, activity guides, study course books, visual aids, budget programs, and money management materials are available through the Stewardship Commission to help churches in planning and conducting these activities. The materials cover the broad areas of stewardship education, (giving and money management), mission, budget development and promotion, and accounting (proper handling of the church's money).

WE RECOMMEND

1. That every church accept the responsibility of teaching its members the principles of biblical stewardship and provide studies and activities throughout the year to accomplish this goal.
2. That every church encourage its members to grow in the grace of giving, and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.
3. That every church seek to increase its budget income during the year by at least 15 percent.
4. That every church develop a unified budget and conduct a budget

program that would emphasize the importance of each individual member's giving and involvement in the life and work of the church.

5. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.
6. That the association assist the churches in accomplishing their task of developing Christian stewards by providing information and or a conference explaining the stewardship resources available to the churches.

THE DREAM IS BOLD. THE PEOPLE ARE EXCITED. THE MISSION UNMISTAKABLY STANDS BEFORE US.

Respectfully submitted,
Eugene Passmore,
Director

MISSIONS COMMITTEE REPORT

The Goode's Grove Baptist Church requested that the association receive them into the fellowship of the association.

The Director of Missions met with the church on January 27, 1980, and discussed what membership in the association meant. The church voted to continue to seek fellowship with the Sandy Run Baptist Association.

The Missions Committee met with the leadership of the Goode's Grove Baptist Church on March 9, 1980, upon receipt of a formal request of membership from that church, and discussed the church's requirement of meeting the associational constitutional requirements of Article III, Section 1 and 2. The church leaders again requested that the membership process continue.

This committee, having found the church to be in agreement to meet the requirements of the associational constitution, presented the Goode's Grove Church's request for membership into the association to the Executive Board on March 31, 1980. The Executive Board voted to accept this church into the watchcare of the association and to present this membership request to the annual session for a vote.

This committee and the Director of Missions have worked with and watched this church closely since the Executive Board's action. The church has reported to the association using the standard annual letter forms. This committee, finding no reason why this church should not be accepted into the fellowship of this association, makes the following recommendation to the association;

The Missions Committee, finding the Goode's Grove Baptist Church to be in compliance with the requirements of the constitutional membership requirements, recommends that this annual session accept the Goode's Grove Baptist Church into the fellowship of the association.

If this recommendation is adopted, the watchcare period for this church will be completed on March 30, 1981.

Respectfully Submitted,
Joe Hogan, Chairman

NORTH CAROLINA BAPTIST HOMES, INC. REPORT

The ministry to older persons through our Baptist Homes is the youngest of all our social service ministries. We have just completed our 29th year of ministry, and are moving with faith and with gratitude into our 30th year and into the new decade of the eighties. God has blessed us through all of these years in marvelous ways and had given to us the privilege of moving into five areas of our state with this special ministry--Resthaven, the Hayes Home, the Apartment Complex, and the Nursing Unit all in Winston-Salem, and Homes in Albemarle, Hamilton, Yanceyville, and Asheville! The past year has been filled with excitement and accomplishment. A dream was fulfilled when we moved into the new Western Carolina Baptist Home in Asheville in March of 1979, and have filled this beautiful new Home to the brim with 49 new residents who are a most welcome addition to our Baptist Homes family.

Gifts from our Baptist Churches, though encouraging, have fallen behind previous years' gifts through the two vital sources of income for the Homes -- through the Cooperative Program, and through the new North Carolina Missions Offering. Through these two sources of support, we will continue to supplement needy residents who cannot pay the full cost of care and who are very dependent on these love gifts from North Carolina Baptists. Those who are supplement at some time during their resident in our Baptist Homes family are in the majority.

There is excitement over the possibility of starting the construction of additional nursing beds in Winston-Salem to care for residents in the new Western North Carolina Home and the Apartment Complex, when nursing care is needed for them. Hopefully, construction of these beds can be underway within this year, along with the construction of an urgently needed enlargement and renovation of the Hayes Home, and the building of a new administration building.

PLACE AND PREACHER COMMITTEE REPORT

The Place and Preacher Committee recommends that the 92 Annual Session of the Sandy Run Baptist Association be held on October 26, 1981, with the Big Springs Baptist Church and on October 27, 1981, with the Glenwood Baptist Church.

We further recommend that the Preacher for the Annual Session be the Reverend James L. Yelton, pastor of the First Baptist Church of Henrietta, N.C. and that the Reverend Joe Richards, pastor of the Sandy Mush Baptist Church, be the alternate.

Respectfully Submitted,
Paul Brock, Chairman

CHRISTIAN HIGHER EDUCATION REPORT

There are seven North Carolina Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and their affections, these schools are Baptists' educational mission in our state. There are 53 such colleges, including these seven, related to state conventions within the Southern Baptist Convention.

The highest priority of your Baptist colleges is to serve God and man through Christian higher education. Ours is a secular world which views life and history, and even man himself, as having no overarching purpose.

To his hopeless view of the world, the Christian church through its colleges and universities has an essential message. The message is that creation has purpose, life has meaning and direction and persons created in the image of God have eternal significance.

The task of the Christian college is large and complex: searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task in love and with reason to those who do not always understand the difficulty of the college task.

Your North Carolina Baptist colleges see themselves as you see them, as a valuable part of Christian missions. They operate out of the conviction that God's Holy Spirit leads persons in the discovery of truth, that through the Bible God has given us a sufficient guide for faith and practice, and that man is a sinner by nature who cannot save himself or redeem the world in which he lives.

Baptist young people are sought and welcomed by Baptist colleges. We call upon the churches, through pastors and other leaders, to encourage youth to apply for admission to Baptist colleges. When they do, a creative blending of Christian education, financial assistance and spiritual guidance will help to shape them as tomorrow's leaders in the church, community, state and nation.

DEDICATION COMMITTEE REPORT

This committee has the privilege and responsibility of selecting those individuals who are to be honored for their distinguished service to the association.

This committee recommends that the 1980 Sandy Run Baptist Association's Annual Minutes be dedicated to the Reverend A.B. Bumgarner in honor of the service he rendered to our association during the many years he served as pastor of the Spencer Baptist Church.

Respectfully Submitted,
W.A. Stroud, Chairman

EVANGELISM COMMITTEE REPORT

The Evangelism program of the association is being developed slowly but surely.

This Committee sponsored a "Revival Workshop" which was held at the Corinth Church on Nov. 19, 1979. This was well received by those attending.

The most successful "E" Night to date was held on April 1, 1980, at the Harmon Street Church.

All Baptists are urged to participate in the Joint Statewide evangelistic Crusade in 1982. The theme will be "Here's Hope". Interpretation Meetings will be scheduled across the state to share suggested plans and basic thrusts for the 1982 Joint Crusade effort, which is co-sponsored by the Baptist State Convention of North Carolina and the General Baptist Convention. The Executive Board of the Sandy Run Association approved participation in this crusade on a associational level at the September 29, 1980, meeting.

Fifty-four associations have now involved their churches in a Bold Evangelism Clinic, encouraging church leaders to plan specific, on-going programs of evangelism in the local church. This clinic has been scheduled for this association on March 9, 1981. The heart of this clinic is the Bold Evangelism Through the Church notebook. Each pastor attending this clinic will receive a notebook and be instructed in its use in his situation.

Thousands of youth were involved in the 10th Statewide Youth Evangelism Conference held in Greensboro last August. This year the Youth Evangelism Conference will be held in three sites across the state: Fayetteville on August 28; Greensboro on August 29; Asheville on August 30.

The 35th Statewide Evangelism Conference will be held in Asheville during February 2-3.

The Easter preaching emphasis will be separated this year from the "E" Night program. The Easter Preaching Night will be held on April 6, 1981. This will allow us to stress Evangelistic Preaching at the "E" Night Service scheduled on July 20, 1981.

Respectfully Submitted,
Ad Hopper, Chairman

WOMAN'S MISSIONARY UNION REPORT

Members of the W.M.U. have focused attention on the emphasis "Life-Changing Commitments" during the year. Forty-nine churches are currently reporting W.M.U. organizations.

Our Leadership Conference, held at Spencer Church was well attended. We emphasized the potential of W.M.U. for Bold Growing, Going and Giving in sharing the Gospel.

The World Day of Prayer, November 5, 1979, was held at First Baptist Church, Forest City, with Miss Frances Hammett of Nigeria as the featured speaker. Our Associational Mission Friends Workshop was held at Bethany on March 18, 1980, with Mrs. Susie Buckner, Mrs. Jimmy Weathers and Mrs. Luther Gilliken providing direction for our leadership training. Miss Jill Branyon was the guest of our Associational Acteens at their banquet held April 3, at the Floyd's Creek Church.

We were represented at the state W.M.U. convention in Winston-Salem, and at the Baptist Women's Prayer Retreat at Caswell in March.

The annual meeting was held April 24, 1980, with the Bethany Church, Forest City, using the theme, "In the Spirit of His Love." Reverend Jerry Potter, Missionary to the Deaf in North Carolina was the speaker for the afternoon session, and Reverend and Mrs. Craige A. Steele, missionaries in South Brazil brought messages in the evening session.

Our G.A.'s joined with others in Region 8, when 500 G.A.'s and leaders met in a G-A-Tivity at Second Baptist Church, Rutherfordton, on May 3, 1980. The session included Bible study, mission speakers, craft activities and work on Missions Adventures. It was one of the highlights of the year for them.

Our W.M.U. cooperated in supplying toilet articles and gifts to be placed in the Christmas boxes for women in the North Carolina Correctional Center for Women in Raleigh, N.C.

W.M.U. officers have been active in helping organize new work, in providing leadership training and in planning for Associational W.M.U. work.

Our overarching concern is that all people everywhere may have the opportunity to hear the Gospel and respond to it.

Respectfully Submitted,
Sarah Perry
Associational W.M.U. Director

HISTORY COMMITTEE REPORT

The Sandy Run Association will celebrate her 100th anniversary in 1989. As part of the celebration, a book will be compiled of short histories of the churches that now compose the fellowship of the association.

Each church is requested to elect a Church History Committee. This church committee is urged to write a history of their church, as complete as possible, in the years remaining before 1989 and then to produce a condensed version of this history for the associations records.

Training is planned for these church History Committees on the associational level.

RECREATION COMMITTEE REPORT

The main emphasis of the associational recreation program remains softball.

Three leagues were in operation this past year:
the men's with four divisions and 31 teams; the women's with two divisions and 20 teams; the youth's with two divisions and 16 teams. Thirty-seven churches were involved with sixty-seven teams. This represents a minimum of 938 team members.

Four post season tournaments were held. Bethel was the regular season champion and went on to win the Youth I Division Tournament. Sandy Mush was the regular season champion in Youth II Division. Mt. Harmony - Cooper Springs won the tournament. Floyd's Creek was the season champion in the Women's Division I while Sandy Mush was the Division II champion. Sandy Mush won the combined divisions tournament. In the men's league, Adaville was the Division I champion, Bethel was the Division II champion, Sandy Mush was the Division III champion and Race Path was the Division IV champion. Race Path won the men's combined divisions tournament.

Race Path's men's team, by winning the men's tournament, represented this association in the first State Baptist Men's Softball Tournament. Eight associations were represented. Race Path brought the championship back to this association.

Ten organizational meetings were held in organzing these leagues.

Four official protests were handled by this committee. This required four official meetings and six pollings of the committee members.

An effort is being made to enlarge the scope of the association's recreational program. A number of ideas are being considered.

A special thanks go to the members of this committee, who so ably assisted me this year: Mr. Tommy Tate and Rev. Robert Philbeck.

Respectfully Submitted,
Herman Haynes, Chairman

ORDINATION COMMITTEE REPORT

The Ordination Committee is a service committee of the association. When properly requested, this committee will convene the Ordination Council of the association, which is composed of the active pastors and deacons of the association, to examine prospective candidates for the pastorate and deaconate.

This committee convened the Ordination Council four times this past year. The Long Leaf Baptist Church of the Wilmington Association requested a council to be held to examine Ravon Sutton Webb, who had been called as pastor of the Lavonia Baptist Church, when their council could not meet because of conflicting schedules of the committee members.

The Walls Baptist Church requested a council to examine David A. Jones, who had been called as pastor by the Bat Cave Church.

The Caroleen Baptist Church requested a council to examine Keith David Benfield, who had been called as Minister of Youth by that church.

The Concord Baptist Church requested a council to examine Roger E. Newton, who had been called by that church as pastor.

All four candidates were approved by the examining councils and the churches advised to continue the ordination process.

One request for a council was refused. Without specific guidelines from the Executive Board, this committee was instructed by the Executive Committee not to convene councils to examine persons not called to a specific place of ministry as either pastor, staff member or deacon. At the present time this is the only operative guideline for this committee. The request was denied in compliance with this guideline.

Joe Richards, Chairman

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. REPORT TO THE ASSOCIATIONS 1980

The Baptist Children's Homes of North Carolina, Incorporated is an Institution of the Baptist State Convention and provides a Christian ministry of child care and family services.

The lives of more than forty-five hundred people were affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and young people, work was being done with important adults in their lives.

Progress is being made in implementing recommendations from the Trustee Evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily avaiable to people who need our help anywhere in the State. Nine Family Services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville and Ahoskie.

Necessary to the fulfillment of the mission of the Children's Homes are "people" resources, financial resources and spiritual resources. We are blessed with all of these. You, along with many other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your giving and through various types of involvement. Members of our Board of Trustees and members of our staff, with your assistance, are dedicated to a continuing Christian ministry to children and members of their families.

PASTOR - CHURCH RELATIONS COMMITTEE REPORT

The very nature of the work of this committee and the constitutional guidelines for its function restricts and limits the material that may be reported and published in the annual minutes.

The chairman of this committee was called upon twice formally to work with two of our churches. Seventeen informal conferences were held.

It is the desire of this committee that their services be used by our churches whenever a crisis situation seems to be developing or is in existance. The sooner the committee is called upon, the better, usually, for all parties concerned.

This committee requests that the association remember all of our churches in prayer.

ANNUITY BOARD REPORT

"Achievement, Ministry and Growth"

While serving Southern Baptist churches and agencies in 1979, the Annuity Board marked a period of "achievement, ministry and growth in practically every phase of its work," according to Dr. Darold H. Morgan, president. Key statistical highlights in 1979 included:

1. A 13th Check amounting to 10% of a year's benefit was mailed to most annuitants in December, 1979.
2. A total of $19,131,539 in retirement benefits was paid.
3. Insurance benefits through the Board's church, agency and seminary programs amounted to $13,067,338.
4. At the close of 1979, the Board counted 22,879 church and agency member accounts in Plan A; 43,927 in the Fixed Fund investment plan; 4,934 in the Balanced Fund and 3,941 in the Variable Fund.

In North Carolina, as of March 31, 1980, 3,046 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

Through March 31, 1980, we had processed the following:

77 - Southern Baptist Retirement Program applications
14 - Applications for age retirement benefits
3 - Applications for disability benefits
6 - Widow's claims

In the Sandy Run Baptist Association, 50 churches and 61 staff members are participating in the retirement program. Of this number, 17 are still

participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

The sudden death of one of our younger pastors this year reminded us again of the need for coverage on our pastors and staff personnel. Fortunately the church had provided annuity coverage. But, the unexpected and unplanned for events do occur. Good insurance for the church is annuity coverage for her pastor.

SUNDAY SCHOOL REPORT

Sunday School has always proven to be an effective tool in growing churches. The major emphasis of the associational Sunday School Program for this year will center on Training, Growing, and Going through the Sunday School. The Associational Sunday School Improvement Support Team (ASSIST) will be a vital link to the churches in our association in accomplishing these tasks.

The associational Sunday School Rally was delayed this year. The Rally will be held on November 20, at the Sandy Mush Church. Robert Stewart, the Director of the Sunday School Department for the State of North Carolina, will be our guest speaker.

The ASSIST Team was busy this year. The Team participated in training on the State level for Vacation Bible School. The Team held an associational Vacation Bible School Clinic on April 28 and 29, at the Florence Church.

The Team attended the Eastern U.S. ASSIST Training Institute held at Ridgecrest on April 17-19. Associations throughout the eastern United States were represented.

Your Director attended the Key Leadership Conference held at Ridgecrest on May 12-14. An associational Sunday School conference was held as part of the associations Key Leadership Conference on August 19, 1980.

A Sunday School Workshop was held in the association on September 15 and 16 at the First Baptist Church of Forest City. The Teaching books were taught on all age levels.

Plans are being made for the new year. The ASSIST Team will again be leading in areas of Pastor, Sunday School Director, Teachers and Worker improvement in the area of Sunday School work.

Grow your church through the Sunday School. Make plans now to attend and become involved with your ASSIST Team and the Sunday School training offered by your association. We look forward to serving you.

Robert Campbell, Director

PROGRAM - REGISTRATION COMMITTEE REPORT

The Program Committee's efforts are reflected in the program agenda found elsewhere in the Book of Reports and when approved by the Annual Session will become part of the proceedings for this annual meeting.

This is the third year for the use of evening sessions without the meals being served. This style of program seems to have been well received by the churches.

A new policy by the Baptist State Convention made available to the associations video cassette tapes rather than convention personnel as the media through which the State Convention would be represented at the associational annual meetings. The Program Committee agreed with the Executive Committee that this type presentation would not be suitable in our situation and our plans were made not to use the tape.

This committee presented a program agenda to the Executive Board on September 29, as information. The Executive Board, at a later special called meeting (Oct. 9) directed this committee to rework the annual session agenda in order to allow as much time as possible for the business session on the first day in order for the annual session to have time to consider a proposal to purchase property.

In reworking the agenda, certain scheduled events were rescheduled for the second evening. Other scheduled events had to be deleted. Priority consideration will be given to these deleted areas in the 1981 agenda.

CHURCH TRAINING REPORT

The Associational Church Training age-group leaders took advantage of a training opportunity and attended a leadership conference held at the First Baptist Church of Hickory.

Your Associational Church Training Director attended the Key Leadership Training Conference held at Ridgecrest. On August 19, the information received at Ridgecrest was shared in our local Key Leadership Conference with Church Training workers.

Training is every church members responsibility. We must learn to take advantage of every training opportunity. Become familiar with the Equipping Center Modules as well as the literature of church training. Discipleship requires training. TRAIN - - its the Christ like thing to do.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

During the past year, our hospital has again received accreditation for the maximum period, two years, by the Joint Commission on Accreditation of Hospitals. Only about one-third of the hospitals in the nation received the full two-year accreditation.

Our hospital is constantly upgrading it staff, facilities and equipment. In recent months, a carbon dioxide surgical laser has been added. The laser emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used now for delicate surgery of the larynx, upper respiratory tract, and lung. It has potential, also, for surgery for other internal organs.

The financial counseling section is now better prepared to assist those who need it services. Through a special arrangement with the Forsyth County Social Services Department, social workers and a counselor for the state's Crippled Children's Program are now stationed in the hospital and are immediately available to patients.

The staff and trustees continue to make every effort to keep operating costs as low as possible. In this connection, our hospital recently became a charter member of the Sun Alliance, an organization of 22 large hospitals in nine southeastern states. A primary purpose of the alliance is to keep operating costs (and consequently, patient charges) as low as possible through group purchasing of capital equipment, the development and sharing of comparative data and management information, and possible group arrangements with specialized consultants.

Construction on the Focus Building, on the site of the Old Main building which was torn down two years ago, is almost complete. Several departments of the Medical Center will be occupying this building in the near future.

The hospital staff is grateful to the Baptists of North Carolina for continuing financial support. During 1979, the hospital received $400,500 through the Cooperative Program, and $357,517 through the North Carolina Missions Offering and designated gifts.

CONTINUING EDUCATION REPORT

People who work with Seminary Extension believe that learning is something which should take place throughout life. Learning is also something which should prepare individuals for life's significant tasks.

Seminary Extension is a movement born out of an expressed need within Southern Baptist Life for ministry training opportunities beyond college or seminary campuses. Its goal is to bring continuing theological education within reach of ministers and lay leaders, regardless of age, geographical

location, or level of formal educational background.

North Carolina Baptists help underwrite the cost of study with Seminary Extension through the Cooperative Program budget. This subsidy helps keep the cost per course within a range every student can afford. This is a major reason why our state has had the largest statewide Seminary Extension program in the United States for the sixth consecutive year.

Two courses will be offered through our Extension Center starting in January. "Evangelism" (PM 0255) will be taught by Dr. Wayne H. Blackwood, pastor of Bethel Baptist Church, and "How To Understand The Bible" (BB 0100) will be taught by Reverend Otis J. Wheelhouse, Jr. Director of Missions. Reserve your place by calling the associational office now.

Future courses will be taught in the area of Pastoral Care by Dr. Charles F. Cobb, pastor of Adaville Baptist Church, and in the area of Education by Dr. Robert W. Campbell, pastor of Mount Lebanon Baptist Church. Survey courses in the Old and New Testaments are also being planned.

Our Continuing Education Center offers a wide variety of courses. Help us choose the one you want and need by contacting me and suggesting courses to be held.

SOUTH MOUNTAIN BAPTIST CAMP RESORT

Those of us who represent you and the Lord at South Mountain Baptist Camp witnessed Him doing a mighty work this year. Over 2,000 attended our regular camps. There were over 1,300 others who attended church-related activities. There were 58 who came from the Sandy Run Baptist Association. Several hundred more visited in our commitment services.

Campers were challenged daily as we developed our theme "Making Disciples." There were 821 decisions for Christ, of which 268 were professions of faith and over 30 for special service. A commitment to pray 15 minutes daily for world missions was made by 1,386 persons.

Our program included morning devotion, classes on prayer and spiritual growth, mission study, worship and recreation. We are eternally grateful to individuals and churches who support us with prayers and financial aid so we may reach more of our youth for Christ.

Please remember that the camp is available for retreats or day camps through November. Plans should be made early next Spring to make reservations for your youth for the 1981 season.

We are dependent on churches and individuals for improvements and growth. Remember us in your prayers throughout the year.

T.A. Lineberger, Director

BIBLICAL RECORDER REPORT

The BIBLICAL RECORDER is the best of state Baptist magazines. It is on top of the religious news stories throughout the world as well as in our own state. So many things have happened among Baptists these past recent weeks and months that we would not be able to keep informed if it had not been for the "Recorder".

When people are well informed, they know better how to deal with issues and problems. They know better the needs of a lost and hungry world. They know better how to deal with these needs.

The greatest challenges to man seem to be coming now. Stay up-to-date on what God is doing through His children to meet these great challenges --read the BIBLICAL RECORDER.

Where the Recorder is read, the people are better informed and they respond to world needs with their prayers and financial support, especially through the Cooperative Program.

DO YOU TAKE THE RECORDER? Does your church have a RECORDER PLAN? Better still, IS THE RECORDER IN YOUR CHURCH BUDGET?

Individual subscriptions are $5.00. The Club Plan is $4.50 per subscription. The Church Budget Plan is $3.50. The Church Budget Plan requires subscriptions equal to one-fifth of the resident church membership. This is the cheapest and best magazine that can come to Baptist homes.

BROTHERHOOD REPORT

One of the best of our Men and Boys Rallys was held at Campfield Memorial Church on November 6. A training session was held for the leadership of the Gray's Creek Church in December. An orientation was held for the R.A. leadership.

A Brotherhood general briefing meeting was held at the Temple Church. The new Brotherhood materials were introduced. Coming out of this general meeting was a series of three training nights for the Brotherhood directors.

Two training sessions were held at the Wilson Church. The W.M.U. leadership sat in on these training sessions.

The year ahead can be a "very good year" for Baptist Men. We are encouraged with the growth trend in all of the Brotherhood, but the men make the real difference.

If you need help in organizing your work or in the administration of the program, please call me at the associational office.

Respectfully Submitted,
Carl R. Street

c. Southern Baptist Convention—Each cooperating church is entitled to one messenger to the Southern Baptist Convention. For every 250 members or for each $250.00 paid to the work of the Convention during the fiscal year preceding the annual meeting the church can add one member. For example, your church has 89 members. Under the membership clause you can have one messenger. However, your church contributed $1,250 to cooperative program funds. This means you can have an additional five messengers or six (6) total messengers. No church can have more than ten (10) messengers. Each messenger must have a messenger Registration Card signed by the church moderator or clerk to register. These cards can be obtained from the Associational Office or the Baptist State Convention in Raleigh.

2. PROCEDURE FOR ADMISSION TO THE CHILDREN'S HOME OF NORTH CAROLINA, INC.

Admissions:

Write to: Mr. Hugh Starnes, Broyhill Children's Homes, Clyde, N. C. 28721, or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

When contact is made either by a pastor, relatives, interested friends, or social service agencies, a professionally trained caseworker will make a thorough study of each situation to determine the extent of need and the best possible plan for the child and his family.

Procedures:

Preschool children are normally cared for in Foster Homes.

School age children are cared for through one of a variety of services according to need. Usually this will be either the use of a Foster Home or placement in one of the Children's Homes.

Children are accepted from pre-school age up to and including (special cases) high school seniors.

The stay at the home is for as long as necessary; usually until the development of some other plan; or to the completion of high school. In cases of special need even beyond high school.

At the present time the program is not able to care for the physically handicapped, the mentally retarded, or the severely emotionally disturbed.

3. PROCEDURES FOR ADMISSION TO THE NORTH CAROLINA BAPTIST HOMES, INC.

Step Number 1 is to have the pastor write:
William A. Poole, Superintendent
N C. Baptist Homes, Inc.
Reynolds Park Road
Winston Salem, North Carolina 27107
for application forms, giving as much information on the applicant as possible. The applicant himself or herself could write directly, but this contact with our pastors is desired. To qualify for admission to one of our five resident Homes, it is understood that one must be at least 65 years of age and in reasonably good health mentally and physically. After the arrival of a resident, complete and full nursing care is given for the remainder of the person's life. The care is excellent. A patient cannot be received directly into one of our resident Homes who is either in bed or on the borderline—not because we do not want to, but because we do not have the staff and equipment to care for patients in a resident home.

Step Number 2 is to mail application forms back to Mr. Poole. When these forms are returned, the applicant will be contacted and a visit arranged with Mr. Poole and with the Head Nurse in Winston-Salem. Mr. Poole reviews the ministry of our Homes with the applicant, and the Head Nurse reviews their medical history. If the applicant's health permits, the applicant is approved very shortly.

Step Number 3 is that the applicant is notified of approval, and if there is a vacancy in any one of our Baptist Homes, the applicant is received into the Home as a member of the family of our Baptist Homes and given tender loving care for the rest of life.

Step Number 4 is that, in the conversation with the applicant on their visit to Winston-Salem, financial arrangements are discussed, counsel is given concerning any assistance program that there is available and information is given on the love gifts from our Baptist churches which supplement the majority of our residents. Before arrival of the resident, a letter is written explaining in detail the financial arrangements. No one is ever excluded from a Baptist Home for lack of funds. In fact, the majority have little income of their own.

4. PROCEDURE FOR ADMISSION TO THE MATERNITY HOME.

Admissions:

Write to: Mr. Hugh Starnes, Broyhill Homes, Clyde, N. C. 28721 or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

Procedure: A professionally trained caseworker will call upon the girl and her parents to determine the needs of the particular case.

The average stay in the Home is 3½ months. Exceptions are made to this - both longer and shorter periods of time.

There is some cost involved. Some are able to cover the entire cost of their stay, others are not. Money is not the most important concern—the girl is.

State Maternity Home Funds are available through the Department of Social Services for every girl who uses the services of a maternity home. These funds are requested through the Department of Social Services.

The girls, if they are in school, have a special program whereby they are able to continue their studies while at the home. Grades are transferred through the Asheville school system without reference to the Maternity Home.

5. PROCEDURES FOR ADMISSION TO THE BAPTIST HOSPITAL, INC.

When a member of your church or a citizen of your community needs the ministry of North Carolina Baptist Hospital, the Hospital wants to serve. That is the reason for its existence, and its forty-nine years of service bear testimony to this.

The desire to serve must be balanced with sound business practice and financial stability if the ministry is to continue. In trying to maintain this balance the following procedure for admitting patients has been adopted:

a. The patient's local physician contacts one of Baptist Hospital's physicians or clinics to make appointment for medical referral. If you have a question about scheduling an appointment, telephone the Outpatient Department Appointment Section at (919) 727-5375.

b. If the Baptist Hospital physician considers it necessary or advisable to admit the patient to the hospital, he contacts the pre-admitting office and requests a bed. On the basis of the physician's diagnosis and prescribed treatment, the length and cost of hospitalization are estimated.

c. The pre-admitting office contacts the patient, or patient's family to obtain necessary data, including financial data. This information indicates patient's hospital insurance coverage, if any; personal resources; eligibility for third party sponsorship.

d. The patient is told the estimated hospital bill, how much is expected from insurance or sponsoring agency, and the "out-of-pocket" difference, if any for which he is responsible. This difference is due upon admission. (Exception to the pre-payment plan is made for emergency and continuing care patients.)

e. Patients who cannot pay are counselled about agency programs which are available, even though they may not consider themselves eligible for certification.

Our business office has trained and sympathetic financial counselors whose services are available to any patient who needs them and desires them. They are

familiar with various sources of financial aid, the qualifications for obtaining them, and the procedures to follow in making application. Almost any patient who will cooperate with them can find financial help with hospital expenses, if his need is genuine. Frequently, these counselors can help a patient obtain needed follow-up services, also.

6. LOANS FOR BAPTIST COLLEGE STUDENTS

Many of our Baptist Colleges make scholarships available to Baptist students. You should write directly to the college for information on these scholarships.

There is a fund available through which loans are made available to Baptist students whose residence is Virginia or North Carolina and the student is attending a Baptist College in Virginia. Write directly to the fund - The Charles B. Keesee Fund, Martinsville, Virginia for information and loan forms.

7. PASTORS LIBRARY SERVICES

JOHN LOUIS KESLER LIBRARY

A special service is offered to Rural Ministers. The John Louis Kesler Circulating Library makes available 50,000 volumes on a lending basis to ministers.

WHO MAY BORROW

Any minister of the South . . . irrespective of denominational affiliations, who signs the application card is eligible for this service. Annotated book lists are mailed regularly to all ministers who are active borrowers. This service is not available to students in colleges or seminaries. This service is expressly designed to benefit ministers who cannot find needed material in the local library.

HOW TO BORROW

Each borrower is asked to submit a list of several books he desires, arranged in order of his preference. He will be sent the first book (or books) available from the list. When these are returned others will be mailed.

Books may be kept for three weeks and are subject to one renewal upon request, if not in demand elsewhere. The only expense to the borrower is return postage. This is a nominal fee since the books are sent by library rate.

TO OBTAIN SERVICE

Those interested should write for further information and membership card to:

Kesler Circulating Library
Joint University Library Building
Nashville, Tennessee 37203

8. THE THERMAL BELT YOUTH SHELTER - POLICY AND PROCEDURES

The Thermal Belt Baptist Youth Shelter operation is made possible by the joint cooperation of the area Baptist Associations and the Baptist Children's Homes of North Carolina, Incorporated. The Green River, Polk, and Sandy Run Associations are responsible for the physical structure, furnishings, and upkeep

of the residence. The program is operated by the Baptist Children's Home of North Carolina, Incorporated, and is under the jurisdiction of the Board of Trustees elected by the North Carolina Baptist State Convention. The home is licensed annually by the North Carolina State Division of Social Services. The home is under the direction and supervision of the western area administrator.

PURPOSE

The Youth Shelter has been established to render temporary residential care on an emergency basis while a more permanent plan is being made. Youth from the ages of three to eighteen years can be served for a maximum of ninety days. Admissions will be made without regard to race, nationality, or religion. The home has a capacity to serve six children at any one time.

AREA SERVED

Services of the Thermal Belt Baptist Youth Shelter are available to residents within the state. However, to insure continued planning for every child, it is recommended that referrals come from within the immediate geographic area of the Shelter Home.

ADMISSIONS AND REFERRALS

The Baptist Youth Shelter will not assume legal custody for any child. Signed consent for admission of a child in the home must be given by the person or agency with placement authority whether the authority is the parent, a custodial agency, or another individual holding legal custody. Anyone who is aware of a child's need may refer a youth to the Baptist Youth Shelter.

Intake and admissions will be the responsibility of the social worker. Should this person be away from the home, the resident director will assume this responsibility.

EXCEPTION

A youth may admit himself and stay in the home not more than twenty-four (24) hours on a weekday or seventy-two (72) hours on a weekend, after which time the legal custodian must become involved in the placement or the youth must leave the home. When a youth admits himself, a call will be placed to the county sheriff or city police to notify them of his whereabouts.

The Baptist Youth Shelter cannot accept any youth who is so physically, mentally, or emotionally handicapped that he cannot function adequately in an openly structured group environment and attend public schools. In addition, no child who needs involuntary detention can be admitted.

COST OF CARE

Custodial agencies will pay $10 per day plus medical, dental, clothing and educational costs. (This fee is subject to inflationary increases.)

Individuals with legal custody will pay $10 per day per child, in addition to providing medical, dental, clothing, and educational expenses. In cases of financial hardship, a reasonable amount of support will be determined on an individual basis in accordance with the family's income. No child will be denied care because of the custodian's inability to pay.

PLANNING RESPONSIBILITIES

When custodial agencies have the authority to admit a child into the Baptist Youth Shelter, it is that agency's responsibility to continue services to the child and his family. The maximum length of care (90 days) should be recognized by the planning agency in order that the term of residence can be used as a planning time. This agency is responsible for making a workable plan for the child within this time period, such as his placement with his family, relatives, or other child-caring institutions. The custodial agency's social worker will be expected to maintain weekly contacts with the child and to hold planning conferences to review the Plan of Care with the Baptist Children's Homes' social worker, at least once every thirty (30) days. This conference will be in reference to goals for long-term care.

The individual or parent having legal custody of a child in the Baptist Youth Shelter will assume responsibility for planning for the child's long-term care after discharge. In addition to holding specified planning conferences at least every thirty (30) days to review the Plan of Care, the custodial person will agree to seek help in order to resolve a family crisis that caused the child to be placed at the Youth Shelter.

BEHAVIOR PROBLEMS

Should a resident in the home exhibit behavior problems that endangers the well-being of other children or himself, or if he seriously threatens the overall functioning of the Youth Shelter, the legal custodian will remove the child upon request of the staff.

MEDICAL SERVICES

A child who has no proof of a medical examination within six months will be required to have this done during the first week of his placement. The custodian will be responsible for arranging, securing, and bearing the expense of this physical. The staff at the Youth Shelter reserves the right to request current medical information if necessary. The placement person, or the legal custodian, is responsible for providing all medical attention for the child while he is in care. Emergency medical needs will be met by the Baptist Youth Shelter with the placement person being financially responsible for such services.

CLOTHING

Children coming into care should have a complete change of clothes provided by the admitting person or agency. This person is also responsible for providing additional clothing within forty-eight (48) hours.
